GOLDSBOROUGH CANDIDATE OF ONE BOSS.

J. S. B. writing in the Monday Baltimore Sun says:-

TO THE EDITOR OF THE SUN—Sir: Upon what sound, logical reasons can the Republican party assail Senator Gorman as the candidate of "Bosses" and ask the Independents to support Mr. Goldsborough as an "anti-boss" candidate, pure, free and immaculate from the polluting touches of any machine or any boss?

Is there one intelligent independent voter in Maryland who can truthfully say that Phillips Lee Goldsborough is not the candidate of a solid Republican machine organization, selected by the acknowledged, undisputed "boss and dictator of the Republican party of Maryland, the Hon. William F. Stone, Collector of the Port of Baltimore? Will anyone assert that the Republicans were called together in the several counties of the State or even the city of Baltimore and consulted as to their preference for the Gubernatorial nomination? Were not several prominent, ambitious, eminently qualified men, such as Messrs. Baetjer, Gaithers and Williams, spoken of as candidates for chief executive of the State? Did Mr. Stone freely and fully consult the advocates of these gentlemen as to the expediency of this nomination?

Mr. Stone said to the Republicans of Maryland: "I have selected the Hon. Phillips Lee Goldsborough as the candidate of our party for Governor. I will not even consider the candidacy of any other parties. I will not consent that even a primary shall be held to ascertain the wishes of the common people as to who shall lead us in the coming contest, but I will decide the question myself. In fact I have decided it. I know it all and Phillips Lee Goldsborough shall be the candidate.

Conceded that Senator Gorman was selected by what the Republicans call the "Democratic quartet of bosses"—Messrs. Smith, Mahon, Padgett and Kelly—would not the selection of four men appeal more strongly to the independent voters than the selection of one man, one "boss?"

Therefore, for the sake of consistency, for the love of truth, the Republican party's stump orators must abandon the appeal to the independent voter to leave his party and vote for a Republican candidate because one is the candidatee of the whole party, fully, freely and fairly selected, while the other is the choicce of "a quartet of bosses," or he must confess to holding the independents of Maryland to be a class of ignorant asses, wholly unfamiliar with the political history of the two parties, willing and anxious to "jump from the frying pan into the fire."

There is a grave responsibility resting upon the shoulders of the Democrats and independents. Upon the eve of a Presidential election, with the most brilliant prospects for a Democratic President, they should not commit political suicide. While there are neccessary reforms which should be and will be made by our party, let us do our "own housecleaning."

Let us trust to the guiding patriotic hand of Woodrow Wilson and other true and tried democrats, and not commit Maryland to the hands of the advocates of negro franchise and the dictatorship of the Hon. William F. Stone, who is as dictatorial as Roosevelt and who will leave no stone unturned to give the vote of Maryland to the renomination and reelection of President Taft.

Vote to keep Maryland in line for Woodrow Wilson and for the sake of consistency do not say "I will vote against Gorman because he is the candidate of "bosses" and vote for Goldsborough because he is the choice of the Republican party. J. S. B.

Freeland, Md., Sept. 15.

The Eastern Shore Sunday School Convention.

The Semi-State Sunday School Convention at Easton, Sept. 27-28 promises to be successful. Specialists of the modern and fruitful Sunday School will be there. Mrs. J. Woodridge Barnes, New York, chairman of the New Graded Lesson Committee, Rev. C. A. Oliver, D. D., State Superintendent Teacher Training of Pennsylvania Sunday School Association, as well as a strong staff of State workers who are doing up-to-date work in their local school and can speak out of the fullnes of their hearts from personal experience.

Wednesday evening, Sept. 27th, at 7 o'clock a large parade of men representing the Organized Bible Classes of the Eastern Shore will be in line. Those to be represented are the classes of Easton, Cambridge, Salisbury, East New Market, Secretary and others. All the Bible Classes of the shore are invited to join this great demonstration and lend to its enthusiasm and influence—more than one hundred delegates are already registered at the Easton headquarters. Every delegate and speaker is requested to be on hand at the opening session, 10:00 A. M., Sept. 27th.

DON'T TURN STATE.

Senator Blair Lee in a ringing speech in Frederick last Saturday night in behalf of the candidacy of Senator Arthur P. Gorman very strikingly said:

"The Republican party found it impossible to hold a primary, and that fact should convince the people of the State that that party is not a party of progress and action. The people, he insisted, should not turn the State over to such a party. He predicted a victory by a large majority."
