FOURTH LIBERTY LOAN CAMPAIGN

An Air Ship Likely To Visit Kent County During The Campaign.

The campaign for the Fourth Liberty Loan begins September 28 and closes October 19. While the amount has not yet been announced, it is largely conceded it will be for either five or six billions a larger amount than any of the preceding loans. This means about $500,00 for Kent. The American people, therefore, are called upon to raise a larger sum of money in a shorter length of time than ever before. There is need, therefore, for prompt action—prompt and efficient work and liberal subscriptions.

We have a great inspiration for a great effort. The news from the battle front inspires every American heart, not only with pride and patriotism but with a great incentive to do his or her part. There is no shriking, no shifting of the individual burden, no selfishness by the American soldiers in France; there should be none here. We are both supporting the same country and the same cause—our Army in one way, ourselves in another. Theirs is the harder part, but at least we can do our part as promptly and loyally and efficiently as they do theirs.

Plans For Campaign.

At the call of Allan A. Harris, County Chairman, about fifty enthusiastic Liberty Loan workers gathered at the Eastern Shore Inn on Monday evening and effected preliminary organization for the approaching campaign. The following committees were appointed:

PROGRAM FOR THE CONSERVATION OF TELEPHONE SERVICE

AUGUST 15, 1918, the Postmaster General issued an order to all telephone companies "to confine extensions and betterments to imperative and unavoidable work to meet war requirements and the vital commercial needs of the country."

ALL COMPANIES were directed to "adopt and enforce such rules and regulations as may be necessary and proper to accomplish this result because of the difficulties incident to war conditions of securing adequate supplies, labor and transportation."

IN COMPLIANCE with this order, this company will undertake to provide service as promptly as conditions will permit for essential war work and vital commercial needs.

WHERE IT IS NOT OBVIOUS that applicants for service fall within these classes, evidence will be required that the service requested is of such importance in war production work or is of such vital commercial necessity as to warrant service being established.

POSSESSION of government contracts, priority shipping privileges or a letter or other form of advice from the chief of a government department certifying to the necessity for the establishment of service, will be accepted as evidence.

NO APPLICATIONS for service except those permitted under the order of the Postmaster General will be accepted.

IN VIEW OF CONDITIONS brought about by the war, it is particularly desirable that telephone service be conserved in every possible way for use by the government and essential war industries and activities.

YOUR COOPERATION WILL BE OF GREAT HELP TO THIS COMPANY IN COMPLYING WITH THE ORDER OF THE POSTMASTER GENERAL.
