Takes Good Light and Good Eyes

The steadiness of Rayo light—neither flicker nor flare—makes it almost as easy to do delicate, particular tasks by lamplight as daylight.

RAYO LAMPS

are as easy to light as a gas jet. You don't take off either the chimney or shade. Merely raise the gallery and touch a match. A Rayo is easy to re-wick and easy to keep clean. It is artistic and ornamental.

If your dealer doesn't carry Rayo Lamps write our nearest station.
