road to remove the last traces of the lian Merrick. stunning of thousands of fish, principal- children, of Greenwood, Del., were the ly perch, catfish and rock which were guests last Friday and Saturday of Rev.

Fires Hits Asaparagus Farm Elkton—Fire coming at the beginning vary M. E. Church Friday evening. of the asparagus season destroyed all the Mr. and Mrs. Harry Peters spent Sunbuildings and their contents on Mayor day with Mr. and Mrs. Howard Barwick H. H. Mitchell's asparagus farm near here. The blaze destroyed the living quarters of families of pickers who had for its monthly business and social evejust come in for the season as well as all the crates intended for the crop.

Good Berry Year Salisbury — An excellent strawberry season from the angles of volume, quality and price is anticipatted as picking is ready to commence. Well spaced rains and warm days have brought the crop along rapidly after the cool weather of April. The Marion auction block, largest on the Shore, is expected to

open this week. Clearing Watercourse Snow Hill-Dredging of the Pocomoke River "Muds", long agitated as a means of expediating water borne traffic on the river, will start this summer with a channel 300 feet wide and six feet deep planned. Years ago an accumulation of silt halted steamboat service between the river and Chesapeake Bay. Now large boats can get over the

Readying For Summer Ocean City-Maryland's only ocean resort is to open for the season on Memorial Day, with visions of the busiest year in history. Below the bridge entrance to the city a new ferry service is to be installed to take care of travelers who are interested in surf fishing and not in seeing the town.

flats only by awaiting high tide.

Caught For Arson Princess Anne—Three people were held for arson when Bennie White confessed that he had been hired by his brother-in-law and sister, Mr. and Mrs. Samuel Parkinson, to live in their cottage and set it afire when the wind blew strong from the east—to prevent nearby property from catching. White spilled a can of gasoline in the attic, went outside and tossed a match in.

Laboratory tays Put Easton—Final decision of the State Board of Health will keep the State Laboratory at Hurlock, rather than transfer it here. Town officials sought the laboratory as an adjunct to a proposed health center at the Emergency

Pea Louse Busy Greensboro—The pea louse making an early start hereabouts, has done considerable damage to peas and other crops, as well as ruining ten acres of vetch on the Van Sant farm. The pest is also tampering with wheat.

Rick Milk Elkton—Deakin and Coleman's herd of purebred Jerseys led county herds in the April tests with the amazing average of 44.1 pounds of butterfat and 862 pounds of milk.

Crab Season Poor

Crisfield-The crab season got off to a bad start. Around the Manokin and Annamessex rivers crabs are fairly plentiful with boats landing up to a thousand each daily. Elsewhere the crustaceans are scarce. The price, usually 2c apiece, is down to a penny apiece this month.

