The Kent News.

CHESTERTOWN:

SATURDAY MORNING, SEPT. 30, 1865.

THE NEWS.

The New York Democracy have divided. On Monday the States Rights wing held a convention, and resolutions were adopted denouncing the Democratic nominations recently made, proclaiming themselves for the Constitution as it is, and the Union as it was. They also say that all proclamations and deeds of the President affecting the rights of the States are unconstitutional, null and void. The nomination of a State ticket is left to the decision of a committee.

The Alabama Convention, by a vote of eighty-nine to three, has passed the ordinance abolishing slavery, and declared it to be the duty of the Legislature to pass laws protecting the freedmen in person and property.

Rev. H. Ward Beecher preached a sermon in Brooklyn on Sunday in favor of allowing white women and black men to vote.

The Convention of South Carolina has appointed a committee to draft memorials to the President of the United States for the pardon and release of Jeff. Davis and Alexander H. Stephens.

Charleston advices of the 23d inst., state that Gov. Perry had called out the State militia to aid, under the orders of the United States military authorities, in maintaining the peace. Members of the militia force are required to take an oath of allegiance to the United States. The South Carolina Convention has refused to allow negroes to form a part of the basis of representation in electing members to the Legislature.

Some of the citizens of Charlottesville, Va., recently addressed a letter to President Johnson, appealing to him for counsel and advice in relation to the Congressional test oath, asking whether it is probable that the oath would be repealed or modified so as to admit members from the Southern States, and professing that their main purpose in asking his views on this subject is to pursue that course which will be most likely to sustain him and his policy in the administration of the Government. Attorney General Speed states he is instructed by President Johnson to say that he (the President), "has no means of knowing what Congress may do in regard to the oath, about which they inquire than any other citizen, but it is his earnest wish that loyal and true men, to whom no objection can be made, should be elected to Congress."

Five Catholic priests have been arrested in St. Louis for preaching without taking the oath, and several ministers of other denominations, in various parts of the State, are now under bonds to answer for the same offence. Father Cummings of Pike county, who refused to allow his friends to pay his fine and was lodged in jail, has thought better of his conduct and given bonds, and will appeal his case to higher courts for decision.

A public meeting was to have been held in Lynchburg last week to make arrangements for getting up a petition to President Johnson in behalf of Jeff. Davis, but was stopped by the military authorities. No objection was made to any private proceedings in relation to the affair.

The Wirze trial was continued at Washington on Wednesday, and more evidence of cruelties was produced. There was also testimony to show that Howell Cobb was cognizant of the state of affairs.

Gen. Lee has accepted the presidency of Washington College at Lexington, Va., and arrived there on the 18th inst., after traveling 100 miles on horseback.

Two colored women and a colored man were applicants at the White House on Wednesday for a pardon for their former master.

Gen. G. W. Custis Lee, son of Robert E., has been appointed professor of engineering at the Virginia Military Institute.

Howell Cobb is reported to have been arrested for complicity in the Andersonville cruelties.

The trains are now running from Washington to Richmond, via Aquia Creek, the bridges having been completed.

Ex-Gov. Lowe, of Maryland, is an applicant for pardon.

DEFINING THEIR POSITION.—Messrs. Campbell, Thomas and Cooper, three of the Congressmen elect from Tennessee, in answer to a letter from Gen. Rosseau, declare themselves firm supporters of the President's policy, and say that two of their number, as members of the Legislature, voted for the constitutional amendment against slavery. Gen. R., in his letter, expresses himself well satisfied with their loyalty and devotion to the Government during the war.

GOVERNMENT ADVERTISING.—The Constitutional Union, edited by Col. Thomas B. Florence, has been designated by the President as the selected paper to publish the Government advertisements at Washington. The Union is a high-toned conservative journal, and this act of the President is significant, considering the relation which the Chronicle (Forney's paper) has heretofore been generally supposed to sustain to the Administration.

A HANDSOME PRESENT.—The following from the Washington Constitutional Union of August 24th, gives the particulars of a handsome present from the merchants of that city to a native of this county and a gentleman well known to many of our citizens:

Handsome Token of Appreciation.—A veteran in commercial life in the cities of Philadelphia and Baltimore, but for the last thirty years intimately connected with our merchants here, Mr. JAMES HARRIS, for whom all the merchants of this metropolis justly entertain a very high regard, having been so unfortunate as to be robbed of a fine watch, our merchants quickly seized the opportunity of testifying their appreciation of his worth by making the loss good. They have accordingly presented to him an elegant gold hunting-case watch, manufactured by the American Company, and costing upwards of $300.

SICKNESS.—From the following item, which we clip from the "Phœnix," published at Princes Anne, Somerset county, Md., we should judge that our community is not the only one which has been troubled with the "shakes." Princes Anne and Chestertown are about on a *par:*

"According to a rough calculation, it is found that there are ninety odd persons now sick in this town. But if we were to include the suburbs, the number would far exceed a hundred. We do not believe half a dozen persons, who have been living here during the whole season, have escaped sickness. In some families at the present day there is scarcely a sufficient number well enough to wait upon those confined to their beds."

SECOND CONGRESSIONAL DISTRICT.—The Congressional Convention of the Second District of Maryland assembled in Baltimore on Tuesday last, and after adopting a series of resolutions endorsing the policy of President Johnson, nominated John L. Thomas, Esq., State's Attorney of Baltimore city, as the Union candidate to succeed Hon. E. H. Webster in Congress.

☞Attention is called to the sale of real estate, situated in Quaker Neck, to take place at the Voshell House, at 11 o'clock to-day.

