Toulson's Pharmacy

The Real Standard

In buying drugs the really essential feature is

PURITY

It is impossible to get cheap Drugs and have them pure. The only advantage we get is buying in quantities. We buy the best and sell them close—the result is a lower cost to you, but we never slight the worth of the drugs we sell and we are exact on the PRESCRIPTIONS we fill.

Supplies for home, bath, nursery and sick room are found here in great profusion.

The Most Pleasant Shopping Place In Baltimore -:- -:-

¶ "I don't know why it is," said an out-of-town customer, "but whenever I come to Baltimore to shop, I spend most of my time at Hochschild, Kohn & Co.'s. You have such nice merchandise, your salespeople are so polite and accommodating, and I feel so thoroughly at home in your store, that it is a real pleasure to shop there."

¶ We have been busy for nearly twenty years, devising new ways in which to make this store a pleasant place to shop—a place where customers would come again and again.

¶ Any reliable store can sell dependable merchandise. Any honest merchant will charge only a fair price for his wares. What, then, will make people come to one store in preference to others?

¶ Good Service.

¶ Hochschild, Kohn & Co.'s is the store of Good Service. Test it whenever you come to Baltimore to shop.

THE PEOPLE'S BANK

CHESTERTOWN, MD.

IF you are a business man, if you are a professional man, if you are employed at a daily wage, make up your mind to deposit weekly a certain sum of money in the bank. You'll be surprised how the sum will grow. Cash in bank gingers up the man who has it there. He has more confidence in himself. The business man is ready for a dull season. He is ready for an opportunity.

So is the professional man. The man who is working for a daily wage and who hasn't any money in bank frequently is fearful of a loss of his situation. He does not work as well or with the confidence in himself as does the man with something laid aside for a rainy day.

ENTRANCE EXAMINATIONS

State Scholarships in Engineering Courses.

ENTRANCE EXAMINATIONS for the Department of Engineering, as well as for the College of Arts and sciences, will be held by the College Entrance Examination Board in the Academic Building of The Johns Hopkins University, Homewood, Baltimore, June 18-23, 1917, beginning at 9 A. M. each day.

APPLICATION FOR SCHOLARSHIPS IN THE DEPARTMENT OF ENGINEERING, established under the provisions of the Laws of Maryland, Chapter 90, 1912, will now be received. If there is more than one applicant for a particular scholarship, a competitive examination must be taken in the Academic Building, Homewood, on September 21 1917, beginning at 9 A. M. Appointments will be made soon after.

Each Legislative District of Baltimore City and each County of the State, with the exception of Caroline, Somerset and Talbot Counties, will be entitled to one or more scholarships for the year 1917-18, in addition to those which have already been assigned. In the three counties mentioned above, all the available scholarships have been awarded.

Under the provisions of the Act of Assembly, the County and City Scholarships in the Department of Engineering are awarded only to deserving students whose financial circumstances are such that they are unable to obtain an education in Engineering unless free tuition be granted to them. The scholarships entitle the holders to free tuition, free use of text-books, and exemption from all regular fees. *The expense of attendance for those who do not receive scholarships is no greater than at other Maryland institutions*

Scholarships may be awarded to graduates of Loyola College, St. Johns College, Washington College, Western Maryland College, Maryland Agricultural College, Mt. St. Mary's College, Rock Hill College; and one scholarship will be awarded "At Large."

Applicants should address the Registrar, The Johns Hopkins University, for blank forms of application and for further information as to examinations, award of scholarships, and courses of instruction. m19 4t
