IT NEVER FAILS.

DR. CULLEN'S

Indian Vegetable Panacea.

Persons affected with Scrofula, Kings' Evil, Cancer, Erysipelas, Old Sores, Ulcers, Tetter, Mercurial Diseases, or any other complaints arising from impurities of the blood, are requested to read the following testimonials, in proof of the wonderful properties of the above named medicine.

Read! Read!! Read!!!

We, the undersigned having visited Mr. Isaac Brooks, Jr., at the office of Messrs. Rowand & Watson, 376 Market street, Philadelphia, consider his case the most remarkable one we have ever witnessed or heard of. His disease was *Scrofula*, and terrible must have been his twelve years' conflict with the destroyer.. His palate, the entire roof of his mouth, nose, upper lip, the lower lid of the right eye, have all been destroyed, his face *nearly eaten up*, and part of the Jaw Bone carried away.—And yet we can give no description of his case. Mr. B. informe us that in January last, the whole interior of his mouth, as well as most of his face, was a mass of deep and painful ulcers. On the 14th of January last, he commenced taking Dr. Cullen's Indian Vegetable Panacea, which checked the disease in a few days, and from that time the cure has progressed without intermission. New flesh has supplied the place of the deep ulcers. and though badly disfigured, his face is sound, and his general health is restored. We are assured that in the treatment of Mr. Brook's case, no Mercurials, Ointments, or Caustic Applications have been used—in fact, the panacea alone, has wrought this wonderful change.

E W Carr, 440 N Fourth, ab. popular st, N Liberties; C W Appleton, M D 46, south st, Phila.; Wm Steeling, M D Camden, New Jersey; J H Potter, Manufacturer of Mineral Teeth, 109 South ninth st, Phila; E A Wollenwiber, editor "Philadelphia Democrat," 277 N Third st.; George W. Metz, brush maker, 317 Market st, Phila; Rev A D Gillette, pastor of Eleventh Baptist Church, Phila; John Bell, Erie street, Philadelphia, (North American office; John W. Ashmead, 60 South sixth st. do; Peter Sken Smith, editor Native Eagle, do; Joel Bodine, glass manufacturer, Williamstown, N J; L B Coles, M D. Boston, Mass.; Russell Canfield, physiologist, Phila.; Thomas S. Roby, M D, Harrisburgh.

The above named gentleman, (constitution but a small portion of those who have visited Mr. Brooks, at our office in Philadelphia, and would certify to the same facts if necessary,) are well known, and their high standing in society, precludes the idea of their lending their names to carry on an imposition.

And here we say, without the fear of contradiction, that we have not found a case of Scrofula or other disease for which we recommend the panacea, which the medicine has not speedily arrested.

DECLARATION.

WHEN, in the course of human events, it becomes necessary for a people to take medicine, a decent respect for their families requires them to publish their opinions and declare the causes which impel their separation from *Pills*. *We hold these truths to be self-evident:* That all men can take whatever medicine they please; they are endowed with certain *unailable* rights; among these is the pursuit of health. That to secure this, it is necessary to choose the form, and having chosen it, organize its powers in such form as to them shall seem most likely to effect their health and happiness. Providence will dictate, that medicines long established should not be changed for light and transient causes; but, when a long train of *abuses*, such as has been the case, *invariably*, in the use of *pills of all kinds*, it is their right, it is their duty, to exclaim with Shakspeare, "throw pills to the dogs," &c. Such has been the sufferings of these people, that they have constrained to adopt Dr. A. D. GORDON'S *Compound Vegetable Cathartic*, for the cure of Costiveness, Head-ache, Liver Complaint, Bowels and Kidneys.—The history of *pills* is a history of abuses and repeated injuries, all having a direct tendency to reduce the system and destroy the action of the stomach. To prove this let facts be submitted to those who have taken pills by the box: They have refused to produce the good effects promised The makers have forbidden their agents to refund the money if no good is effected, unless suspend in their operation till his assent is obtained—a right inestimable to them and *unprofitable* to *bad* medicines only. We, therefore, caution all people to abstain from the use of *Pills* altogether, holding them as we must, enemies in war, in peace the same;—and for the support of this Declaration, with a firm reliance on the virtues of the *Vegetable Cathartic*, Dr. Gordon authorises all his agents, in case the money does not give relief, to *refund the money* having been 18 years before the public, and but very is it that relief is not produced, and cure effected in cases of Costiveness, *Piles*, Dyspepsia, Inflamation of the Stomach, Kidneys, Headache, Nervous Headache, and all diseases of the Liver. HENRY COHEE and THOMAS H. WHALAND. vs ROBERT BUCHANAN } In Chancery 17th June 1847.

THE object of the Bill filed in this cause is to obtain a decree for the sale of the Real Estate of Philip Buchanan for the payment of a mortgage due the complainant Henry Cohee, and the payment of his debts generally, his personal Estate being insufficient for that purpose. The Bill states that the said Philip Buchanan hath departed this life having previously in due form of Law made and executed his last Will and testament, by which he devised his Real Estate to his brother Lawrence Buchanan during his natural life and after his death to the children of his brother James Buchanan. The Bill also states that the said Philip Buchanan at the time of his death was seized and possessed of certain Real Estate lying and being in Kent county, a part of which was conveyed to him by deed by a certain Samuel G. Kennard and the residue was devised to him by the last will and testament of his mother a certain Ann Hackett at the time of her death was indebted to a certain Thomas Walker in the sum of $702 87-100 to secure the payment thereof she executed a mortgage upon her real estate, and which mortgage debt remains due and unpaid. That the said Ann Hackett by her said last will and testament devised thirty acres being a part of her real estate to her son James Buchanan, and the residue to her son the said late Philip Buchanan and his heirs upon condition that he should board her son Lawrence Buchanan during his natural life if he should remain in the family, or if he left the family to pay him the sum of fifty dollars annually during his life and also to pay her son Robert Buchanan twenty dollars upon his arrival at the age of twenty-one years, and which said legacies are expressly charged upon the said lands in the hands of the said Philip Buchanan. The Bill also states that Philip Buchanan appointed James B. Ricaud his executor who accepted the trust and handed before the Orphans Court of Kent county, and that the personal estate of the said Philip Buchanan is insufficient for the payment of his debts. The Bill also states that Robert Buchanan one of the defendants resides out of the State of Maryland.

It is therefore adjudged and ordered that the complainants by causing a copy of this order to be inserted once a week for four successive weeks in some newspaper before the seventh day of August next, give notice to the said absent defendant of the substance and object of the Bill that he may be warned to appear in this Court in person or by a solicitor on or before the thirteenth day of November next to shew cause if any he hath why a decree should not be passed as prayed.
