ROCK HALL ITEMS.

The M. E. Society during the past six weeks has been v ry pleasantly situated in their public worship exercises through the kindness of the Knights of Pythias, for which they are truly grateful, never theless there is an intense longing to again worship "under their own vine and fig tree" and their Pastor, Mr. Burr has been doing a herculean work in order to appease that longing at the very earliest day possible, and tomorrow morning at 9.30 o'clock he will pull the string by which will cause the great bell to peal forth a loud hosanna and invitation to members, friends and all who will to come into the house of the Lord and "Crown him Lord of All" with praises, and thanksgiving. The interior of the church is ready for occupancy and the out side work is nearly completed. The inside walls are frescoed in stone color with appropriate bordering and trimmings. The wood work has been revarnished, the altar rail has been remodeled by lowering the rail and making an entrance to the altar and pulpit, in the centre of the rail the kneeling cushion has been replaced by one very much more convenient, the choir loft has also been remodeled and enlarged this being the work of the Pastor's own hands. The study at the left of the pulpit has been rearranged by erecting shelving for the accomodation of church and Sunday school literature, etc , the nickel lamps heretofore used have been replaced by a handsome chandelier of ten lights, the outside walls have been plastered and block lined similar to that of the Voshell House in Chestertown, and of course the belfry has been adorned with a 1000 pound bell which will ring out the time thirty minutes and five minutes, previous to the beginning of each regular service. Tomorrow will be another red letter day in the history of methodism at this place, ministers from abroad will be here, morning, afternoon and evening to assist Rev. Mr. Burr who is endeavoring with all the power at his command to make the occasion not only a "pocket stirring" but a "soul-stirring" and Holy one which shall redown to the honor and glory of God and the upbuilding and advancement of Rock Hall Methodism. Special music is in preparation for the occasion. The new hymnal together with the order of opening exercises will also be introduced. The membership and friends will gladly do their utmost for the accomodation of visitors.

One of our purse-net fishing crews fell into the clu ches of Game Warden Peters last Friday. He ordered the captain to proceed to Sparrows Point or Annapolis for trial, but the crew refused to comply and headed for the home port. Peters drew his rifle, but the crew wouldn't scare worth a cent. They reached home in due time and were tried by our magistrate, who found them guilty of violating the upper bay fish law and imposed a fine of $84.00.

As Capt. Frank Davis and crew were cruising south of Seven Foot Knoll on Wednesday of last week, during the target practice at one of the forts, and a shot from the big gun passed directly over the mast head of the vessel and was plainly seen by the fishing crew. It dropped in the bay just a short distance beyond the vessel and made the water fly fully a hundred yards or more high. The missile as it passed over them was spinning round and round with lightning rapidity. Capt. Davis says he was terribly frightened. A week previous Capt. R. J. Harrison and crew had a similar experience. There is frequent reckless shooting by Uncle Sam's men along the Patapsco. It should br stopped, as it is exceedingly dangerous to passing vessels.

The last meeting of the Odd Fellows here was a most interesting one. A spirited election contest to fill a vacancy, several select readings and special songs were among the features. Professor, you missed a good thing that time.

Last Saturday was notable for numerous chestnutting parties. Immense quantities of nuts were bagged by lots of our people.

The Rayner letter created intense interest here last week and much comment pro and con was indulged in. Presiding Elder Richardson's big (?) sermon on Sunday on the same theme was most disgusting to us all. No wonder Methodism in the Baltimore Conference bounds is retrograding. The reply to Rayner by Hon. J. W. Miles in Tuesday's Sun is the "stuff" and enlivens things considerably in this section.

Captain J. R. Downey is at Annapolis this week having the schooner Anna B. Smith hauled out and bottom cleaned, also laying in supplies for accommodation of crew preparatory to assuming position on Swan Point bar next week for the dredging season.

That Anti-Saloon League, who are they? What are they doing? The liquor league is in full operation, from all accounts and appearances. We received a letter on Tuesday detailing some of the dire results of the liquor business in these parts, with a request that the same be published in the News; but as the author failed to sign his or her name the KENT NEWS, of course, is not in a position to publish the letter.

