WESTERN MARYLAND AND WASHINGTON TIE

Although outplaying the Western Maryland College football team for the best part of the game, Washington College, of Chestertown, was unable to produce at the proper time, and the annual contest between the teams, staged at Oriole Park Saturday afternoon, ended in a scoreless tie. Except for the first quarter, when Western Maryland twice had the ball within Washington's 10-yard line, the Chestertown lads were in no real danger and forced the playing all the way. The teams were evenly matched in weight. Supporters of both colleges were out in numbers to cheer for their representatives.

While the play of both squads was ragged at times, they showed up well for so early in the season, the tackling and interference of both backfields being especially good. A number of fumbles occured, but many of these could be overlooked owing to the poor condition of the field and a steady rain that fell during part of the contest.

Branham and McGuire did fairly well with their kicks, each averaging about 35 or 40 yards. For Washington, Frampton and Lewis, ends, put up a good game, as did Branham, Biddle, Bowen in the backfield. Capt. Dukes, at end, and McGuire and Numbers, backs, were the most consistent players of the Western Maryland eleven. Pfeffer, at quarter, tried to work a number of end runs, but failed miserably, being thrown for a loss nearly every time.

Moving pictures of the game were taked and will be exhibited to the students of both colleges at Westminster and Chestertown. The line-up:

W. C.	Position	W. M.
Lewis	Left end	Bennett
Garrett (capt.)	Left tackle	Blair
Sterling	Left guard	Ward
Titter	Centre	Twigg
Davis	Right guard	Frederick
Healey	Right tackle	Graefe
Frampton	Right end	Dukes (capt.)
Moore	Quarterback	Pfeffer
Biddle	Fullbock	Numbers
Branham	Left halback	McGuire
Bowen	Right halfback	Blakeney

Telephone And Telegraph Companies To Keep Up Public Roads.

Baltimore, Md., Aug. 26th, 1913.

MESSRS. EDITORS, KENT NEWS:
Chestertown, Md.,

As State Senator from Howard County, an agricultural county, I am particularly anxious to get an expression from the farmers of your County, whose property borders on the public thoroughfares upon which are telegraph poles and lines belonging to the several telegraph or telephone companies operating in this State, as to whether these companies should not keep the rights of way on the side of the road over or on which their lines are stretched, free from brush.

We all know that Article 23 Sections 257 to 277 of the Code of Public General Laws of Maryland requires that the several telephone or telegraph companies operating in this State over the the public thoroughfares by virtue of a license from the County Commissioners of the several counties, are subject to the conditions imposed upon the said companies by the said counties.

I believe there should be enacted by the General Assembly of Maryland a law which requires the telephone and telegraph companies to keep the rights of way over which their lines are streched, as a consideration of the privilege of operating their lines, clean.

Accordingly, I respectfully request that you publish my letter to you in the next issue of your paper, and I request the citizens of your County who are interested in my project, to compel all telephone and telegraph companies who are operating over the public thoroughfares in your County, to keep the same clean, to communicate with me or to request of their prospective representatives to the next General Assembly, an expression as to whether or not they are in favor of this legislation.

I recognize that the only way to get next to the people of the State for a given proposition, without the expenditure of a large sum of money is through the press of the State, and knowing that your paper is one which contributes to the general welfare of the State and County, and outside of whose columns it is almost impossible to get to all the voters of your County, I respectfully re-request that you publish this letter in order that I may have an expression of the citizens of your County as to this measure, and particulaly as to whether or not they believe it is a measure, in right and justice, calculated to the welfare of all the public of the County.

Very respectfully,
EDWIN M. HAMMOND
State Senator from Howard County.

LOWERS WORLD RECORD.

Uhlan, the World's champion trotter, owned by C. K. G. Billings, Thursday lowered the world's record for a mile to 1.54¼. Uhlan set the previous record at 1.58 last year. Uhlan was hitched to a running mate,

The champion was driven by Charles Tanner, and was favored with a perfect track and beautiful weather conditions. Trotting in magnificent form he made the quarters in .28¾, .57¾ 1.25¾, 154¼. Horse and driver received an ovation at the finish when the crowd realized that a new world's record had been made

THE second, third and fourth classes of the George Biddle High School will hold an entertainment in the Jr. O. U. A. M. Hall, Cecilton, Md, on Tuesday evening, October 21, at 7 30 o'clock.
