The Farm would well divide into two, securing to each a fair portion of the meadow.

The property is desirable to any one wishing to invest, and by the expenditure of a moderate sum may be made a very handsome estate.

Mr. Thos. A. Merredith will take pleasure in shewing the property to any one disposed to purchase.

The Terms of Sale,

are, one eighth part of the purchase money to be paid on the day of sale, or on the ratification thereof; two eighths in on year from the day of sale; and the balance of five eighths in three equal instalments: in two, three and four years from the day of sale, with interest from the first day of January next.—the interest to be paid semi-annually.
