FOUR WEEKS IN HOSPITAL

No Relief—Mrs. Brown Finally Cured by Lydia E. Pinkham's Vegetable Compound.

Cleveland, Ohio.—"For years I suffered so sometimes it seemed as though I could not stand it any longer. It was all in my lower organs. At times I could hardly walk, for if I stepped on a little stone I would almost faint. One day I did faint and my husband was sent for and the doctor came. I was taken to the hospital and stayed four weeks but when I came home I would faint just the same and had the same pains.

A friend who is a nurse asked me to try Lydia E. Pinkham's Vegetable Compound. I began taking it that very day for I was suffering a great deal. It has already done me more good than the hospital. To anyone who is suffering as I was my advice is to stop in the first drug-store and get a bottle of Lydia E. Pinkham's Vegetable Compound before you go home."—Mrs. W. C. BROWN, 2844 W. 12th St., Cleveland, Ohio.

MILLION LETTERS IN THE MAILS TODAY

forego coveted possessions or even necessities. The work must go on, because there is no one thing that contributes so much to the spirit and efficiency of the troops. The Y. M. C. A. is working night and day to help the government win this war. And every penny that is given to aid the work is a direct assistance to the health, happiness and strength of your boy and mine.

Snapshots of Kaleidoscopic Work.

In all the big cities in France where our men pass through in large numbers, the Y. M. C. A. is operating hostels, where they can get beds and meals at a minimum cost. In London the American Y. M. C. A. has erected a large building for our soldiers and a clubhouse for American officers.

There are Y. M. C. A. dugouts right behind the front line trenches, where the soldiers can get hot drinks, crackers and other comforts at all hours.

Over 2,000 men who had been rejected on account of physical disability have been able to get into the British army by reason of the physical work of the British Y. M. C. A.

A fleet of motor cars leaves the big Y. M. C. A. headquarters in London at midnight every night to pick up soldiers who are wandering about the streets without any wholesome lodging in which to spend the night. These cars are operated by Englishwomen of position and refinement, who report that they never meet any discourtesy at the hands of the soldiers. The importance of this service can be estimated by the fact that at least 50,000 soldiers are on leave in London every week. Over half of these sleep in Y. M. C. A. beds every night.

Entertainment on Vast Scale.

The Y. M. C. A. has erected a big auditorium, seating 3,000, in each of the big draft camps, and huge chautauqua tents, seating 2,500 in the other encampments. The association is running a 22 week entertainment circuit among the camps and is paying 16 companies of entertainers, who are traveling to 30 camps performing before the men.

In each of the draft camps the Y. M. C. A. has ten secretaries engaged in educational work. The association is seeing to it that every man who cannot speak English is taught to do so. In many of the camps the association has a singing director, who is teaching the men to sing the popular and martial airs that do so much to keep up their spirits.

Of 64 Y. M. C. A. men at Camp Dix only three are being paid full salaries. In all the camps the majority of the Y. M. C. A. men have left lucrative positions to do this work simply because its appeal is irresistible to any red blooded man. Harry Lauder, the famous Scotch singer and comedian, now on his farewell concert tour in the United States, is giving all his spare time to the service of the association and is singing to the soldiers at all the camps he can reach.

In one of the draft camps the Y. M. C. A. is supervising athletics on 120 playing fields, providing full athletic equipment. The winners of the inter-regimental games will play the champions of the other camps.

One of the greatest services rendered by the association is the making

A Red Triangle Dugout in the Trenches.

out of money orders by which the men can send their pay home to their families. In some of the big camps the Y. M. C. A. is providing banking facilities for the men as well.

Do Your Bit With a Tenner.

This month (November) the Y. M. C. A. must raise $35,000,000 to carry on its work among our soldiers and their allies until next July. Of this $35,000,000 about $24,000,000 will be spent on the work with our own troops or about $10 for every man in Uncle Sam's uniform. If everybody who has received letters from soldiers and sailors were to contribute $10 the task would be easy. Are your boy's health and happiness and clean soul worth $10 to you?

Your town mayor, your pastor, your school superintendent will know who is the treasurer of the campaign committee in your county or town. Otherwise send a check or money order to Cleveland H. Dodge, treasurer, 124 East Twenty-eighth street, New York city.

Only sacrificial giving by millions of givers will make possible the continuance of this vast work for American soldiers and for those of our allies.

The Hochschild, Kohn & Co. Store was founded in 1897. It began with a plain announcement of its policy and its intentions.

A clear contract was made—is still made, and will always be made—with every customer. This is the contract—it is printed on the back of every salescheck:

OUR SYSTEM

Baltimore's Best Store is the store of progress. It is not ideal, but it is striving to be.

Its aim is to please—to satisfy; and it never loses sight of the mark. It is the accepted and avowed shopping place of a great many people—in Baltimore, throughout Maryland, and in almost every other State in the Union.

In buying drugs the really essential feature is

PURITY

It is impossible to get cheap Drugs and have them pure. The only advantage we get is buying in quantities. We buy the best and sell them close—the result is a lower cost to you, but we never slight the worth of the drugs we sell and we are exact on the PRESCRIPTIONS we fill.

Supplies for home, bath, nursery and sick room are found here in great profusion.