REGISTRATION IN BALTIMORE.—We find the following in the *Sun:*

"It appears that the number of qualified voters registered in the twelfth ward is 483. In the same ward last year, the vote for President stood—Lincoln, 506; for McClellan, 109—total 615. The number registered in the eighteenth ward is 628. This ward gave Lincoln 683, and McClellan 115—total 885. In the nineteenth ward, 498 names were registered, while it gave Lincoln 797, and McClellan 88—total 885."

CHOLERA IN TENNESSEE.—The Nashville Press says "it is stated that this disease amongst cattle, which generally precedes the cholera amongst the human race, is prevailing throughout the State. Cattle and hogs are dying off at a fearful rate, and we are informed that a few cases closely resembling cholera have made their appearance in this city. A private letter says several cases of cholera have occurred at Memphis.

SUFFRAGE.—John Stuart Mill, of England, has written a letter in which he favors negro suffrage in this country, based on the qualification of their being able to read and write. What has John Stuart Mill to do with it? Let him look after suffrage for white men in his own country.

STATE OF MARYLAND,

Now, THEREFORE, pursuant to the requirements of the Act of the General Assembly of Maryland, passed at January Session, 1865, entitled "An Act to enable any Bank, Savings Institution or Savings Bank in this State, to become an Association for the purpose of banking under the laws of the United States," notice is hereby given that the said Farmers and Mechanics' Bank has been converted into an Association for the purpose of Banking under the laws of the United States, and by virtue of the Act of Assembly aforesaid, its Charter as granted by said General Assembly has been surrendered, and its corporate powers under said Charter will henceforth cease, subject only to the Proviso or reservation in said Act contained. A. W. BRADFORD.

By the Governor:
WM. B. HILL,
sep30-3t. Secretary of State.

A Card.

I DESIRE to inform the public, that my daughter, MARGARET ANN MEREDITH, did not run away from the service of Mrs. Vickers, to whom she was bound, the published declaration of Mr. Dennis Vickers to the contrary notwithstanding. Mrs. Vickers came to me and requested that I would take the child off her hands, that she was going to leave her husband and never intended to live with him again. I accordingly went down for her; I there saw Mr. Vickers, and he also consented that she should leave, and I also have abundant evidence from Mr. Vickers' own declarations, that he had given her up; and why he should manifest such an utter disregard of the truth in his advertisement headed "Caution," I am at a loss to know. CATHARINE MEREDITH.

VALUABLE AND VERY DESIRABLE FARM FOR SALE.

THE undersigned as agent for Mrs. F. H. Constable, on
MONDAY, the 30th October, 1865,
at the Voshell House, in Chestertown, Md., at 11 o'clock, A. M., will offer at PUBLIC SALE

THE FARM

on which he now resides, in Kent county, Md. This Farm in location and quality of soil, embraces all that may be reasonably desired in this latitude by the Farmer, Fruit Grower, and the Sportsman. It lies directly on Swan Creek, within a mile of Swan Point, and in full view of the Chesapeake Bay; about 5 miles from the Steamboat Wharf on Grey's Inn Creek and about the same distance from Rees' Wharf on the Bay, and is convenient to places of public worship, Schools, Mills, &c. The FINEST OYSTER BEDS, and Fishing Grounds in our waters, lie within a short distance of this farm, while SWAN POINT is pre-eminently distinguished for its fine Swan and Duck Shooting.

This Farm contains about

196 ACRES,

of which about 175 are arable, about 7 acres in Marsh, and the resdue in WOOD & TIMBER. There is also a detached WOOD LOT of about 20 Acres, which will be sold with the Farm.

The soil will bear a favorable comparison with the best in the county,—it is of the texture and quality which promptly gives the most ample and satisfactory returns for the use of lime and the approved fertilizers. In location and the natural properties of soils for a Peach and Fruit Farm, it is believed it has no superior in this county, while it is well adapted to all cereals.

THE IMPROVEMENTS
are a comfortable DWELLING and Kitchen, and the usual Out-Buildings, all in fair order.

These TERMS OF SALE are desired, but will be modified if found necessary to secure a fair price: There is a mortgage on the farm for $6,500, payable with interest in four equal annual instalments from Nov. 1st, 1866; the purchase money in excess of said mortgage to be paid on the day of sale or within thirty days thereafter.

For further information consult my attorney, R. HYNSON, Esq., at Chestertown, Md.
WM. R. CONSTABLE.

N. B.—The mortgage referred to may be paid in partial payments, at any time, in sums not less than $1000, or in one payment.

Rail Road Meeting!

THE meeting held at Kennedyville on Tuesday last, after making some progress, adjourned to meet at the Court House, in CHESTERTOWN, on

THURSDAY, 19th of October, 1865,
at 3 o'clock, P. M.

The subscribers for Stock and all others who desire to favor the object, are earnestly desired to be present. All persons holding books are requested to produce them at that time.

The recent meeting appointed Mr. THOMAS J. SHALLCROSS, to call on every land-owner in the First and Second Districts of the County, present the claims of the proposed road, receive subscriptions, and report at the next meeting. JESSE K. HINES, Esq., was also appointed for the Fourth District, for the same purpose, and provision will be made for the other Districts. Every one who has an interest in this great enterprise, will have an opportunity to subscribe, and it will thus be known at the meeting of the 19th whether it can be accomplished. There is abundant means to effect it if the will can be enlisted. Instead of 112 subscriptions to stock, there should be 500, and they should be obtained without difficulty.—An increase of $10 per acre in the value of the land within two miles of the proposed road would construct it, independent of subscriptions and the general enhanced value of property, and the facilities and advantages for travel and a new market for fruit and produce.

A work of such magnitude cannot be effected by a few, but the aid must be general and generous. Let all contribute something and success will be secured. The Shares are $25 each, and will be payable by instalments.
GEORGE VICKERS,
Chairman of last Meeting.
