DEMOCRATIC TICKET.

FOR PRESIDENT:

WILLIAM JENNINGS BRYAN,

OF NEBRASKA.

FOR VICE-PRESIDENT:

JOHN WORTH KERN,

OF INDIANA.

FOR CONGRESS:

J. HARRY COVINGTON,

OF TALBOT COUNTY.

THE New York World has declared for Bryan for President. And still they come.

MR. TAFT, the Republican candidate for the presidency, was riding a weak kneed horse the other day and he got a bad fall, not so bad however as he will get from the Republican elephant in November. He's had one fall, and he's riding to a second, notwithstanding the puny apology of the Baltimore Sun.

THERE ARE 15,000 men in idleness in the little city of Wilmington, Del., on account of Republican hardtimes, and there are five times as many in New York and Philadelphia each. And yet the Baltimore Sun, the chameleon, is talking about the return of prosperity. Where is it? In the Chestertown strawboard mill, which has been closed since May 23d, and which will not open, we are told certainly until after election?

IS THE POLICY that makes the American farmer pay twice as much for his self-binder as the same machine sells for in South America a just policy to the American farmer? That is just exactly what the present iniquitous Dingley tariff bill, which has fostered and nourished so many unholy trusts does to the American farmer, and yet they call that prosperity. Not for the American farmer.

MR. MURPHY, leader of Tammany Hall, New York's most powerful political organization, says that New York State will give Bryan a handsome majority in November. He says the people of the country are tired of Rooseveltian policies and the "Big Stick." And Richard Croker, the former astute leader of Tammany Hall, is coming from his home in Ireland on September 18th to help Mr. Murphy turn the trick.

WE CALL the attention of the authorities of the law and the law abiding citizens at large to the deplorable state of affairs existing in our county. We are face to face with four murder trials at the approaching term of court in October. We do not hesitate to say that we believe the condition is due almost solely to the work of the numerous abominable speakeasies which are doing a thriving business among that class of our population most susceptible to the effects of the rotten whiskey sold by them, and until we can rid the county of these violators of the law, we shall not be in a proper position to prevent so many crimes among the element which frequents such places.

We are quite sure that our authorities are doing their utmost to arrest all violators of the law, but it is the duty of our citizens to assist the officers of the law in ferreting out and breaking up the greatest bane of our county—the speakeasy—which we are lead to believe exists largely among colored people. In Cecil county recently Sheriff Hager and his deputies have made several successful raids upon the places of vice and originators of crime, and have to a large extent broken them up. Let the law-abiding citizens in each district and large town of our county organize vigilance committees and do everything to bring the runner of the speakeasy to speedy justice. Kent county may be forced to pay a pretty penny for the open and flagrant violation of the local option law in this county. We urge that our officers of the law use every effort to break up these damnable holes of iniquity.

Murder at Rock Hall.

Charles H. Grinnell, colored, was arrested by Constable John Scoone, of Rock Hall, on Monday last, and placed in the county jail at Chestertown charged with the murder of Frank Harvey, also colored. The body of Harvey was found floating in the creek near Sharp's wharf on Sunday morning. An examination disclosed unmistakable evidence that the man had been killed and thrown into the water. His head was battered and his throat cut. A pool of blood and other marks of a struggle were plainly visible on Sharp's wharf. Both men were employed on Capt. Middleton's vessel, and Grinnell was the last person known to have been with the dead man. This makes the fourth murder case to be tried at the October term of court. Grinnell made a confession to State's Attorney Beck on Tuesday, stating that he killed Harvey in self defense. Herbert Brookins another colored man was implicated by Grinnell in his confession, who stated the he (Grinnell) struck Harvey with a big stick and Brookins cut his throat. The hearing is set for Monday at Rock Hall before Justice Wilkins.

Large Public Sale.

We call the attention of our readers this morning, to what is perhaps the largest personal property sale ever published in a Kent county newspaper, that of Mr. Jaremiah C. Price, of near Earleville, Cecil county. Mr. Price is well-known to the people of Kent county. He is one of the largest and most prosperous farmers in Cecil county, and the stock he offers for sale is among the best bred in Cecil county. It will pay our farmers to attend this sale, and purchase some of this fine stock on Tuesday next, August 25th.

With Our Advertisers.

St. Paul's supper, September 10th. That's enough.

Owens & Co., Betterton, have special matting clearance sale. They will sell you a bolt of matting cheaper than any store in Kent. They will also sell Barrel of Patapsco Superlative Flour for $5.15. F. F. F. for $5.30. Go get them.

Splendid assortment of souvenier post cards at Charles H. Brice's big store, Betterton. Wednesday is Dividend Day. Save your Green Trading Stamps.

Mr. E. H. Eliason, a well-known former resident of Chestertown, informs us that he was induced to connect himself with the Fairfield Mfg. Co., of Phila., whose advertisements of their separate preparations for farm animals are now appearing in our paper, because of the wonderful results he secured by the use of these Tonics on his father's farm. The wonderful merit of these preparations has impressed itself upon many other residents of Kent using them, among others, Mr. David B. McMenamin, Mrs. M. A. Wilkins, Mr. Cornelius C. Brown and Mrs. Wilbur Eliason. These goods, Mr. Eliason informs us, are sold under a written guarantee by Davis & Satterfield, Chestertown.

The special clearance sale of A. Alexander & Son, Rock Hall, still continues. Mr. Alexander phones that his sales last week were satisfactory, and that he has many special bargains for next week. See adv. page 1.

Rev. S. P. Shipman Loading Melons.—A prominent Eastern Shoreman, who was in Baltimore on Tuesday, reported that Rev. S. P. Shipman, the minister who is alleged to have been involved with Mrs. Thomas Carew, of Dames Quarter, Somerset county, had been relieved of his church at Hurlock and had hired out loading watermelons. It has been previously reported that Mr. Shipman had signified his intention of voluntarily relinquishing his charge and putting an end to the investigation which was being instituted by the Methodist Episcopal Conference under which he served.
