Firemen's Supper.—The supper given in Firemen's Hall on Thursday evening by the ladies of the town for the benefit of the Volunteer Fire Company, was a great success financially, and was served in most excellent style. The committee in charge and those who served the supper deserve the greatest credit for the success of the affair, and it is safe to say that 300 and more people took supper. A candy table in charge of a number of young ladies did a flourishing business, and about $250 was cleared. It is impossible to give a list of all the ladies who assisted in making the supper a success, but if you were there you know who they were. Yesterday evening the public were guests of the Fire Company at an enjoyable reception.
