TO PHYSICIANS.

A RARE OPPORTUNITY.

A Doctor having been in the successful practice of Medicine, and extensively known in a certain branch of the profession, in the city of Baltimore for the past thirteen years, now offers his Practice, together with a Lease of his House, to a physician who will buy his Furniture, upon reasonable terms. The location is central, and the most desirable in the city for that business.—The proprietor having made a competency, is about to retire to Europe, from whence he may correspond with his successor, and keep him apprised of all medical improvements in the Medical School of Paris, upon advantageous conditions. Apply to Dr. A. HUET, of the French Medical House,
No. 16 South Frederick St. Balt., Md.

N. B. A gentleman having but a limited knowledge of medicine would be taught this branch, together with the manner of making the medicine and its application in a short time for a small renumeration.

Pebble Stones 12.50, Sand and insoluble earthly matter, 11.10	23 60
	100

The proportion of Salts of Ammonia in above one hundred parts is 14,50 or nearly 15 per cent. If with reference to the organic matter alone the proportion is one third or 33 per cent. The total amount of pure Ammonia in the 100 parts, is 3.46 or more than 3 per cent, nearly 3½ per cent of pure Ammonia. If the average of Patagonia is worth $28 per ton, this is worth $36 per ton.

(Signed) DAVID STEWART,
U. S. Analyst Port Baltimore.

We have on hand a small lot of the above cargo of Guano which we wil sell at a very low price, and invite the attention of the farmers to it—it has been secently inspected by Dr. Poke the State inspector and the weight is marked on each bbl. Also Peruvian and other lots of Patrigonian Guano which we offer for sale at the lowest market rates.

The Great Iron, Moveable,

DAGUERRIAN SALOON.

THIS celebrated SALOON, constructed at Easton, the past winter, by N. B. JENNER, from Philadelphia, who is the principle operator, will visit Chestertown as early as the 29th of the present month, and remain but a very limited time, for the purpose of taking DAGUERREOTYPE LIKENESSES in the real Philadelphia inimitable style of the Art.

We are now furnished with a large *SKY and SIDE LIGHT* combined, so that every variety of LIGHT and SHADE may be obtained without winding to the fifth story of a city operating room. We trust that our superior advantages and knowledge of the business, with a long practice in the best houses in the world, together with our unrivalled specimens *of our own taking*, will be an inducement for an early trial of our skill by the citizens of Chestertown. We pledge ourselves in every instance to give perfect satisfaction to our sitters, or they will not be desired to take the pictures from the saloon.
