Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of **Swamp-Root,** the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

HOW TO CURE RHEUMATISM.

It Is an Internal Disease And Requires an Internal Remedy.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. Rubbing on Oils and Liniment will not cure, affords only temporary relief at best, causes you to delay the proper treatment, allows the malady to get a firmer hold on you. Liniments may ease the pain, but they will no more cure Rheumatsim than paint will change the fibre of rotten wood.

Science has at least discovered a perfect and complete cure, which is called "Rhumacide." Tested in hundreds of cases, it has affected the most marvelous cures; we believe it will cure you. Rheumacide "gets at the joints from the inside," sweeps the poison out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide "strikes the root of the disease and removes its cause." This splendid remedy is sold by druggists and dealers generally at 50c and $1 a bottle. In tablet form at 25 and 50c a package. Get a bottle to-day. Booklet free if you write to Bobbitt Chemical Co., Baltimore, Md. Trial bottle tablets 25c by mail. 15Jan4m.

GRANGE NOTES.

Those who failed to come to Harper's Hall, Still Pond, last Thursday evening, May 19th, to hear Mrs. Bornchein missed a rare treat for seldom has it been given to the citizens of a community such an opportunity to be entertained as Mrs. Bornchein entertained the select and appreciative audience by her charming vocal renderings and character impersonations. Still Pond Grange is to be congratulated upon its efforts to please the people as also upon the increased interest of the members.

The meeting of May 17th was specially interesting, the question discussed being "Compulsory Education." Should Mrs. Bornchein come again we would advise every one who can to give her his countenance.

MRS. SARAH ELIZABETH SCOTT

Mrs. Sarah Elizabeth Scott, widow of the late Darius Scott, died last Wednesday afternoon at the home of her son, Stephen Scott, Rock Hall, of cancer of the stomach, aged 64 years. She is survived by four children, viz: Winfield, Stephen, and Mrs. Walter Downey, of Rock Hall, and Mrs. J. Webster McIntyre, of Chestertown; also one brother, Mr. Thomas Rodney, of Rock Hall. Funeral services were held from the residence of her son, Thursday afternoon, conducted by Rev. VanP. Northrup, pastor of Rock Hall M. E. Church, of which congregation she was for many years a faithful and devoted member. During the services the church choir sang "Rock of Ages," "Asleep in Jesus" and "Will There be any Stars in My Crown," favorite hymns of the deceased. The interment was in Wesley Chapel Cemetery, Casey & Bro., undertakers. The floral tributes were numerous and beautiful.

The greatest shipment of strawberries ever known to be made from the Delaware and Maryland peninsula was made Tuesday, when more than 200 cars rolled to North and Western cities. The berries were the finest stock that has been grown in many years and sold in the markets from $2 to $4.50 per 32-quart crate. Bridgeville broke its previous record and loaded 48 cars, Seaford following with 40; Selbyville, 20; Salisbury, 18; Laurel, 8; Cannon, 8, and many other towns loaded from three to eight cars.

AFTER SUFFERING ONE YEAR

Cured by Lydia E. Pinkham's Vegetable Compound

Milwaukee, Wis. — "Lydia E. Pinkham's Vegetable Compound has made me a well woman, and I would like to tell the whole world of it. I suffered from female trouble and fearful pains in my back. I had the best doctors and they all decided that I had a tumor in addition to my female trouble, and advised an operation. Lydia E. Pinkham's Vegetable Compound made me a well woman and I have no more backache. I hope I can help others by telling them what Lydia E. Pinkham's Vegetable Compound has done for me." — MRS. EMMA IMSE, 833 First St., Milwaukee, Wis.

The above is only one of the thousands of grateful letters which are constantly being received by the Pinkham Medicine Company of Lynn, Mass., which prove beyond a doubt that Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, actually does cure these obstinate diseases of women after all other means have failed, and that every such suffering woman owes it to herself to at least give Lydia E. Pinkham's Vegetable Compound a trial before submitting to an operation, or giving up hope of recovery.

Mrs. Pinkham, of Lynn, Mass., invites all sick women to write her for advice. She has guided thousands to health and her advice is free.

Picknell 35381

Record 2.15¼, Made in Third Heat of Winning Race.

Bred by C. W. Williams, Galesburg, Ill. Foaled 1901. A model in every way. His size, 15.2 hands, weight close to 1050 pounds, and color mahogany bay, are ideal. His disposition and manners are perfect. His breeding, the highest of fashion—a son of the greatest sire of his age, living or dead, Allerton 2.09¼, the sire of Picknell he has 202 in the list, world's champion trotting stallion to high wheels, from one of the greatest producing daughters of Baron Wilkes 2.18, the famous Futurity sire, which has 131 in the list. Jay Bird 2.01¼, the sire of Allerton has 131 in list. A race horse himself, never having worn hobbles nor other false rigging; started green in the late summer of 1906 in six races, winning two of them, and was well up into the money the other four, he has, (though prominent horsemen have pronounced him capable of a record of 2.05 or better) been retired to the stud, sound, clean, superbly handsome, with vigor and vitality unimpaired, saving for his offspring what a mere racing-machine wears out on the track.

PICKNELL will make the season of 1910 at my stable, Kent and Calvert Staeets, Chestertown, Kent Co., Md., at $15.00 the season, or $25.00 to insure approved mares.

Will not be responsible for accidents or escapes, but best care taken of mares sent to me. For extended pedigree that will interest any horseman or for fuller particulars call on or address
