OBJECTS AND PRINCIPLES

OF THE

Jr. O. U. A. M.

FIRST—To maintain and promote the interests of Americans and shield them from the depressing effects of unrestricted immigration; to assist them in obtaining employment and to encourage them in business.

SECOND—To provide for the creation of a fund or funds for the payment of benefits in case of sickness, disability or death of its members, to members, their legal dependents or representatives, and to issue certificates of membership for the same.

THIRD—To uphold the American Public School System, to prevent interference therewith, and to encourage the reading of the Holy Bible in the schools thereof.

FOURTH—To promote and maintain a National Orphans' Home.

We recognize the landing upon our shores of the ignorant, the vicious and the lawless of the Old World as a constant menace to our institutions, and believe that it should be viewed with alarm by the loyal and patriotic citizens of the country.

We would place a flag upon and a Bible within every Public School-house of our land, that all might learn these to be a beacon light in every storm which may threaten our destruction.

Subscription to the Transcript $1. per annum.

Reaping Benefit.

From the Experience of Chestertown People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Chestertown residents on the subject will interest and benefit thousands of readers. Read this statement. No better proof can be had.

James B. Hendrix, Cross St., Chestertown, Md., says: "Doan's Kidney Pills cured me of a severe case of kidney complaint and it gives me pleasure to recommend them to others. I contracted a severe cold which settled on my kidneys and left these organs disordered. My back soon began to ache and bothered me constantly and the pain was so acute at times that I was forced to stop work and go home. I was strongly urged to try Doan's Kidney Pills and at last decided to do so, procuring a box at M. A. Toulson's drug store. They helped me from the first and I continued taking them until my back was stronger and the Kidneys were restored to their normal condition."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
