SATURDAY, FEBRUARY 4, 1911.

CONSIDERABLE editorial and other matter is crowded out of this issue by advertising which came in at a late hour.

THE business element of Chestertown are very anxious to have some improvement begun on the streets of Chestertown. Why not? They certainly need it.

THE people are still urging William W. Beck, Esq., to be their candidate for State Senate and they come from all parts of the county. Mr. Beck realizes the debt he owes to the people of Kent and to his party but hesitates to enter the contest because of the personal sacrifice in a business way. We believe that Mr. Beck is impressed with this debt and will serve.

SOME names are being mentioned as town commissioner in the place of Mr. W. A. Carroll whose term expires in April. Col. W. J. Vannort, Col. S. L. Wright, John C. Davis, W. A. Burke and C. S. Smith have been mentioned. We have not been informed as to whether Mr. Carroll cares to be burdened with another term or not. He has already served the town two terms.

IT is reported that Mr. Garrett Foxwell whose name has been presented by the Barroll organ as a candidate for State Senator will retire in favor of Mr. Harry Davis, president of the board of county commissioners. Mr. Davis has refused to be a candidate for re-election as commissioner and many of his friends are anxious to see him on the ticket, but we have no authority for announcing his candidacy.

In the Circuit Court for Kent County, Maryland, in Equity, No. 1762.

James S. Bradley, Plaintiff,
versus
Milbourne A. Toulson, Laura T. Lambert, Mattie Gilmore, Benjamin H. Toulson, Ford Toulson, Sallie Crispin, Mary M. Greenwood, J. Thomas Toulson, and Mildred G. Davis, Laura R. Davis and William C. Davis, Infants, Defendants.

THE object of the Bill filed in the above entitled suit is to procure a decree for the sale of certain vacant lands located on the south west side of High street, in Chestertown, Kent County, State of Maryland, now in the possession of James S. Bradley, life tenant.

The Bill or petition states that Kate Bradley, formerly the wife of the said James S. Bradley, died seized of a tract of land fronting on said High street about 26 feet, and in which on her death, which occurred about April 29th, 1892, he became possessed of an estate for life and that the above entitled defendants are entitled as her heirs to the estate in remainder.

That the said lot, by reason of its improvements having been destroyed by fire in September, 1910, yields the plaintiff no income, although very valuable, and no sufficient sum derived from the fire insurance policies on the building destroyed by fire to erect a suitable structure thereon; and that the lot in its present unimproved state is detrimental to the welfare of the neighborhood and of Chestertown, as well as a burden and loss to the plaintiff, and he asks that the Court decree a sale of the lot and the net proceeds derived therefrom be invested under the supervision of said court and the net income therefrom paid to the plaintiff during his natural life and after that to be distributed among the above named defendants or those entitled thereto.

That the above entitled Mattie Gilmore, No. 3406 Chrystal street, Benjamin A. Toulson, No. 4630 A street and Wyoming avenue, Ford Toulson, 2218 Ridge avenue, all of the city of Philadelphia, State of Pennsylvania, and James H. Toulson, of Woodstown, and Sallie Crispin, of Elsinboro, both of Salem county, State of New Jersey, are non residents of the State of Maryland.

It is thereupon on this 2nd day of February, A. D. 1911, by the Circuit Court for Kent county, State of Maryland in Equity, ordered that the plaintiff by causing a copy of this order to be inserted in some newspaper published in said Kent county once in each of four successive weeks before the 6th day of March, A. D. 1911, give notice to the said absent and non resident defendants of the object and substance of this Bill, warning them to appear in this Court, in person or by solicitor, on or before the 23rd day of March next, to show cause if any they have, why a decree ought not to be passed as prayed.

N. B.—According to the above report the net revenue for the plant for the year, 1910, shows $499.76. This does not include supplies now on hand and purchased during the year 1910 which amounts to $191.26. Also we have paid for the installation of additional new fire plugs the sum of $192.00 and by adding these items together we have the sum of $883.02 which represents the *net revenue* of the plant for the year 1910.

Of the $10,000 Special Fund which was placed in our hands for improvement of the system we have still on hand the sum of $3,477.47 and add to this the sum of $695.01 which is the amount of stock on hand and not used we have a total in this fund of material and cash of $6,172.48.
