In buying drugs the really essential feature is

PURITY

It is impossible to get cheap Drugs and have them pure. The only advantage we get is buying in quantities. We buy the best and sell them close—the result is a lower cost to you, but we never slight the worth of the drugs we sell and we are exact on the PRESCRIPTIONS we fill.

The Most Pleasant Shopping Place In Baltimore -:- -:-

¶ "I don't know why it is," said an out-of-town customer, "but whenever I come to Baltimore to shop, I spend most of my time at Hochschild, Kohn & Co.'s. You have such nice merchandise, your salespeople are so polite and accommodating, and I feel so thoroughly at home in your store, that it is a real pleasure to shop there."

¶ We have been busy for nearly twenty years, devising new ways in which to make this store a pleasant place to shop—a place where customers would come again and again.

¶ Any reliable store can sell dependable merchandise. Any honest merchant will charge only a fair price for his wares. What, then, will make people come to one store in preference to others?

¶ Good Service.

¶ Hochschild, Kohn & Co.'s is the store of Good Service. Test it whenever you come to Baltimore to shop.
