Get Bigger Yields

Increase farm production." the Government cries. "Any gain is welcome, but gains produced with present farm power and help are doubly welcome."

Without adding another acre, another man, or another horse power, a Low Cloverleaf manure spreader **increases the yield from every acre on which it is properly used.** Increases amounting to $55 an acre for corn and $20 an acre for wheat are not unusual when the soil is fertilized with stable manure spread with a

Low Cloverleaf Manure Spreader

The Low Cloverleaf is a wide spreading, easy running, light draft, narrow box spreader, made in three handy sizes—small, medium and large. The wide spreading device catches the manure as it comes from the beater, breaks it up into still finer particles, and throws it out beyond the wheel tracks in a wide, even spread. This is the kind of fertilizing recommended by all the authorities.

The entire load is spread in 3 to 5 minutes. The machine runs easily and lasts a long time because the working parts are all securely fastened to a sturdy steel frame which keeps them all in place and in line.

The Low Cloverleaf spreader is backed by International Harvester reputation for quality machines. It does the work as it should be done. This year of all years you should have a good spreader and you will profit most by using a Low Cloverleaf. Immediate delivery. Place your order now.

Resolutions of Respect by Pomona Grange on Deaths of Sister Kelly and Sister Hepburn

Whereas God in His infinite wisdom has taken from among us our worthy lecturer and sister granger, Lillie D. Kelly, one to whom no effort or task was too great if it be for the good of the order, we feel that we should show our appreciation of our worthy sister.

Therefore Be It Resolved, That this Pomona Grange has lost an untiring and useful officer and an honored member, one whose great intelligence was reflected in her programs, which were always very interesting and instructive.

Resolved, That this Pomona Grange extends to the bereaved husband and relatives our sincere sympathies in their sorrow and bereavement.

CLARA L. WILLIAMS,
HALLIE USILTON,
ANNIE REDMILE,
Committee.

Whereas God in His all-wise providence has plucked from our midst our dearly beloved sister, Selina Hepburn, one whose whole life was given to the uplift of humanity, one whose lovely character and gentle influence permeated the workings of our order.

Therefore, Be It Resolved, That in her death this Pomona Grange has suffered a great loss, for her presence was an inspiration to all with whom she came in contact.

Resolved, That with sad hearts we extend to her family and relatives our sincere sympathies and express our hope that in their sorrow they forget not that every cloud has a silver lining.

"For Potato Blight, I don't think PYROX can be Beaten."

"I have used Pyrox this season against bugs and blight. It certainly does the trick with the bugs, and *for blight, I don't think Pyrox can be beaten.*"

Such is the experience of Mr. E. R. Dissinger, Campbelltown, Pa., who ends his letter by saying—"I certainly would not do without Pyrox when growing potatoes."

No Fruit or potato grower can afford to overlook Pyrox. The fact that it serves two purposes is not a mere chance—but the result of scientifically uniting powerful insecticides and fungicides—thus making the one application do the work of two.

We shall be glad to send you the Pyrox booklet, and can supply any quantity you want, in small crocks, kegs, or barrels.

After Being Relieved of Organic Trouble by Lydia E. Pinkham's Vegetable Compound.

Oregon, Ill.—"I took Lydia E. Pinkham's Vegetable Compound for an organic trouble which pulled me down until I could not put my foot to the floor and could scarcely do my work, and as I live on a small farm and raise six hundred chickens every year it made it very hard for me.

"I saw the Compound advertised in our paper, and tried it. It has restored my health so I can do all my work and I am so grateful that I am recommending it to my friends."—Mrs. D. M. ALTERS, R. R. 4, Oregon, Ill.

Only women who have suffered the tortures of such troubles and have dragged along from day to day can realize the relief which this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, brought to Mrs. Alters.

Women everywhere in Mrs. Alters' condition should profit by her recommendation, and if there are any complications write Lydia E. Pinkham's Medicine Co., Lynn, Mass., for advice. The result of their 40 years experience is at your service.
