IN MEMORIAM

In sad but loving remembrance of my dear sister, JOSEPHINE ROBINSON PHILLIPS, who departed this life two years ago, March 5th, 1916.

A precious sister from us has gone,
Gone to dwell in that Heavenly home,
Living above all sorrow and care,
Dwelling with Christ. His glory to share.

Although it has been but two brief years,
Since you have left us sister dear,
And time may help to sooth our pain,
The scar will e'er through life remain.

Then let us dry our fallen tears,
And bid our sorrows cease.
We'll meet again in coming years,
Where all is joy and peace.

SISTER RUTH.

WHAT DO YOUR DELEGATES STAND FOR?

Major General Joseph E. Kuhn, Commander at Camp Meade, says that soldiers are sold whiskey in Baltimore and appeals to Governor Harrington and Mayor Preston to assist in correcting the evils which he states "affect the health and morals of the soldiers."

Can these officials stop such practices with the saloons wide open?

State-wide prohibition will solve the problem and the Legislature can stop the whole traffic.

Do your members of the House of Delegates stand for booze or for the "health and morals" of our soldiers?

Do your members of the House of Delegates stand for booze or for grain and fuel when the Government is in need of both?

PATRIOTISM DEMANDS STATE-WIDE PROHIBITION.

Ford
THE UNIVERSAL CAR

Like the regular Ford cars the Ford Model T One-Ton Truck is a real farm necessity, just as it is the necessity of manufacturer, contractor and merchant. There is no question about it proving a money-saver right from the start. It is flexible, turning in a 46-foot circle; has 124-inch wheel base; the regular Ford motor with worm drive—and has proven as economical in operation and maintenance as the Ford Touring Car. The price of the truck chassis is $600 f. o. b. Detroit. We urge placing orders without delay in order to get reasonably fair delivery. The demand is big—come in and let us talk it over.
