White was arrested and is now in jail.

*†*Would it not be a good idea to take steps looking to the arrangement of a course of entertainments to be given in Stam's Hall this winter? There have been no entertainments in the hall for sometime, and we believe a series of *good* entertainments would be a paying investment. Let some one take hold of this proposition. The town needs a good musical or literary treat every once in awhile.

Foot Ball Notes.

The Baltimore Polytechnic Institute overwhelmed the second team of Washington College on Saturday in a game of foot ball by the score 29 to 0. Most of the scoring was done in the first half, only one touchdown being made in the second.

The visitors played quick, snappy foot ball and contented themselves with old-style work, interspersed with a few forward passes. The youngsters of the college were unable either to make any impression on the Polytechnic line or to withstand attacks on their own, being overmatched in weight. Lamotte, at left half, was the best ground gainer for the Polytechnics, while Jump excelled for Washington.

This is the only game the Washington scrubs have played this year, and in the first half they were exceedingly nervous. They steadied wonderfully, however, in the second half and played the Polytechnics almost to a standstill. The line-up:

Washington.	Positons.	Polytechnic.
White, Davis, Cain, Noland	left end	Bryan
Crew, Metcalfe	left tackle	Heubec, Bayless
Warren	left guard	Justie
White, S. Bunting	center	Chase
James	right guard	Bayless
Greenlee	right tackle	G. Lamotte
Crouch	right end	(capt.) E. Bryan
Jump	quarterback	Israel, Straughn
Cross	right halfback	Douse
Hughes	left halfback	Lamotte, Starr
Rhodes	fullback	Henbeck, Platt

Referee—Mr. Butler, of Washington. Umpire—Mr. Carey, of B. P. I. Head linesman—Mr. Whyte, of Washington. Linesman—Mr. Taylor, of Washington; Mr. Platte, of B. P. I. Timers—Mr. Bordley, of Washington, and Mr. Goldenbeg. Time of halves 20 and 25 minutes.

St. John's defeated Maryland Agricultural squad and won the inter-collegiate championship of the State. Maryland Agricultural is second, Western Maryland third and Washington last.

Yale defeated Princeton in a brilliant game of foot ball at New Haven on Saturday. The score was 12 to 10. It was a great game and was witnessed by 34,000 spectators.

The most popular game of the year will be played next Saturday, on Franklin field, Philadelphia, when the Army and Navy will do battle. It is expected that 40,000 people will see the game, among them being many Army and Naval officers of the country.

Western Md. defeated Johns Hopkins last Saturday by 4 to 0. Today Johns Hopkins plays St. John's, and see who gets the plum.

Coach Thompson will referee the big Army-Navy football game on Franklin Field next Saturday.

Profitable Canning Season.

The pack of tomatoes in Maryland, Delaware, New Jersey and Pennsylvania during the season just ended, according to reports received at a meeting of the Tri-State Packers Association held in Dover, Delaware, last week, was the most satisfactory for some time, and there was a good demand until recently when money became tight.

In discussing the season's work one of the packers from Delaware said, so far as he had been able to learn the season had been most satisfactory. The crop was exceptionally good, and at all times there was a plentiful supply of tomatoes. The yield was larger per acre than for several preceeding years and the acreage was larger, with the result that some of the canneries were able to make full time throughout the season. The crop was so large in sections that picking was stopped at times, on the ground that it was not profitable, the supply exceeding the demand, although the price kept up to about $7 or $7.50 a ton, which was very good.

It is announced through the papers that a "cold snap" is due.

We announce a "warm snap" for anyone who needs LUMBER or Mill Work.

Order of Publication.

Harry H. Jones, Eva W. Jones, his wife,
vs.
Frank C. Jones, Fannie Jones, his wife; James Jones Seay, George Seay, Eva Jones McClure, Irvin McClure, George Nevitt Jones.

In the Circuit Court for Kent County.

No. 1636 Equity.

The object of this bill is to procure a decree for the sale of the real estate of Clayton H. Jones, late of Kent county, deceased, and to distribute the proceeds to the heirs at law. The bill states that Clayton H. Jones, late of Kent county, deceased, was at the time of his death in the year 1894 possessed of real estate of large value and died leaving a last will and testament, duly executed, admitted to probate and recorded in the office of Register of Wills for Kent county, Maryland, by which will he left his real estate to his wife Clara J. Jones for life, which will fully appear by reference to said will.

And the bill further states that Clara J. Jones the widow of Clayton H. Jones, has since departed this life, and upon her death the said real estate passed to the heirs at law of the said Clayton H. Jones, viz:

Frank C. Jones, who is married, whose wife's name is Fannie Jones, both of whom reside in the City of Cincinatti, in the State of Ohio.

Harry H. Jones, who is married, and whose wife's name is Eva W. Jones, both of whom reside in Kent county, Maryland.

Jennie Jones Seay, whose husband's name is George Seay, both of whom reside in Baltimore, Maryland.

Eva Jones McClure, whose husband's name is Irvin McClure, both of whom reside in the State of Virginia.

George Nevitt Jones an infant, who lives in Baltimore, Maryland.

And the bill further states that said real estate is not susceptible of division without material loss and injury to the parties entitled, and in order to make division of said real estate of said interest it will be necessary to have said real estate sold and the proceeds thereof divided among the parties according to their several interests, therein.

And the bill further states that it is for the benefit and advantage of all the parties hereto to have said property sold and the proceeds divided, under the jurisdiction of this Honorable Court. To the end therefore, that a decree may be passed for the sale of the said real estate and the proceeds distributed to the heirs at law of the said Clayton H. Jones, according to their respective interests, it is thereupon this 7th day of Nov., 1907, ordered by the Circuit Court for Kent county in Equity that the plaintiffs, by causing a copy of this order to be inserted in some newspaper published in Kent county, Maryland, once in each of four successive weeks before the 9th day of December, giving notice to Frank C. Jones and Fannie Jones who are alleged are in the State of Ohio, Eva Jones McClure and Ivrin McClure, who are said to reside in Virginia, non residents of the State of Maryland, of the object and substance of this bill and warning them to appear in this court in person or by solicitor, on or before the 27th day of December, 1907, to show cause, if any they have, why a decree ought not to be passed as prayed.