The Maryland Dredging Co , finished the harbor and outlet improvements and departed on Wednesday. This place now has a deep and roomy harbor If the old generation would also pull up stakes and "git," doubtless the oncoming generation would have enterprise enough to have a first class steam boat line from *Rock Hall* proper to Baltimore.

The Tournament and trot held here last Saturday was under the management of Messrs. B. H. Coburn, R. A. Shallcross, Wm. Ashley, George Walbert and Herbert Wilkins, those gentlemen deserve great credit for the perfect success of the arrangements.

Washington College, 6; Delaware, 6.

Washington College and Delaware College played a tie game here Saturday, score 6 to 6. Both teams scored their touchdown in the first half, and both were made on line rushes straight down the field. The second half was played entirely in Delaware's territory, and when time was called the ball was on her 20-yard line. The teams were about equal in weight, the advantage being with Delaware. The line-up was as follows:

Washington.	*Position.*	*Delaware.*
Rasin	Right end	Josephs
Moore, White	Right tackle	Stine
McMaster	Center	Brown
White, Maddox	Left guard	Papperman, Neill
Gibson	Left tackle	Voss
Long	Left end	Hauber
Wilson	Quarterback	Pie
McGinnis (capt.)	Right halfback	Taylor
Hitch	Left halfback	Baldwin
Gill	Fullback	Ward

Umpire—Mr. Massey, of Maryland Agricultural College. Referee—Mr. Hitch, of Washington College. Linemen—For Delaware, Gibbs; for Washington, Smith. Timekeepers—For Delaware, Fulton; for Washington, Moore. Time of halves—25 minutes.

ONE of the oldest and largest white potatoes ever seen was left at the News office this week. It was grown by Mr. H. P. Smith, Worton and will have to be seen to be appreciated. Come take a look at it.

TOURNAMENT AND RACING AT ROCK HALL.

Owing to the cool afternoon, there were only about 250 people in attendance at the Rock Hall tournament and races last Saturday, Oct. 21st.

The tournament knights rode exceedingly well, especially Mr. Geo. C. Lee, of Fairlee, who took the first prize, a fine plush lap robe, and crowned Miss Anna Leary queen of honor. Mr. Lee seems to be ever ready to lead his county boys riding tournaments and gives all of his visiting opponents a hard rub to beat him. Mr. T. F. Fowler, who took second prize, a fine horse blanket, crowned Miss Susie Tremble maid of honor; and Mr. Elwood Fowler, who took third prize, a fine horse cover, crowned Miss Ella Ryan second maid of honor.

Summary of tournament:

Knight of Fairlee, George G. Lee	3 3 3
Knight of Flatlands, T. F. Fowler	2 3 3 2 2 3
Knight of Melitota, Elwood Fowler	2 3 3 2 2 2
Knight of Lankford, R. Jacquette	3 2 3 1
Knight of Rock Hall, Robert Shallcross	2 3 3 1
Knight of St. Tantum, M. F. Lee	2 2 3
Knight of Little Grove, W. Fowler	2 2 *

*Did not ride.

The horse racing was lively and exciting. There were only two heats trotted in each of the harness races on account of darkness intervening. Mr. H. Wilkins' bay horse, Prince, had an easy walk-over in the 3 40 trot or pace. He could easily have stepped better than 2.30 on a good track. Owing to the bad condition of the track slow time was made, and Messrs. John Moffett and Edw. W. Price thought best not to start Black Spider, 2.32¼, and Silver Queen. Only one little incident marred the day's sport, when Mr. B. H. Coburn's Kentworth while scoring lunged, causing one line to part, and bolting off the track wrenched one sulky wheel. No serious damage was done.

There was one running race, which was easily won by Mr. Walter Fowler's s. g. Jake, ably ridden by Mr. W. D. Miller, of Rock Hall. The afternoon's sport was concluded with a very fine oyster and fish supper, served at the Chesapeake Hotel, Mrs. Jno. L. Lewis, proprietress.

Summary of the racing:
