OLD WASHINGTON IN LINE

College To Institute Military Training At Once.

The visitors and governors of Washington College passed last Friday night the following resolutions:

"That a course of military training be instituted at once in the college and that the Federal Government be requested to detail an officer for instruction;

"That Washington College tender to the United States Government and to the State of Maryland the grounds and buildings of the college for such military purposes and uses as may be desired and the principal is authorized to communicate this offer to the proper officials;

"That Dr. Cain be authorized to go to Washington and obtain all the information possible in regard to military training at the college as heretofore adopted."

The board also passed a resolution urging Representative Jesse D. Price to support the bill for a selective draft and informing him that, in this request, they voiced the sentiment of this section of the Eastern Shore.

The disposition of the board to cooperate in every possible way with the Federal and State Government was further shown by providing that all seniors in the college will be given their diplomas if they volunteer and serve in either the army or navy.

Mr. Jefferson had just stopped and taken Misses Estelle Anthony and Grace English in his carriage when the horse took fright and started to run. Mr. Jefferson had nearly pulled the horse up when it shied to the roadside, upsetting the carriage. The occupants were somewhat bruised, but no one was seriously hurt.

The increasing dairy business of Mr. Clifton L. Jarrell in Queen Annes has necessitated the purchase of an auto truck to bring his milk to the station each morning.

Too Many Operations

The Right Medicine in Many Cases Does Better than the Surgeon's Knife. Tribute to Lydia E. Pinkham's Vegetable Compound.

Doctor Said Operation or Death—But Medicine Cured.

Des Moines, Iowa.—"My husband says I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound. I suffered from a serious female trouble and the doctors said I could not live one year without an operation. My husband objected to the operation and had me try Lydia E. Pinkham's Vegetable Compound. I soon commenced to get better and am now well and able to do my own housework. I can recommend Lydia E. Pinkham's Vegetable Compound to any woman as a wonderful health restorer."—Mrs. Blanche Jefferson, 703 Lyon St., Des Moines, Iowa.

Another Operation Avoided.

Richmond, Ind.—"For two years I was so sick and weak from female troubles that when going up stairs I had to go very slowly with my hands on the steps, then sit down at the top to rest. The doctor said he thought I should have an operation, and my friends thought I would not live to move into our new house. My daughter asked me to try Lydia E. Pinkham's Vegetable Compound as she had taken it with good results. I did so, my weakness disappeared, I gained in strength, moved into our new home, do all kinds of garden work, and raised hundreds of chickens and ducks. I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound."—Mrs. M. O. Johnston, Route D, Box 190, Richmond, Ind.

Of course there are many serious cases that only a surgical operation will relieve. We freely acknowledge this, but the above letters, and many others like them, amply prove that many operations are recommended when medicine in many cases is all that is needed.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
