Delaware Representative Sponsors Bill For Construction Of Span By Government. Cites Benefits, Tells Marylanders To Get Behind Project

Agressive sponsorship and support has been given to the construction of a Bay Fourth Passes Bridge from Stevensville to Sandy) Washington and author of a bill providing for Federal construction of the span. Representative Allen was quoted in a Traffic Heavy Reservative Allen was quoted in a

story in the Baltimore Sun as saying that "if the people of Maryland will get behind this project we will build a One Fireworks Accident, bridge across the Bay." The bill seeks an appropriation of \$10,000,000, but the Representative said this could be amended to provide for not less than \$20,000,000. The span
