The road to Berlin is buy-a-bond route.

The man who wont or cant fight and who refuses to loan the Government all he can, ought to go to Germany to live. He is not entitled to live in a land that he will not help to protect.

The boys "over there" and the boys who soon will be "over there" are looking to the people "back home" to see to it that all their needs are supplied. Can't you do without something and help them by buying Liberty Loan Bonds?

The United States Food Administration for Maryland, in co-operation with the Department of Agriculture and the Maryland Agricultural College, is arranging a series of prizes for the stimulation of the production of food products in the State of Maryland during the coming season. These prizes, full details of which will be announced later, will aggregate about $25,000 which sum is secured by private subscription and is not out of public funds. Full announcement of the details will be made at an early date. There will be $500 to each county.

MILLINGTON

The regular monthly meeting of the Woman's Foreign Missionary Society of Asbury M. E. Church met on Thursday afternoon at the home of Mrs. Mary A. Vansant.

Private Solomon T. Pippin, of the Marine Barracks, Guantanomo, Cuba, is home on a month's furlough to visit his aunt, Miss Fannie Hurtt.

Miss Pauline Stevens, of Philadelphia, was the guest last Sunday of her parents, Mr. and Mrs. Charles Stevens.

Mrs. James W. Poore and two children, Marie and James, spent this week with her brother, George Davis, of Wilmington.

Miss Maggie Parsons, of Parsonsburg, visited Rev. and Mrs. D. J. Moore this week.

Services tomorrow, April 14th, at Asbury M. E. Church, will be as follows: 10.30 a. m. and 8.30 p. m., preaching by the pastor, Rev. D. J. Moore; 2 p. m., Sunday school; 8 p. m., song service.

Among those who visited Baltimore during the past week and witnessed the great patriotic demonstration are Mrs. R. E. Feddeman, Miss Mary O. Feddeman, Richard Feddeman, Mr. and Mrs. F. C. Numbers, Mrs. Eva Sykes, Miss Florence Comegys, Miss Fannie Hurtt, Mrs. Jennie Johnson and Miss Helen Tyler. The 310th Field Artillery gave a smoker at the Lyric at 8 p. m. on Saturday, April 6th, which was largely attended by Eastern Shore folks who were interested in the 310th.

ROCK HALL

Rev. T. C. Smoot occupied the M. E. pulpit here on Sunday and preached a forceful sermon from the text, "Fear Not, for Behold, I Bring You Good Tidings of Great Joy, Which Shall Be To All The People." The congregation was large and were greatly pleased in listening to the discourse. At night the assembly was much larger and hugely enjoyed an interesting sermon by the pastor.

Mr. Smoot filled the Pine Neck pulpit Sunday afternoon. He was accompanied by T. F. Davis and C. O. Kendall who prepared the way for the new pastor.

The Sunday school session here was in charge of Capt. J. E. Apsley. Rev. Mr. Smoot and wife has made a most favorable impression on the people of this place and a highly successful year is predicted.

D. C. Kelly, of near Still Pond, was a week-end visitor among old acquaintances here. "Cat" is looking remarkably fine, but is still compelled to use an extra leg as he goes to and fro.

Mrs. S. Leoner, of Baltimore, was a week-end visitor at the home of her daughter and son-in-law, Mr. and Mrs. Alexander.

An epidemic of the blues invaded this section this week. Everybody had 'em, in consequence of the terrific onslaught of the storm of Tuesday and Wednesday. Farming and trucking operations are knocked into smitherines.

The wind mill of S. J. Wickes which has been locked with chains for some time was torn loose on Wednesday and ran wild until the storm tired out. The machine is now a wreck. The wind blew a part of the roof off of Jr. O. U. M. Hall.

Every man in Kent county should buy a bond or get a stamp book.

President Wilson, in his address at the big patriotic celebration with which the Third Liberty Loan drive was launched at Baltimore Saturday, voiced the sentiment of every loyal American when he thus answered the German challenge:—"Force, force to the utmost, force without stint or limit, the righteous and triumphant force, which shall make right the law of the world and cast every selfish dominion down to the dust."

That is the slogan of the American people. Every resource must be thrown into the struggle until the world is freed of the menace of Prussian domination.

THE AMERICA'S CREED

By William Tyler Page

..I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect Union, one and inseparable; established upon those principles of freedom, equality, justice and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my Country to love it; to support its Constitution; to obey its laws; to respect its flag; and to defend it against all enemies.

Said bonds shall bear date as of July 10th, 1919, and be payable in sums of $500.00 in each of the years beginning with the tenth day of July, 1922, and each year thereafter until fully paid. Said bonds to be numbered consecutively and to be redeemed in the order in which they are numbered, but said Bonds shall be redeemable at the option of said Commissioners after six years from the date of the issue.

Sec. 2. Sec. 4. And be it enacted, That the said sum of $6,000 or so much thereof as may be necessary for the purpose, shall by the said Commissioners of Chestertown be used and applied to the purchasing of additional fire equipment for said town, and if any part of the proceeds of sale of said Bonds be left over after the purchasing of said Fire Equipment, the said amount is to be turned over to the Treasury of said Town to be used by the said Commissioners of Chestertown in improving the Streets of said Chestertown.

"NOW HE WILL WANT TO STAY WITH US"

Every boy likes to work around machinery, but no boy likes to curry horses. Many boys have tired of farm work because of the never ending chores. By using a farm tractor, many of these chores will be eliminated. The best way to keep a boy on the farm is to make farm work interesting, and motorizing your farm work will do it.

Investigate tractor farming at once, for there is certain to be a tractor shortage and buying at once is the only way to get your tractor in plenty of time to get started on your spring drive for bigger crops.

There's a size Avery Kerosene Tractor for every size farm. They make tractor farming a success on farms from ten acres in size up.

Come in and look over the sample Avery Tractors we have on hand and we will gladly explain their many exclusive points to you.

EASTON, MARYLAND

The Cleveland Tractor will plow 3½ miles an hour—8 to 10 acres a day. That equals the work of three good 3-horse teams and three men.

Traveling on its own tracks, it will go practically anywhere—even through ditches or gumbo, sand and gravel. Although small enough for work in orchards, the Cleveland develops full 12 h. p. at the draw-bar for hauling

At the pulley belt it gives 20 h. p.—plenty for stationary work, such as shelling corn, cutting ensilage, filling silos, pumping and many other uses on the farm where power is needed. You can turn it in a 12-foot circle—just about what it takes to turn a team. It can be housed in less space than it takes for a horse.
