WHIG NOMINATIONS.

FOR GOVERNOR,

Hon. RICHARD I. BOWIE,

OF MONTGOMERY COUNTY.

For Comptroller,

Dr J. Hanson Thomas,

OF BALTIMORE CITY.

For Lottery Commissioner.

Col. James B. Ricaud,

OF KENT CO.

OUR PAPER.—Owing to the indisposition of ourself and one of the hands in the office, the 'News' to day, contains a very small portion of reading matter. We will endeavor to avoid this hereafter.

MUSIC.—We would call the attention of young ladies and gentlemen to the Card of Prof. Minnick, in another column. Mr. M. is a thorough musician, and as a teacher has no superior in the State.

☞ The attention of farmers is called to the advertisement of Edwin Wilmer Esq.

FOR CONGRESS.—Wm. P. Preston Esq. of Baltimore city, has announced himself an independent candidate for Congress in the 3rd District,—Joshua Vansant is the nominee—the Whigs will have no candidate in that district.

☞ John Wethered, Esq. of Baltimore county, is spoken of, in the last Cecil Whig, as the Whig candidate for Congress in this district.

New York Democratic State Convention.

SYRACUSE, Sept. 14.—The "Hard Shell" section of the Democratic State Convention, last evening, made the following nominations:

Secretary of State, George W. Clinton; Attorney General, James T. Brady; State Engineer, John B. Fay, State Treasurer, W. C. Watson; Comptroller, John E. Cooley; Canal Commissioner, John C. Mather; State Prison Inspector, M. W. Bennett; Judge of Appeals, Charles H. Ruggles; Judge for short term, A. M. Denio; Clerk of Appeals, F. S. Bowne. They then a resolution complimentary of Senator Dickinson, amid loud cheers, after which an entire series of resolutions were adopted.—The report that a bully stood ready to shoot down Gener'l Ward as he called the convention to order, was freely commented upon by the "Hard Shells," after which they adjourned sine die.

The "Soft Shells" assembled at Brit-nall Hall," Market Hall having been asked but refused to them. Several Hunkers adhered to this organization. Jno B. Skinner was elected temporary chairman, and made a speech in favor of the Baltimore platform and the National and State administrations, which was loudly cheered. After a debate, on a motion made by John Van Buren, the convention adjourned until this morning, in order to give the "Hard Shells" an opportunity to retract their steps and unite with what they claim to be, the regular convention.

WINDFALL FOR A CLERGYMAN.—The Rev. Mr. Clawson, of the Methodist Protestant Church, says the Uniontown (Pa.) Democrat, who in many places is called the "wild man," in consequence of his eccentricities, is left heir to an estate in England valued at one million of dollars! Mr. C. was very poor, and has had to struggle thus far with a large and dependent family. The estate comes to him by his wife, and the business is so completely settled up, that he can draw the amount through bankers either at New York or Philadelphia.—He is traveling through a circuit near Clarksburg, in Western Virginia.

☞ Col Pleasent Bush, Senator elect the 33d district of Kentucky, died last week.

MAIN ELECTION.—*Portland*, Sept. 12—The result of the election of this State to-day, as far as received, make it certain that there has been no choice for Governor by the people, and it is also nearly certain that no distinct party have a majority in the Legislature.—There is no great change from last year in the general result. Portland elects 3 whigs to the Legislature; Bangor 2 whigs, Augusta 2 democrats—a gain.—In Cumberland county the whigs have probably elected 2 senators—a gain.—The vote of Portland is as follows for Governor: Crosby, whig, 893; Pillsbury 733; Norrill 692; scattering 3; being a very large whig gain. Other towns, however, do not show a corresponding gain. There is probably an increased majority in the Legislature in favor of the Maine Law.

LATER.—Seventeen additional towns show a gain of one regular Democrat and two Morrill democrats elected to the Legislature. This will not affect the result. The vote has been very light throughout the State.

Sept. 13.—There is no choice of Governor by the people. Crosby, whig has a much larger vote than last year, while the vote of Pillsbury is much smaller.—The whigs have a plurality of Senators, and the whigs and independent democrats will control the House.

THE NORTHERN ROUTE.—Late advices from Oregon inform us that a party under Capt. McClelland, U. S. A., had left Vancouver to explore a northern route for the Pacific Railroad, and were, at the last accounts, at the base of Mount St. Helen, expecting to meet Governor Stevens party from the East between the Cascade and Rocky Mountains. Thus, although this route is much the longest, we have already received accounts of its progress to recent dates, whereas we have received none whatever from the parties engaged in exploring the other routes.

☞ A reward of ten thousand dollars has been offered by the Camden and Amboy Railroad Company for the apprehension and conviction of the miscreants who placed the rail on the track near Beaverly, on Friday night last, thereby throwing off the train and causing the death of a breakman. Officers are in pursuit of certain parties who are supposed to have been implicated in the affair.
