Obituary and In Memoriam notices cost 5c per line, each insertion.

SATURDAY, MAY 12, 1917.

THE age limit of those subject to draft is 21 to 30 years.

ROOSEVELT gets no volunteer army. This, in our judgment, is a mistake.

THE Senate amendments prohibiting the sale of liquor at army camps and otherwise safeguarding the morals of the troops have been passed. Pity our representatives that they did not include everybody and stop the manufacture of the accursed stuff. The Government asks us to save and economize and then encourages waste and extravagance.

$33.00 PER HEAD!

Four Per Cent Over $1,000 for Single Persons and $2,000 for Married Men—Telephone, Heat and Light Bills Taxed.

Washington, May 8.—A 10 per cent. increase in the present tariff, an ad valorum tax of 10 per cent. upon all materials now admitted to this country free of duty and a total tax of 37 per cent. upon incomes above $500,000 a year—these are provided for in the $1,800,000,000 revenue tax bill as completed by the House Ways and Means Committee tonight.

The income tax sections of the bill, which Chairman Kitchin made public tonight, show vast increases in the rates of taxation from present standards. All unmarried individuals will be taxed on incomes over $1,000 2 per cent. and all married men the same on incomes over $2,000.

The basic rate of income tax has been fixed at 4 per cent. of incomes up to $5,000 per annum. The surtaxes grade from that point upward.

The normal tax of individuals to be deducted and withheld at the source of income shall not apply to the new 2 per cent. of normal tax until after January 1, 1918.

The tax on spirits, whiskey and similar beverage has been increased to $2 20 per gallon.

The tax on beer is $2.75 per barrel.

The tax on tabacco has been doubled.

The taxes on cigars have been advanced to a new schedule, ranging from 50 cents to $1 00 per thousand according to retail value.

THAT everybody may know from which homes men have gone forth to serve their country in the Navy, and as an inspiration to others to follow, there has just been issued from the press of the U. S. Navy Publicity Bureau, a card with the following inscription:

"A MAN FROM THIS HOUSE IS NOW SERVING HIS COUNTRY AT THE FRONT IN THE UNITED STATES NAVY."

In the the upper corner of the card appears the impressive seal of the Navy, while below a space for the signature of the Commanding Officer.

The cards are now being mailed to all of the Apprentice Seamen at the Naval Training Stations and they will eventually reach every man in the service. After being signed and distributed they are to be mailed home and placed in the window of the house as a mark of honor as well as a constant reminder of duty to the young man who still hesitates in the face of the Country's call for men.

To the Farmers

Last year we advised you to raise White Corn. All who did so have profited more than by any other crop.

The demand for Hominy, Grits, Meal and Corn Flour made from white corn both for home and foreign consumption is increasing every day.

Europeans have discovered that white corn produces the cheapest nourishing food for their armies and citizens. We predict a demand next season that will give every farmer a good price for corn and fair premium for White Corn.

Do not overlook this opportunity—plant every available acre in white corn as we can assure you a ready cash market. This season our mill bought *every bushel of white corn* for sale on this market.

Why This Is Baltimore's Best Store...

¶ "Baltimore's Best Store" is not a title which we arbitrarily adopted. It was conferred upon us years ago by the shopping public.

¶ From the beginning of this store, nearly twenty years ago, we have striven to do these things:

To serve as well as to sell;

To give the store a homelike and hospitable atmosphere;

To make courtesy, liberality and friendliness everyday virtues among our people;

To sell dependable merchandise at fair prices, permitting no misrepresentation of quality or value, either in the public prints or behind our counters;

To make good, cheerfully and willingly, any shortcomings in any article we sell.

¶ It is these principles that have been woven into the success of Baltimore's Best Store. And we are not even content with the store as it is, but are ever trying to make it still better.

¶ Whenever you visit Baltimore, make this store your shopping headquarters. Whether you purchase or not, you will find the same cordial welcome.