Ferry Service esumed

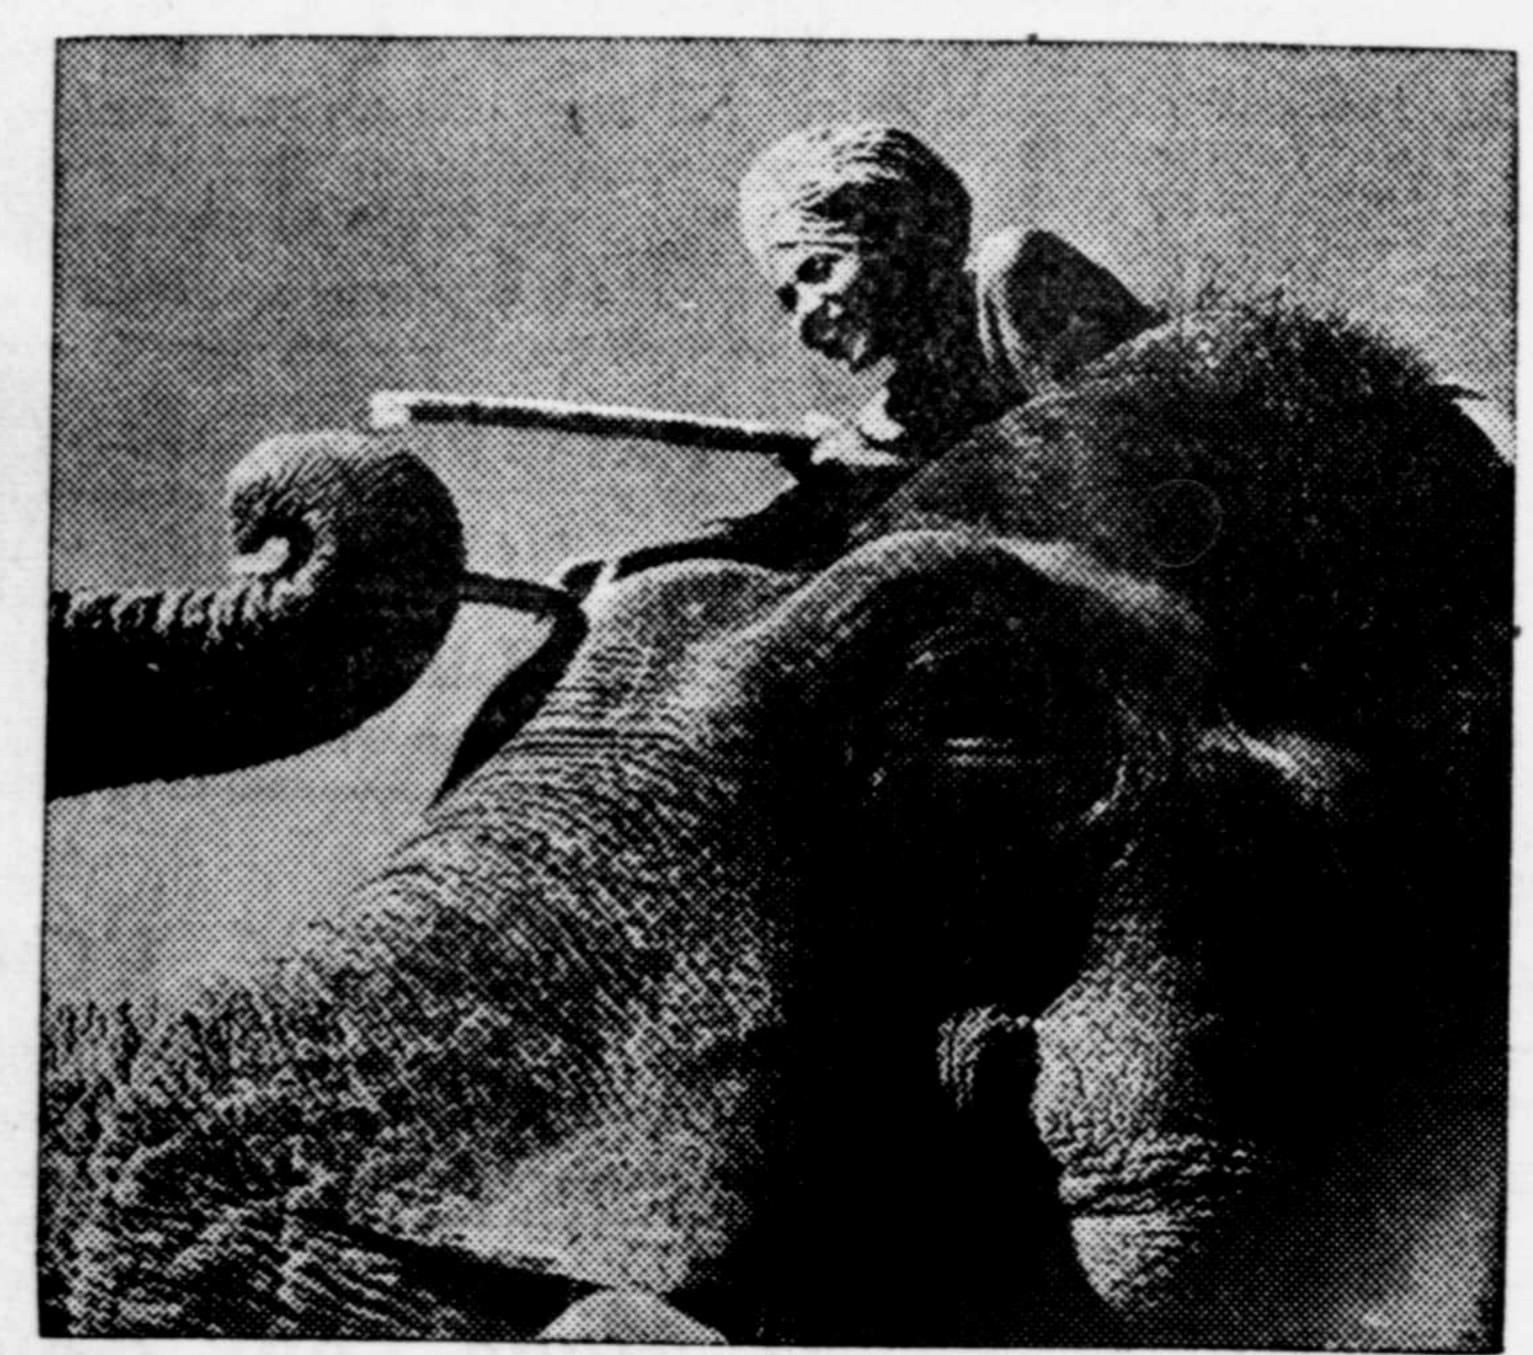

Tolchester—Ferry service, interrupted by bankruptcy proceedings and other troubles last fall, is to be resumed by a new company of bondholders beginning June 16 with three round trips scheduled daily.

New Bigger Courthouse Easton—With the prospect that the entire second floor of the Courthouse may have to be assigned to needs of the Circuit Court, and faced with crowded condition in the valuts of the clrek's office and that of the Orphans' Court, an addition to the present structure is being visioned as a likely possibility.

Appointed Coroner Elkton—Following a ruling by Attorney General Herbert C. O'Conor that Stanley Jeffers, coroner for the past two years, was ineligible for reappointment following his rejection by the State Senate, Dr. Richard C. Dodson, of Rising Sun, has been appointed to the post

Too Long A Chance Oxford-Henry L. Thompson, small son of Mr. and Mrs. John L. Thompson, was knocked unconscious when he jumped off a moving truck and fell on the concrete road. Teh boy and an older brother were riding on the back of the truck returning from school. Both leaped off at their home without waiting for the truck to stop.

WITH

TIERE'S an amazing new L motor fuel! It protects as it powers your modern motor...not gas alone...not oil alone, but GAS oil INE!

Fast-flying, precision-fitted, upper motor parts in today's motors require constant lubrication. Without this lubrication, destructive friction steals power and wears down your motor. GAS OIL INE supplies this constant lubrication. It takes the place of old-fashioned gasoline and top-cylinder oil.

GAS OIL INE is a perfectly balanced blend of maximum hi-test Tydol gas and a new, improved, heat-proof oil. Get a full tankful. Do this today and pay only the very same price you now pay for oldfashioned gas.

THE HOLT OIL COMPANY
