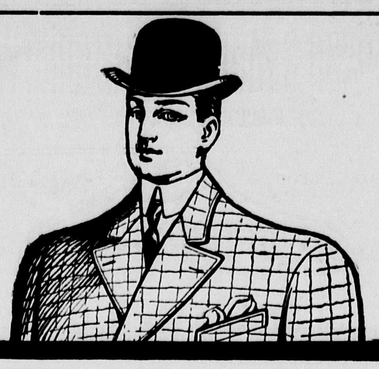
MOODY & LUSBY | MOODY & LUSBY



INTERNATIONAL TAILORING STANDS HEAD AND SHOULDERS ABOVE EVERY OTHER KIND

The wearer of MOODY & LUSBY CLOTHES always stands out from his fellow men, his style is faultless his fit perfect, his appearance smart and swagger. Yet his dress costs him no more than if he wore the ill fitting, poorly made kind.

Our Spring Suits

Hats and Haberdashery

are all ready for you.

The new styles are very handsome—more attractive than usual, we think—and you know from long trading here that this store always gives its patrons the best at fair and satisfactory prices.

The Shapes Are Such That Most Any Man Can Be Perfectly Fitted Here

as the Lord made some men slimmer than they really ought to be, or taller, or shorter, or stouter, or both slimmer and taller, slimmer and shorter, stouter and taller, or shorter and stouter. Nevertheless the man who's built in an unusal sort of way doesn't feel like accepting his proportions as an excuse for ill-fitting garments.

Come In And Let Us Show You How We Can Fit You

and the cost will be an agreeable surprise for our large output enables us to submit prices materially under smaller dealers. EVERY PIECE OF MERCHANDISE IN OUR ESTABLISHMENT IS MARKED IN PLAIN FIGURES, which makes trading here very satisfactory and an assurance of no partiality. Come look the line over while the assortment is complete.

MOODY & LUSBY

Directly Opp. Court House, CHESTERTOWN, MD.

LIVE LOCAL NOTES

Mr. Howard Clendaniel has formed a partnership with Mr. Richard Haggerty in the management of the creamery now being run in Kennedyville by Mr. H. These are two live young men and mean to make a success of making butter.

Another new home is to be erected on the Quaker Neck road by Mr. Clarence Coleman who has purchased a lot of Mr. W. W. Hubbard. He will probably build a brick residence.

Two boat loads of lumber have been landed at Chestertown for W. S. & A. M. Culp this week.

Several new launches are being built at foot of Cannon street. Mr. Louis Stam has a beauty nearly completed while Mr. Wilbur Eliason, Jr., will put one overboard in a few days Chestertown's fleet of gasoline launches is growing rapidly.

Shot In Face.—Randolph Waddell and Samuel Clark, two boys 13 years of age, went out shooting frogs Tuesday and Randolph got part of a load of shot in his face. About forty small pepper shots were imbedded in his face. It seems that Sam discharged the gun accidentally while pointing it toward his companion. The doctor thinks the shot will gradually work toward the surface and be removed later without much difficulty.

Sale of House.--The Grover H. Greenwood house on Cross street, advertised in the News, was sold at public sale Tuesday to Mrs. J. D. Kemp for $35. There were other claims amounting to $300 against the property.

Mr. J. H. Sides has sold his dwelling on Queen street to Mr. Charles N. Satterfield for $1900.

H. H. Barroll, Esq., has sold to Mr. Robert J. McWhorter the Westcott lot for $500.

A Valuable Horse.—A company of representative farmers have purchased a handsome Belguim coach stallion for $3000 and will give the lovers of fine stock an opportunity to improve their strains. This big animal weighs 1980 pounds, among the stockholders being Messrs. Wm. T. Nicholson, George T. Hudson, Joseph E. Watson, W. J. Tarbutton, Mahlon Lee, H. C. Willis, Jesse H. Usilton, James Willis, W. E. Jarrell and others.

