SENATOR GORMAN SPEAKS OUT.

Senator Arthur P. Gorman, who has announced his candidacy for Governor made a strong statement on Monday in which he defined his position on questions relating to the interests of the people. Concisely stated Mr. Gorman promises.

A clean, conservative and business administration.

To favor a legalized primary which gives to everyone, regardless of his pecuniary condition, an opportunity of becoming a candidate and enabling the people freely and fully to express their choice.

Hearty sympathy with the idea of regulation of corporations rendering public service, both as a protection to the corporation and to the individual.

A more liberal policy toward the public schools and better pay for teachers.

The conservation of the natural resources of the State.

Amendment of the tax laws so as to relieve tax-payers who have unjust burdens.

Increased representation in the legislature for Baltimore city.

The improvement of State roads.

As to his platform, Mr. Gorman very strongly says:

Believing, as Ido, that no individual's wisdom or judgment is equal to the combined wisdom of the members of our party, I am willing to trust the chosen delegates to announce what the party platform shall be, and upon that platform, if nominated, I shall stand.

Mr. Gorman's record in public life is one of interest in the people's welfare. He very correctly says:

"During my public service as a State Senator I have had only one end in view—the good of the State, her people and the Democratic party, for I am a party man, believing as I do that it is the party best calculated to govern this country and that its teachings, when properly understood, make us better citizens, and during that time every measure advocated or opposed and every vote recorded have been, as I saw it, in the interest of the people.

During my two terms in the Senate I have been identified with much important legislation, and as chairman of the Finance Committee of the sessions of 1906-08 I introduced and was instrumental in having passed measures which have brought increased revenue to the State, such as the gross receipts tax, which adds $131,000 annually to the State Treasury, and the Baltimore and Ohio investigation, which added $2,590,000 to the treasury of the State.

"I have been an earnest advocate of all laws passed in the interest of labor, organized or otherwise, and have fought measures wherein their rights were jeopardized.

Senator Gorman is a firm believer in ecomony and upon this subject says:

"Every possible legislative measure along conservative lines for increasing the revenue of the State should be enacted, and I am in favor of proper economy in all expenditures of the people's money without parsimony and lowering the dignity of the State.

PROMISES CLEAN ADMINISTRATION.

"If by the grace of the Democratic party, I shall be nominated as its candidate, and if ultimately I shall be honored by the people with the election to the high office of Governor, I believe the knowledge gained by a service of eight years in the State Senate, during which time I was a member of its most important committees, and at the last session of which I was its President, will be a material aid in administering the affairs of the State, and I shall devote the best efforts and energies which I possess to give to the people a clean, careful, conservative and business administration."

BACKACHE IS A WARNING.

Chestertertown People Should Not Neglect Their Kidneys.

Backache is nature's most frequent signal of sick or weakened kidneys. To cure the pains and aches, to remove the lameness you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy. The slightest symptom of kidney trouble may be nature's warning of approaching dropsy, diabetes, or fatal Bright's disease. Doan's Kidney Pills should be used at the first sign of disorder. Doan's Kidney Pills are especially for sick kidneys—have been curing kidney trouble for over 75 years. Read Chestertown testimony.

Mrs. A. A. Sparks, High St., Chestertown, Md., says: "I have used Doan's Kidney Pills and they have given highly satisfactory results. I strongly recommenp this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
