RESOLUTIONS OF RESPECT

RESOLUTIONS on the Death of J. H. C. Legg, adopted by

"The Eastern Shore County Commissioners' Association. WHEREAS, the Great Ruler of the Universe, in His Wisdom has seen fit to remove from our midst one of our fellow members and co-workers, Hon. J. H. C. Legg; late of Queen Anne's County, and a life member of this Association:

AND WHEREAS, our deceased co-worker, was one of the most active men on the Eastern Shore in the formation of this Association and since its organization has been one of its most hardworking, useful, active and conscientious members, never missing, a meeting, and taking a most prominent part in all of its delib-

THEREFORE BE IT RESOLVED BY THE EASTERN SHORE COUNTY COMMISSIONERS ASSOCIATION in Convention assembled in the City of Centreville, Maryland, this 19th day of April, 1937, that in the untimely death of our fellow member and co-laborer, J. H. C. Legg. this Association has lost an honest, fearless and courageous member, whose sound judgement and wise counsel was at all times sought by his co-workers on all important questions coming before us for discussion and settlement. That, no member of this Association gave more unreservedly of his time and talents, that no member believed more sincerely than he, in the great amount of good that had already been, and would in the future be accomplished by this Association for the Taxpayers of the Eastern Shore, in the wise, safe and sound Legislation that had already been enacted by the General Assembly of Maryland as the result of the discussion by and the endorsement of this Association and for which it would stand in the years to come; and

BE IT FURTHER RESOLVED, that in his unswerving fidelity to duty, in his efficient service, his warm heartedness for his fellow members, has made such an impression upon the members of this Association, that all down the years to come, his memory will be kept fresh in the hearts of each and every member of this Association whose privilege it was to know him during his useful career in this Body;

BE IT ALSO RESOLVED that each and every individual member of this Association extends to the Widow and the Son of our deceased friend and co-worker, our sincerest and deepest personal sympathy in this their dark hour of grief and sorrow, and

BE IT ALSO RESOLVED that these Resolutions be recorded on a separate page, set apart for that purpose, in the record of today's proceedings, a copy sent to the bereaved family of our deceased member, and another copy to the newspapers of our deceased co-worker's County of Queen Anne's.

EVER MADE TO SELL ATTHESE LOW PRICES

OME in, examine a cross section cut from a Firestone Standard Tire, then examine the deep-cut, non-skid tread and see how much extra value you get. You will quickly understand why more and more car owners are equipping their cars with these tires. You will agree that never before have

you seen so much quality, so much built-in mileage and so much safety at so little cost. You will find the DON'T RISK YOUR LIFE Firestone Standard Tire is made safer from blowouts with the Firestone patented process of Gum-Dipping. The patented construction of two extra layers of Gum-Dipped Cords under the tread protect against punctures and bind the tread and cord body into one inseparable unit. The wider, flatter tread with more rubber on the road will give you longer mileage and greater protection against skidding. Firestone is able to give you all these extra values because

built in such large quantities that great savings are made in production. Don't drive another day on thin worn tires that are dangerous and may cause an accident. Join the Firestone SAVE A LIFE Campaign by equipping your car with Firestone Standard Tires

which may cause a serious accident. DO YOU KNOW THAT last year highway accidents cost the lives of more than 38,000 men, women THAT a million more were injured? THAT more than 40,000 of these deaths and injuries were caused directly by punctures, blowouts and skidding due to Firestone Standard Tires are worn off. Tires in this against skidding, liable to punctures, Come in today, see by blowouts and skidding, actual demonstration.

Osuy Firestone STANDARD TIRES TODAY AND SAVE!

YOU SAVE yourself and your family from dangerous accidents because Firestone patented construction features give you greatest blowout protection and safety from skidding.

YOU SAVE because Firestone Standard Tires give you low initial cost and lower cost per mile. YOU SAVE by buying now as tire prices are advancing. The price of crude rubber has gone up 110% and cotton more than 26% during the past two years. BUY NOW AND SAVE.
