GODEY'S LADY'S BOOK,

For 1849.

DEDICATED TO THE LADIES OF THE UNITED STATES.

Edited by SARAH J HALE.
GRACE GREENWOOD,
and L. A. GODEY.

A Novelotte by MISS E. LESLIE, who contribnutes to every No.

N. P. WILEIS' Original Scriptural Poetry.

T. S. ARTHUR, who contributes to every No., illustrative of Croome's Sketches of American Character.

We intend merely to give a notice of our intentions for next year, leaving to others long advertisements—"full of sound and fury, signifying nothing"

Agreeably to the practice of last year the publisher will issue as good a number each month as he does in January. This is a novel feaiure in Magazine published. During the whole of last year he gave more engravings and more reading matter than any of his contemporaries, and will continue to do so next year. Those who subscribe to GODEY'S LADY'S BOOK, may do so under the assurance that they will receive more for their money in the Magizine alone, than by subscribing to any other work. To this is added and included in the same $3, the LADY'S DOLLAR NEWSPAPER, which contains in one month nearly, if not quite as much reading matter as the other monthlies, making for $3, the amount of reading of two magazines a month, There are peculiarities about Godey's Lady's Book for the ladies that no other Magazine possesses. There is a Mezzotint and Line Engraving in each number—both by the best artists. In adpition to these there are given monthly whdt no other magazine gives—a Coloured Fashion Plate, with a full description. This feature is peculiar to Godey, as no other work has them every month and colored. Then there are Caps, Bonnets, Chemisettes Equestrism for Ladies, with Engravings. The Ladies' Work Table, with designs for knitting, netting, crotchet, and all other kinds of work. Patterns for Smoking Caps, Chair Covers, Window Curtains, D'Oyley's Purses, Bags, &c., &c. Health and Beauty with Engravings. Model Cottages, with ground plants, and other engravings, always illustrative of something useful. Music, beautifully printed on tinted paper which may be taken out and bound Collored Nodern Cottages, and Coltored Flower Pieces occasionally.—These are all extra in Godey, and to be found in no other Magazine. These were all given last year, and will be continued, in addition, we shall have in every No., one of

"CROOME'S SKETCHES OF AMERICAN CHARACTERISTICS,"

A most amusing series, now first given to the American public These will be illustrated in every No, by a Story from the powerful pen of T. S. Arthur Esq.

"THE CHANGES OF FASHION,"

Illustrated by Fay Robinson, Esq. This series will be very interesting to the ladies

"THE APPLICABILITY OF THE FINE ARTS TO DOMESTIC USES,"

Is another series of Engravings now in preparation, and will be published during the year.

COTTAGE FURNITURE.

Having given se many Model Cettages, we intend now to commence the publication of Cottage Furniture—a very necesssry appendage to a Cottage.

RELIGION AND HISTORY.

Our Superior Artists, Walters, Tucker, Pease and Welch, are now engaged upon a set of plates illustrative of these two subjects.

OUR MUSIC.

Prepared expressly for us—mostly original, and beautifully printed, has long commanded a decided preference over that of any other Magazine. It is a feature in The Book.

THE LITERARY CHARACTER OF GODEYS' LADY BOOK.

With such writers as Miss Leslie, Grac Greenwood, W. G. Simms, Mrs. Ellet. T. Arthur, Mrs. E Oakes Smith, Mrs. J. C Neal, H. T. Tuckerman, H. W. Herbert &c., the author of the Widow Bedott, Professor Frost, Bryant, Longfellow, Holmes—and a host of others—must always take the lead in literary merits
