THE LADIES STORE, CHESTERTOWN, MD.

MANY THANKS!

DEAR PATRONS:

The proprietor of "The Ladies' Store" desires to express gratefulness and extend MANY THANKS for the liberal patronage accorded this establishment during the short-hour service of the past two months. We feel very grateful, indeed, toward the ladies of the Town Improvement Society who responded so nobly to the call for short hour service and circulated petitions in our behalf and otherwise co-operated with us, thus enabling us to make it possible to close our doors at 7 P. M. and give our clerks the much-needed rest during the summer evenings. It has proven a great benefit and was greatly enjoyed by them, and we feel that it in no wise inconvenienced the public. Again thanking the public, we extend a most cordial welcome to the public to call and examine our FALL lines which are complete and are now on exhibition. We also have on the bargain counters many articles of summer goods at greatly reduced prices.

SUMMER GOODS.

We have a few White Suits and Shirtwaists left yet, and they must go to make room for the Fall ones that are coming in, and they go, what is left of them, at unheard of prices. Come early and avoid the rush.

Oxfords $2.48

(MAIN AISLE.)

We have a few left of the season's most fashionable Oxfords in Patent Leather, Gun Metal, Russet and Kid. They will be sold regardless of cost to make room for Fall Shoes. They sold formerly at $3.50 and $4.00. Come early and get the pick, as we have them in all sizes and widths. Remember the price, $2.48.

Fall Dress Goods.

Our line is now complete in every detail—anything and everything that the most precise lady can wish for, both in Cloth and Colorings. While black is stronger than usual this season, brown is good, blue is still in demand. Fancy Checks are also very much in evidence, and here can be had every shade in brown, blue and in all prices to suit every lady's pocketbook.

Millinery.

Our complete line of Millinery will be in next week. Our trimmer is now in New York and Philadelphia selecting the very latest and newest things to be had. While we did better last season than ever before, we are going to double our business this season if a complete stock of wearable goods was ever carried.
