Second National Bank

of hestertown, Md.

Our Last Statement Showed Assets

Amounting to over . . .	$810,000.00
Paid in Taxes	15,506.19
Paid in Interest to Depositors .	98,582.91

TO THE PUBLIC:—

In our previous letters published in the Transcript during the past month we have shown what this bank has paid in Taxes and what it has paid to its Depositors in INTEREST, as can be seen by the above figures.

We now propose to show that since its organization the Second National Bank has paid to its Stockholders in Dividends amounting to the sum of $54,000.00

This amount has been distributed among our Stockholders by way of Dividends. In other words our Stockholders have received in Dividends during the past sixteen years twice as much as the Stockholders of all the other Banks in Kent County combined (which are now doing business) have received. We have been enabled to do this because we have acted upon the rule:-"WE TREAT EVERYBODY ALIKE." This conduct has begotten in this Community a strong and certain CONFIDENCE in the conservative management of this Bank, due largely to its supervision and control by the National Government. We ascribe our success to this CONFIDENCE which is reposed in us by the Community because it believes that a NATIONAL BANK, conducted according to the LAW, is safer than any other Bank which is not organized, conducted, supervised and managed under the NATIONAL BANKING LAW.

We are held by the Government to a strict responsibility. We cannot loan all of our Deposits. We are required by the Law to keep at all times a Reserve of 15 per cent. of our Deposits.

Remember that during the Panic of 1907-1908, this Bank cashed every check drawn upon it. It never turned away any such check large or small. It not only attended to the needs of its own customers, it was enabled to respond to the calls of many people who then dealt with other Banks. We are always ready to extend this same courtesy. If you need money we are ready and willing to let you have it, whether you are a Customer of this Bank or not.

This bank is BETTER, BIGGER and STONGER than ever.

We pay INTEREST on all SAVINGS ACCOUNTS.

If you are not a Customer of this STRONG BANK we earnestly request you to become one. You will be treated ALL RIGHT.

Very respectfully,

THE SECOND NATIONAL BANK
OF CHESTERTOWN, MD.

IN SPRING

A young man's fancy lightly turns to throughts of "Shoes." A well-dressed man is more particular about his shoes than any of the rest of his wearing apparel. We have found by years of experience that the Shoes which please the most particular man are those which are well made, full of style and comfort; these requisites we find exemplified in our Walk Over Shoes for Men and Boys.

They are for Dress, Outing and every day working shoes.

Prices $1.00 to $4.00.

The Time, The Place

—AND—

THE VEHICLE.

With each spring the question of a new carriage comes up. When you begin to think about a Top Buggy, Surry, Runabout or a special type of vehicle, we want you to think of us. We have spent the winter planning for your needs, picking the best from the builders and hammering the prices down by means of cash payments and large orders. The result of our early buying is a complete line of vehicles of all styles, ranging from the modest road wagon to the luxurious surrey. Every vehicle is the product of a house of standing—something we are sure of, and therefore willing to offer you with our strongest recommendation.

We should like to show you over our floors at any time. We have the largest in the town and one of the largest on the Eastern Shore. You can look now and buy later, or you can buy now for later delivery.

We solicit your patronage,