Officers Elected.—The Pine Tree Fox Hunting Club have elected the following officers: President, Chas. E. McKee; secretary, R. Oscar Roe; treasurer, Cooper Tarbutton; master of hounds, Jas. Williams. The medal was awarded Chas. E. McKee's dog "Tempest."

Fine I. O. O. F. Celebration.—The I. O. O. F., of Galena, celebrated the anniversary of the order in grand style at their hall on Wednesday, April 25. A splendid entertainment was arranged by the members assisted by the ladies. The musical program was in charge of Mr. W. T. Hague assisted by the Kennedyville M. P. Choir. A solo by Miss Anna Hayes was especially good. Messrs. Henry Parr, Tilghman Shafer and W. T. Hague spoke on Friendship, Love and Truth, respectively. About 125 were present. Refreshments were served in abundance. The meeting was opened by Rev. Mr. Smoot and closed by Rev. A. P. Prettyman.

Western Maryland Won.—The contest in oratory held in Stam's Hall last Friday evening was won by George E. Bevans, Jr., of Pocomoke City, who represented Western Maryland College. His address was masterly and his manner pleasing. Second honors went to L. F. Zerkel, of Luray, Va., who represented the Maryland Agricultural College. Western Maryland College has won first place six times, viz, 1899, 1900, 1902, 1904, 1905, 1906, and speaks volumes for that school. The meeting next year will be held at Westminster. A pleasing feature of the contest was the singing by the Normal department under Miss Townsend's direction and music by the Mandolin Club lead by Mr. Kemp Bordley.

Rock Hall Wins.—The spelling bee arranged by Examiner Melvin between the 8th grades of Rock Hall and Chestertown public schools resulted in a victory for Rock Hall by 1-35th of one per cent. Rock Hall's highest average was 98, lowest 46; Chestertown's highest was 96, lowest 64. The following is a list of words submitted by Examiner Melvin: mercury, prairie, exquisite, diligence, desuetude, parliament, nuisance, illuminated, discern, nectarine, veracity, capacity, purveyor, simplicity, phosphorescent, separate, syllable, panegyric, intellectual, lithe, stanchion, lichen, flageolet, chromatic, adventurously, wholesomest, veterinary, courteous, caprices, colloquy, recollect, maintenance, picturesque, spinach, construe, precipices, endeavor, obstacles, solicited, embarassed, raiment, quoits, courageous, incisory, pomegranate, taxidermist, admissible, alienable, eligibility, symbol.

Flag Festival.—The ladies of the M. E. church, Chestertown, will hold a flag festival in Stam's Hall next Wednesday, Thursday & Friday evenings. The ladies having in charge the booth representing Switzerland will conduct a Baby Show Thursday afternoon from 2.30 to 4.30. Children under three years of age, solicited from town and surrounding community. Prizes will be given for largest, smallest, happiest, to be determined by vote of those present. Admission 10 cents Baby and attendant admitted free.

Various countries will be represented by booths bearing the flag of the country and having for sale articles which indicate some leading industry of the country portrayed. These booths will be bowers of beauty, the decorations of one being valued at one hundred dollars loaned for the occasion by Hutzler Bros., of Baltimore. Each evening an entertainment will be given.

The Baltimore Herald of Tuesday says: "A half dozen innocent looking, sleepy-eyed cows, at 1.45 o'clock this afternoon, sent a number of women on their way to the Chester River boat's wharf tumbling into the state tobacco warehouses for safety. Three ladies from Chestertown rushed into the big warehouse and concealed themselves behind hogsheads of tobacco until they thought the danger point had been passed. They finally broke coyer and with fear and trembling sought refuge on the Emma Ford, for Chestertown, just as the boat was ready to leave her wharf." Why didn't you go to their rescue, Charlie?

Crane & Kibler, Chestertown, want 20,000 pounds of wool. See them before you sell and get the highest cash price.

