SATURDAY, - - - - APRIL 7, 1906

ALL Democrats should be proud of the late Democratic Legislature.

YESTERDAY was Arbor Day and special exercises were held in the schools of Kent.

PENDING the outcome of the conference in New York city between the coal presidents and President John Mitchell of the Miners' Union, the suspension of mining in the anthracite coal fields of Pennsylvania is practically complete. Of the 160,000 men and boys in the hard coal fields who are affected by the scale committee's suspension less than 1,000 are at work.

THE success of oyster culture in Maryland under the Haman law depends largely upon the Shellfish Commissioners who are to administer it. The selection of the three men who are to constitute the commission is to be made by the Board of Public Works, and the appointments should be made with the utmost care and deliberation. Kent county can furnish an able member of the commission. Let the Board of Public Works say the word and he will be produced.

A Good Legislature and Its Work.

The Legislature that ended at midnight on Monday will go down into history as one that all Marylanders may well feel proud of. It accomplished many useful and new acts. Two of the most important was the Seth-Haman oyster bill and the reduction of the State tax caused by making the B. & O. railroad pay up 2½ million dollars.

The Anders Mileage Bill, one of the measures passed, compels railroads to sell mileage tickets at 2 cents a mile. It prevents railroads from demanding a deposit of $10 for each mileage book purchased, and it also provides that the book may be used by the family and employes of the purchaser. There has been a widespread protest against the practice of certain railroads in insisting upon a deposit by each purchaser of a mileage book. If the Anders act corrects this practice in Maryland, it will work a popular reform.

In appropriating liberally for a State sanitarium for the treatment of tuberculosis, in granting an appropriation for the enlargement of the Endowood Hospital in Baltimore county, and in providing for the establishment of a camp for consumptives in the mountains of Maryland, the Legislature has displayed practical sympathy with the movement in this State to check the ravages of consumption. This movement is supported by leaders of the medical profession and by humane citizens generally. Maryland is only following in the steps of other States which make provision for the treatment of tuberculosis patients.

Other measures of importance passed by the Legislature are the Brown Forestry bill, the bill regulating the employment of child labor and the bill appropriating $90,000 for the construction of a boulevard between Washington and Baltimore along the old Washington turnpike. The Child Labor law will go into effect in October next. The Forestry bill is designed to promote the scientific study of the forest resources of Maryland and their bearing on the water supply. It should produce good results.

On the whole, the session was marked by an honest effort to regard the people's interest.

It is agreeable in this connection to recall the fact that both houses were safely democratic. In a state harboring as many ignorant and corrupt negroes as Maryland a democratic Legislature is always best.

Let us have an unbroken succession of democratic Legislatures hereafter! They have been tried and, *under the present election laws*, they are good!

Succeed Judge Brown.—At a meeting of the vestry of St. Paul's Protestant Episcopal Church, Centreville, this week Mr. Edwin H. Brown, Jr., was elected a vestryman to succeed his father, the late Judge Edwin H. Brown. At the same time Col. W. Hopper Gibson was elected junior warden, vice Judge Brown. Colonel Gibson is now the senior member of the vestry in point of service

At a meeting of the board of directors of the Queen Anne's National Bank Tuesday Mr. William J. Price was elected president to succeed Judge Brown, and Mr. Charles A. Busteed was chosen vice-president in place of Mr. Price.

Judge Crothers Presides.—Judge Austin L. Crothers, recently appointed by Governor Warfield to succeed the late Edwin H. Brown as Associate Judge of the Circuit Court for the Second Maryland District, took his seat Monday when he presided at the opening of the spring term of the Circuit Court for Caroline County. Judge Crothers seemed perfectly at ease in his new position and made a most favorable impression upon all.

THE best cure for blues is to stop thinking of yourself and begin planning happiness for others.

AMONG the bills that Gov. Warfield is holding under consideration before signing are the game law for Kent county relating to wild fowl, and that relating to fish of Kent county.

Republicans Defeat Election Bill.

The failure of the legislature to pass the new Murphy election bill was due entirely to the Republicans. Every Democrat present when the bill came up voted for it, while every Republican voted against it. The Democrats sincerely tried to make such changes in the Wilson law as public sentiment demanded but the Republicans would not let them, notwithstanding their continual cry about the bad election law.

THE election of a commissioner of Chestertown will be on Monday, April 23, 1906. There does not seem to be any great scramble for such a lucrative office.

Samuel W. Cole,
versus
Samuel Mason, Mary Mason, Mary E. Little, Joshua Little, Serena Mason, Emma Smith, ——Smith, her husband, John Mason, Alda Mason, Clarence Dare, Eugene Dare.

In the Circuit Court for Kent County, Maryland. No. 1584.

THE OBJECT of this bill is to secure a decree for the sale of the real estate of Jas. Henry Mason.

That James Henry Mason was in his life time indebted unto your orator, Samuel W. Cole, in the full and just sum of one hundred and fifteen dollars, with interest thereon from the 16th day of March, 1905, upon a certain promissory note, dated the 16th day of June, 1904, filed herewith, and marked Plaintiff's Exhibit No. 1.

