A LASTING EFFECT.

This Evidence Should Prove Every Claim Made for Doan's Kidney Pills in Chestertown.

Relief from the pains and aches of a bad back is always welcome to every backache sufferer; but to cure a lame, weak or aching back is what's wanted. Cure it so it will stay cured. It can be done. Here's the strongest evidence to prove it.

George W. Lambright, 907 North Spring street, Baltimore, Md., says: "Prior to the year 1903 I suffered greatly with kidney complaint and was unable to get any relief although I tried many remedies. At times I was laid up for weeks and utterly unable to attend to my duties. The principal symptoms were severe pains across my back and loins, and irregularity of the kidney secretions which I was unable to control, causing me much loss of sleep and annoyance during the night. The pains in my back and shoulders would be so severe at times that I was unable to stand erect or stoop over and nothing I took gave me any relief until I was advised to try Doan's Kidney Pills. A very short use effected a complete cure, the pains leaving me and the secretions becoming normal. This was in 1903. I have had no return of the trouble and can conscientiously say that I owe my present good health to Doan's Kidney Pills."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Consumption

is, by no means, the dreadful disease it is thought to be—in the beginning.

It can always be stopped—in the beginning. The trouble is: you don't know you've got it; you don't believe it; you won't believe it—till you are forced to. Then it is dangerous.

Don't be afraid; but attend to it quick—you can do it yourself and at home. Take
