SOME SHOE SENSE.

This Shoe sale which starts to-day is entirely different from the usual shoe sales and from any sale that we have previously held. Shoe sales are generally made up of shoes bought for the occasion, which neither have the store back of them as to the comfort or wearing qualities.

We have put into this sale right from our regular stock, shoes from $3.50 to $4.00 a pair; they have to be moved during the dull season to make room for our mammoth spring business. Now most of these we have in every size and last.

These great values are not of the out-of-style shoes or the undesirable shapes, but brand new fall and winter styles, patent colt skin, kid and gun metal, button and lace.

Call and see the greatest sales ever offered to the public in shoes, and note the saving on each pair.

Shoes That Were $3.50 and $4 Now $2.59.

TAN SHOES FOR LADIES AND MISSES.

We have the largest assortment of tan shoes ever shown in Chestertown for Ladies and Misses. The manufacturer came to us and offered us a lot of Tan Shoes that were made up for a party who failed in busines, at a great sacrifice, these shoes were made to retail at $5.00 a pair. We are going to give our trade the advantage of this. They are here for the small sum of $3.50 a pair. Call and see them, they are certainly beautiful.

RUBBER SHOES

FOR LADIES AND MISSES.

MILLINERY MERCILESSLY CUT

The millinery season just closed surpassed by far our most sauguine expectations to say the least, it exceeded all previous occasions—and that is saying much. Greater preparations were made, more varied styles were shown, detail and finish given the most strict attention, hence the large season was the consequence, yet there still remains a few of the choice patterns that must go before the spring season dawns upon us and we, right at the opening of the new year, have mercilessly slaughtered the price on all remaining stock. The price placed upon each hat is far below its actual value, yet they must go, as we need the space, you need the hat, and it has been our purpose in the past, and our intentions now to to have a general clean-up at the close of each season. We start to-day, the sale is on and on in earnest, and we suggest to them who have not as yet bought their winter head-gear to call early and get the pick. The price will please and hat must suit, or no sale.
