The Kent News.

CHESTERTOWN:

SATURDAY MORNING, SEPT. 29, 1866.

For Comptroller of the Treasury:

COL. WILLIAM J. LEONARD,

OF WORCESTER COUNTY.

THE NEWS.

The election in Pennsylvania for Governor, Congressmen, Legislature, &c., takes place on the 9th of October. The two parties are conducting the canvass with great energy, and mass meetings are daily and nightly held in various sections of the State.

The Hon. Montgomery Blair has been nominated as the Conservative candidate for Congress in the fifth congressional district of Maryland.

James Graham, Esq., Cashier of the National Bank of Elkton, left home on the 10th inst., for Philadelphia, with the intention of returning the next day. He transacted some business in Philadelphia on the same evening, since which time his fate has been shrouded in the most complete mystery. He had a considerable amount of money on his person, and it is feared that he has been robbed and murdered. His accounts with the Bank are correct.

The Radicals of Talbot county have decided not to run a ticket this fall. In that county, as in Kent, the number of those who support the obstruction measures of Congress is reduced to a corporal's guard.

Regulations have been issued from the War Department for the payment of the extra bounty awarded the soldiers at the recent session of Congress.

The damage in the West from the late excessive rains is immense. In Indiana, Ohio and Kentucky, rivers, creeks and rivulets have been filled to overflowing, carrying away bridges, houses, stables, and inundating farms near by. The Big Miami is reported to be higher than in 1847. The damage in Southern Indiana is very great. The entire country in the lowlands is under water. Crops are almost ruined, and the destruction to fences and bridges is very great.

A terrible disaster occurred in New York on Sunday by the burning of a tenement house. The family of Cornelius Rottiger, consisting of himself, wife and three daughters, aged respectively eight, ten and sixteen, were occupying the third story, and fearing to leap from the windows were all burned to death, being found lying together in one group, their remains baked to a crisp. Another family of five persons, named Hartz, leaped from the fourth story, a bed being held below for them to alight on, and two of them missing the bed in their fall, were so severely injured that their lives are despaired of. All the rest were more or less injured.

General John A. Dix has been appointed Naval Officer at New York.

FESTIVAL.—A Festival, for the benefit of Kent Circuit, M. E. Church, will be held on the camp ground on Wednesday next, October 3d. Dinner will be provided, and the official notice informs us that "the table will be supplied with all the good things of the season." The services of a good speaker has been secured, and there will be seats and tents for the accommodation of those present. The indications are that a large concourse of persons will be present from all parts of the county, and an occasion of much enjoyment is anticipated. Tickets one dollar, which covers the whole expense, including admittance to the grounds and dinner.

VIEWS OF AN EMINENT VIRGINIAN.—Hon. A. H. H. Stuart, of Virginia, one of Mr. Fillmore's cabinet, in a letter to the people of Alexandria, Va., inviting him to speak, says:

"It is time to bury old differences in oblivion, and look to the present and the future. The Southern people have accepted the results of war in good faith.—They have abolished slavery, repudiated the Confederate debt, and abandoned the dogma of secession. They have fulfilled to the letter all the conditions which were required of them as prerequisites to full restoration to their constitutional rights. These conditions were officially offered by the government of the United States, and formally accepted and performed by the Southern States. I hold, therefore, that the United States authorities cannot now, without a sacrifice of honor and good faith, recede from the bargain they made with the States of the South. If a spirit of justice and magnanimity be displayed by the people of the North towards those of the South, old wounds would soon be healed, old animosities will die out, and, under the influence of the many ties which bind the sections together, peace, prosperity and happiness will soon be re-established throughout our borders."

DEATH OF HON. HENRY MAY.—This gentleman died at the residence of his sister, in Baltimore, on Tuesday, in the 50th year of his age. His disease was gastric fever. Mr. May resided in Talbot county.

THE REGISTRATION LAW AND MUNICIPAL ELECTIONS.—The Baltimore *Sun* of Thursday publishes the opinion of the Hon. George Vickers, of this town, which has been elicited in response to an application from a State official, as to the relation of the registry law to municipal elections. The question which has been raised, is, whether the municipal election in Baltimore city, occurring, as it does, on the 10th of October, and before the completion of registration for the present year, should be held under the registration of last year or that of the present year, or whether the registry law was applicable to it at all. The opinions of several eminent legal gentlemen of Baltimore had been solicited and given, eliciting a conflict of views, none of them, however, contending that the election could be conducted under the present unfinished registration, but some were of opinion that it could be held under that of last year, and others that the registry law is not applicable to it at all. Mr. Vickers argues the question very fully and ably, and shows conclusively, we think, that the election can be held under neither registration, and that the law was never intended to apply to elections of this kind. Hon. Wm. Price, City Counsellor and United States District Attorney, has given an opinion to the same effect.

RAIL ROAD MEETING.—An adjourned meeting of the subscribers to stock in the Kent County Railroad Company was held at the Court House in Chestertown, on Tuesday last, for the purpose of electing four Directors in said Company, three having been chosen at a previous meeting. The subscription book exhibited a considerable increase in the number of *shareholders* since the last meating, and quite a spirited contest took place between the parties who were supposed to represent rival interests in the location of the road. Each stockholder was limited to one vote, according to the charter, without regard to the number of shares subscribed.—Three hundred and sixty-five votes were cast, resulting in the election of William B. Wilmer, Thos. W. Eliason and Chas. Beaston, and a tie between William T. Spry and William P. Francis. Another meeting will be held on Thursday next for the election of the remaining director.

PRIMARY MEETINGS.—It will be seen by notice in another column that the voters of Kent county, friendly to the restoration policy of President Johnson and of the platform of the Philadelphia National Union Convention of the 14th of August, are requested to meet in their respective election districts on Saturday, Oct'r 6th at three o'clock, P. M., to appoint committees to meet in Chestertown on Tuesday, Oct. 9th, to nominate two candidates for the House of Delegates. We hope the the district meetings will be well attended.

SALE OF FARMS.—The farm of John M. Hudson, situated on Still Pond creek, and containing 250 acres, has been sold at private sale, by R. Hynson, Esq., his attorney, to John Stokes, for $12,000. Also, the farm of P. T. Simmons, near Rock Hall, containing 155 acres, to William J. Porter, for $11,000.

The farm, near Chestertown, containing 150 acres, recently purchased by Wm. W. Wallis of J. A. Wickes, Esq., Trustee, has been sold at private sale to Samuel Frazier at $65 per acre.

We shall meet in joy again.

In Morgan's Creek Neck, on the 19th instant, JOHN WILLIAM, son of John N. and Mary E. Edwards, aged 1 year, 11 months and 18 days.

And is my darling gone,
My precious Willie fled;
And must his lovely form
Lie mould'ring with the dead?

Oh, yes! the conflict's o'er,
