Christ M. P. Church—Rev. Dr. F. T. Little, pastor. Testimony meeting at 9.30 A. M. Preaching at 10.30 A. M. and 7.30 P. M. Sunday School at 2 30 P. M. Juniors at six o'clock, and Christain Workers service at 6.45 P. M. To all these services you are cordially invited.

Mr. Wm. A. Wheatley led the Christian Workers service in Christ M. P. Church last Sunday evening and gave a very interesting and profitable talk.

We announced last week that Rev. Dr. H. L. Elderdice would deliver the Baccalaureate sermon to the graduates of Washington College. This is a mistake. Dr. Elderdice, owing to a former engagement, is unable to accept the invitation.

Rev. Dr. F. T. Little, pastor of Christ M. P. Church, preached a most able and timely sermon last Sunday evening on the attitude of the present day church to the problems of religion and the duty of church members. It was a sermon that every man in Kent county should have heard.

Rev. H. A. G. Westerfield, pastor of Elkton M. E. Church, has been chosen manager of Woodlawn Camp Meeting, which begins August 3rd.

Rev. Dr. V. S. Collins, pastor of the M. E. Church, Middletown, Del., has been selected to preach the sermon before the Y. M. C. A. of Washington College on the evening of June 12th.

Rev. J. G. Humphires, pastor of Pocomoke City Methodist Protestant Church, will preach the Baccalaureate sermon to the graduates of Washington College on commencement Sunday.

Rock Hall Items.

A very interesting ball game between Rock Hall and the 2nd team of Washington College was held on the club's field last Saturday. Quite a few spectators turned out to see the game, but lots of them failed to chip in to help pay the visiting team's expenses. Now, if the base ball enthusiasts would give only 10 or 15 cents, this would be enough to defray the current expenses. As the club has rented the grounds it is no more than right that the spectators should help. Most every place charges 25 cents admission. Think this over. Score—4 to 2 in favor of Rock Hall.

The East Neck boys played the Piney Neck team on the Piney Neck grounds with a very good score. Both sides were pretty well matched.

The minstrels of the Jr. O. U. A. M. are nearly ready for their first show, which will be held on the 26th. Notices will appear a little later. The boys have worked hard to make this a success, and from present observation bids well toward this end. As this is for the furnishing of the new home of the Jr. O. U. A. M., all citizens of the town should feel interested in the minstrel and give it their greatest support by coming out and bringing the whole family.

The M. E. Parsonage has been greatly improved by the tearing away of the hall and inserting double doors. This makes the rooms seem larger and adds to the beauty of both rooms. The paper hangers also added to the interior decorations.

Mr. T. B. Durding has had his store front freshened by a new coat of paint. The work was done by Durding & Rich. They are now painting Mr. Kramer's house and store.

Mr. Chas. Shoemaker and son, John, have just had completed a very pretty gasoline launch. They will instal a Detroit motor.

Still Pond Notes.

In the carriage line this is doubly true, because vehicles are apparently alike when vastly different.

If you will take a look at our "NEW WATERLOO JOBS," note the snappy styles, the good class of work and all that goes to make a vehicle of value—then consider the fact that we as dealers are under no extra expense whatever to sell these jobs, no commissions, no rents—(we buy only in solid carload lots to the very best advantage)—you will readily see why we can sell as we do, and why it is to your own good interest to buy from us.

Terms made satisfactory.