Farmers' Meeting.—The Still Pond Farmer's Club met at the home of Mr. and Mrs. Tilghman Shafer, Kennedyville, last Thursday. Among those present were: Mr. and Mrs. Jas. S. Harris, Mr. and Mrs. W. D. Pennington, Mr. and Mrs. E. B. Pennington, Mr. and Mrs. A. S. Crawford, Mr. and Mrs. Carson Harris, Capt. and Mrs. Daniel Hill, Mr. and Mrs. R. R. Hill, Mr. and Mrs. Will Bonwill, Mr. and Mrs. J. E. Jarrell, Mr. and Mrs. T. E. Crew, Mrs. George Sutton, Mrs. Wm. Hague, Miss Elizabeth Pennington, and Mr. Walter Harris. The next meeting of the Club will be held at the home of Mr. Carson Harris the last of May. The Club is considering a trip to Luray Caverns sometime soon. It was decided that the time to set ducks is when the signs are in the head rather than in the feet. Mrs. Jos. R. Usilton says that her ducks always remain at home when this rule is observed. Mr. T. E. W. Crew asked when was the proper time to set hens and to shear sheep and it was agreed on the light of the moon!

New Order.—Friendship Lodge No. 189 of Chestertown, the Modern Brotherhood of America, was organized last week by Mr. E. H. Gunby, state organizer. The following officers were installed: Worthy President, John C. Davis; worthy vice president, Harry K. Graham; worthy secretary, Sidney P Townshend; worthy treasurer, W. A Carroll; worthy physician, H. Benge Simmons; worthy chaplain, W. Harry Lambert; worthy conductor, M. E. Newsome; worthy watchman, W. T. H Whiteley; worthy sentry, R. Groome Parks; trustees, Jacob F. Thompson, William M. Culp, George W. McWhorter. The lodge has about 30 charter members and starts out with a bright future in prospect.

Lilacs in Market.—The biggest kind of trade in lilacs has this year sprung up in sections of the Eastern Shore. Barrels and boxes of the fragrant blossoms were sent to market last week from points in Kent, Queen Anne and some of the lower Eastern Shore counties. Though the purple blossoms were most numerous, some of the shipments were of the big, snowy white kind that are peculiarly fragrant and beautiful.

"Dad blast it, if there ain't all kinds of ways of makin' a livin' these days!" said a farmer, who watched the flowers being unloaded from the steamers. "Away back there in the forties father and the old lady, mother, I mean, had a row of them things planted from the house to the barn. There was thousands of bushels, but who wanted a great lot of lilac flowers. It ain't so now it seems. In these new fandangled days the old countryman kin sell anything if he only knows how to get 'em into market at the right time.

Dr. Harry G. Simpers was unanimously re-elected health officer.

Dr. H L. Dodd was unanimously re-elected physician to jail.

Mr. Enoch Latham was appointed wharf master at Chestertown.

Land Values.—Mrs. George H. Hazell formerly of Kent, sends the following interesting figures relating to land values in the neighborhood of her home in Colorado. She says Mr. Hazell bought a tract well set in trees in December for $150 per acre and Mr. Chas. Burg last week bought 40 acres, raw land, for $150 per acre.

The 20 acre tract just north of Clifton station is for sale for $7000. It is a splendid sandy soil, level, and has a good stand of Elbertas sat last spring.

Of raw land, there is a tract of 40 acres southeast of Mr. Whitley's offered at $150 per acre. I heard to day that a tract still further south in harder soil had been sold at that price.

There is a 20 acre tract 80 rods north of that road and about north of the Garfield school, nearly all under ditch, raw land but fine soil, offered at $3000.

Another tract of 20 acres, 3½ miles west of Palisade, set to trees, nearly all Elbertas, is offered for $6000, and the same man has 10 acres just northeast of Mrs. Russell, raw land, at $2500.

Does Your Heart Beat

Yes. 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood is good health; bad blood, bad health. And you know precisely what to take for bad blood—Ayer's Sarsaparilla. Doctors have endorsed it for 60 years.

One frequent cause of bad blood is a sluggish liver. This produces constipation. Poisonous substances are then absorbed into the blood. Keep the bowels open with Ayer's Pills.
