Now Is The Time To Buy FARM

Invest your money in farm lands for safety and a good return on investment. The Maryland-Virginia Joint Stock Land Bank is in liquidation and is going to sell its farms this summer. These farms are priced to sell and the price includes the Bank's share of the crops on these farms. Here is one of them.

'234 acres, Queen Anne's County, known as the "Barwick Farm," located two miles South of Sudlersville. 90 acres in wheat, 50 acres in corn. Price \$8,000.00, with \$3,000.00 cash.'

This is the year for tenant farmers to buy farms. These farms can be purchased on contract with a small down payment and a substantial payment made after crops are harvested.
