"Right Posture" Clothes for Boys are made by the Snellenburg Clothing Co., of Philadelphia.

They have an ingenious construction in the shoulders in the shape of a hood or yoke, consisting of an adjustable elastic band which neither binds nor interferes with the free movement of the body and arms.

This band is a reminder to the boy who would stoop.

The coat is beautifully made, with shoulders set well back, which gives the boy a military carriage. It is sewn with silk throughout, with reinforced seams. Stoutly lined trousers and pull proof buttons.

MEMORIAL SERVICE.

Chestertown Council, Jr. O. U. A. M., held a very impressive and helpful memorial service in Fraternal Hall on Sunday afternoon. Bro. Peacock, as councilor, and his committees had made all arrangements and the service was surely beneficial. The Council has lost ten members since its organization. The Councilor intended for ten minutes to speak in memors of the ten deceased members but two of the speakers could not be present. The deceased members and those that spoke were:

Deceased:	*Speakers:*
William Matthews	J. B. McIntire
Meteer Wallis	W. B. Coleman

Samuel Startt	Wm. T. Hague
Mr. Dill	John C. Davis
Mr. Hall	Wm. B. Coleman

Each speaker gave a very interesting talk on the lives of the deceased members. The talks were interspersed with appropriate hymns sweetly sung by Mrs. Mollie Reed, Miss Anna Smyth, J. F. Educational Rally in Chestertown a Great Day for Parents and Children—Good Speaking and Interesting Races.

Carrying out an idea that is being adopted in many of the counties, most of the schools of this county joined in an Educational Rally and Athletic contest at the High School, Chestertown, on Thursday. Unusual interest was manifested by both the scholars and parents in all parts of the county and there were over 1500 children and grown persons in town. There were 1187 in line.

The children came in all kinds of conveyances—from Capt. Spear's yacht to Mr. B. F. Davis, wagon, "Rocks" Scoone's bus and Howard Owens' auto, &c., &c. Headed by Trustee C. S. Smith and Master William Pippin Smith with a drum the parade left High school, each school with a banner at its head marching by fours and then by twos, they made a grand and inspiring spectacle. All along the line of parade the people cheered the scholars and entered with a vim into the affair. But, next year,—just wait and see what a difference! This was but a beginning of what is to be an annual event and one which will be worthy of the county and its citizens.

Dr. M. B. Stephens introduced Dr. Thos. H. Lewis, of Western Md. College, who made one of his excellent addresses. Dr. J. W. Cain followed with cheering words. The crowd, however, was so large outside the school that very few persons were able to enjoy the addresses. On the platform with the speakers were Supt. J. L. Smyth, who arranged the affair; Commissioners J. P. Ahern, J. D. Urie, John N. Bennett and Mr. Howard Turner.

A practical illustration of what the department of Domestic Science is doing under Miss Annie Copper's direction was given to the visitors. A dinner fit for a King was cooked and served in the school building by the graduating Class, the menu including turkey, oysters, chicken, salad, coffee bread, &c, &c.

All the afternoon was occupied with athletic sports, under the direction of Prof. O. C. Blades and Prof. Mark Creasey, which delighted the crowds which lined the street and surrounded the small play grounds.

A GREAT RACE

Princess March and Pony Boy Race For Blood to the Delight of Hundreds—High Class Matinee—Fast Time.

The Kent and Queen Anne's Driving Association held a high class matinee and match race Wednesday at Radcliffe Park. Over a thousand people were present and enjoyed the sport. The big event of the afternoon was the match race between Pony Boy with a mark of 2.17¼, owned by Joseph M. Rising, of Chestertown, and Princess March with a mark of 2.14¼, owned by William Jones, of Cecilton, Cecil county, Md. Princess March has been campaigned by S. Powell Peacock, of Middletown, Del.

Three best in five heats for $200 a side and one-third of the gate receipts. Pony Boy weighing only 640 pounds had the sympathy of many as the little fellow flew around the track with its driver weighing about 175 pounds. Each heat was for blood and both horses came in neck and neck. The best time is given as 2.16 but several declare this is several seconds slower than these horses really went. However, these horses are certainly evenly matched and gave the public a fine exhibition.

The summary of this and four other races, which were hotly contested, is as follows:
