In the Circuit Court for Kent County, Maryland.

No. 1586, Equity.

The object of this suit is to convert this proceeding into a creditors bill and also to make the infant children of Henry C. Stevens, who has died since the filing of this bill, parties to this suit.

The petition states, that since the filing of the bill of complaint in this case, one of the parties to this suit, namely, Henry C. Stevens, has departed this life.

The petition states that the said Henry C. Stevens left the following children and heirs at law: Emily K. Stevens and Oscar Stevens, who reside in the State of Delaware; Nema J. Stevens, who resides in the State of Virginia; Anna M. Stevens, who resides in Queen Annes county, Maryland; Josephine Stevens and Wilmer H. Stevens, who reside in Kent county, Maryland, all of whom are infants.

The petition states that it is necessary for the infant children of Henry C. Stevens to be made parties to this suit in order that they may answer the matters contained in the bill of complaint and also that they may answer the petition filed in this cause to convert the suit into a creditors bill.

The petition states that it is necessary to procure an order of this court directing that subpoenas may be issued for the resident infant defendants, and an order of publication be issued giving notes to the non-resident infant defendants.

It is thereupon, this 24th day of November, 1908, ordered by the Circuit Court for Kent conuty, in equity, that the petitioner, by causing a copy of this order to be inserted in some newspaper published in said Kent county, once in each of four successive weeks before the 28th day of December, giving notice to Emily K.
