## IN MEMORIAM

In sad but loving remembrance of DOROTHY AUGUSTA, the infant daughter of James H. and Lula A. Wiest, who departed this life February 25th, 1918.

Grieve not for her, gentle parents,
Dorothy wears a crown above;
Darling is a white-robed angel
In the Saviour's arms of love.
AUNT CLARA.

In sad and loving remembrance of my loving daughter, JOSEPHINE ROBINSON PHILLIPS, who departed this life two years ago, March 5, 1916.

When I shall meet with those that I have loved,
Clasp in my arms the dear ones long removed,
And find how faithful thou to me has proved,
I shall be satisfied. FATHER.

Days of sadness still come o'er us,
Tears of sorrow silently flow;
Fond memory keeps our loved one near us,
Though heaven claimed her two years ago.
STEP MOTHER.

In sad but loving remembrance of our dear boy, HENRY VICTOR SMITH, whom God called to rest fourteen years ago to day, Mar. 16, 1902.

In the graveyard, softly sleeping,
Where the flowers quietly wave,
Lies the one we loved so dearly
In his lonely, silent grave,
Thou art gone but not forgotten
In this great world of strife:
Thou shalt always be remembered
As long as God gives me life.
BY HIS LONING MOTHER.

Sleep on dear brother and take your rest:
God took you home. He thought it best.
It was hard indeed to part from thee,
But God's strong arm supported me.
SISTER PAULINE.

## THE RED CROSS NURSES OF EUROPE ARE GIVING TOASTED CIGARETTES TO THE BOYS

To anyone who doesn't know of the wonderful advances that have been made in the preparation of smoking tobaccos in the last few years it may sound strange to speak of toasted cigarettes.

Strictly speaking, we should say cigarettes made of toasted tobacco; the smokers of this country will recognize it more readily by its trade name, "LUCKY STRIKE"—the toasted cigarette.

The American Tobacco Company are producing millions of these toasted cigarettes and these are being bought in enormous quantities through the various tobacco funds conducted by the newspapers of the country and forwarded through the Red Cross Society to the boys in France.

This new process of treating tobacco not only improves the flavor of the tobacco but it seals in this flavor and makes the cigarettes keep better.

The Red Cross nurse is always glad to have a cigarette for the wounded soldier, as, in most instances, that is the first thing asked for.