That the said James Henry Mason being so indebted unto divers other persons, and having real estate of some value but no personal estate sufficient to pay his debts, departed this life some time during the year 1905, leaving no widow but the following children and grandchildren surviving him as his heirs at law: Samuel Mason, who married Mary Dorman, and both reside in Kent county, Maryland; Mary E. Mason, who married Joshua Little, and both reside in Kent county, Md.; Serena Mason, who resides in Kent county, Md.; John Mason, who married Alda ——, and are non-residents of the State of Maryland, residing in New Jersey; Emma Mason, who married a man by the name of Smith, the first name of whom is unknown, and a non-resident of the State of Maryland; and that the said James Henry Mason had one daughter by the name of Matilda Mason, now deceased, who left two illegitimate children, Clarence Dare and Eugene Dare, and both are minors under the age of twenty-one years and reside in Kent county, Maryland.

And your orator is informed and believes that the said James Henry Mason left a small and insufficient personal estate for the payment of his debts, and in order to pay the debts of your orator and others it is necessary for the said real estate to be sold, which real estate consists of a house and lot on the north side of the road leading from Millington to Smyrna, in the First Election District of Kent county, Maryland, adjoining the property of Zion Potts and others, and there is nothing else out of which your orator can secure the payment of his claim. To the end, therefore, that the said real estate of the said James Henry Mason, deceased, be sold for the payment of your orator's debt, and the other debts which may be due from the said James Henry Mason, and that your orator may have such other and further relief as his case may require.

It is, therefore, this 5th day of April, 1906, ordered that the complainant, Samuel M. Cole, by causing a copy of this order to be inserted in some newspaper printed and published in Kent county, Maryland, once in each of four successive weeks before the 7th day of May next, give notice to the said non-resident defendants, John Mason, Alda Mason, Emma Smith and ——Smith, her husband, of the object and substance of this bill, and warning them to appear in this court in person or by solicitor on or before the 26th day of May next to show cause, if any they have, why a decree ought not to be passed as prayed.

James Clark,
versus
Nicholas Cann, Heneter Desheals, Glany Cann, George Clark, Thomas Clark, Adda Clark, Sarah Clark, John Clark, Alfred Clark.

In the Circuit Court for Kent County, Maryland, in Equity No. 1583.

THE OBJECT of this bill is to procure a decree for the sale of the real estate of Mary Cann, late of Kent county, deceased, and to divide the proceeds among the heirs at law.

The bill states that Mary Cann departed this life about the year 1901, and was in her lifetime seized and possessed of a certain tract of land situated on the west side of the public road leading from Hanesville to Worton Point in the Third Election District of Kent county, and containing four acres of land, more or less, which was conveyed to the said Mary Cann by deed from Wilbur Stephens about the year 1884.

And the bill states that the said Mary Cann died intestate, leaving the following children, namely: Nicholas Cann, Heneter Desheals, Glany Cann, and the children of her daughter, Susan Clark, namely: James Clark, Thomas Clark, Adda Clark, Sarah Clark, John Clark and Alfred Clark. Nicholas Cann is single, and Heneter Desheals' husband is dead, and Glany Cann is single.

And that the said Susan Clark intermarried with one James Clark, and they are both dead, and left the following children, namely: Your orator, James Clark, George Clark, Thomas Clark, Adda Clark, Sarah Clark, John Clark and Alfred Clark.

And that the said Heneter Desheals and Glany Cann reside in Baltimore city, and that the said Nicholas Cann, George Clark, Thomas Clark, Adda Clark, Sarah Clark, John Clark and Alfred Clark are non residents of the State of Maryland; and that the said George Clark, Thomas Clark, Adda Clark and Sarah Clark are minors and under the age of twenty one years.

And the bill states that the said real estate is not susceptible of division among the parties entitled without loss and injury, and that some of the heirs being infants, your orator is advised he cannot have a valid sale without the intervention of this honorable court.

It is, therefore, this 5th day of April, 1906, ordered by the Circuit Court for Kent county, in Equity, that the plaintiff, by causing a copy of this order to be inserted in some newspaper published in Kent county once in each of four successive weeks before the 7th day of May, giving notice to Nicholas Cann, George Clark, Thomas Clark, Adda Clark, Sarah Clark, John Clark and Alfred Clark, non resident defendants, of the object and substance of this bill, and warning them to appear in this court in person or by solicitor on or before the 26th day of May next, to show cause, if any they have, why a decree ought not to be passed as prayed.

FARMERS, BE SURE TO PLANT WHITE CORN! White Corn will be in great demand in Baltimore next fall, because the Baltimore Pearl Hominy Co., which was burned out in the fire of 1904, is rebuilding, and will have one of the largest and finest plants in the United States. This WILL REQUIRE 15,000 BUSHELS OF WHITE CORN EVERY DAY. Therefore, it will be far more profitable for farmers to plant WHITE corn, rather than the yellow or mixed kinds. PLANT WHITE CORN.
