DEMOCRATIC MASS MEETING

A Democratic Mass Meeting will be held IN CHESTERTOWN

FRIDAY, Oct. 20, 1911.

The State candidates,

HON. ARTHUR P. GORMAN,
EMERSON C. HARRINGTON,
EDGAR ALLEN POE

and other speakers, will be present. Speaking in the afternoon at 3, and in the evening at 7.30.

A BRASS BAND will be in attendance.

SENATOR GORMAN and the other Democratic candidates have been making splendid impressions with the voters of Southern Maryland this week, and their speeches have done much to discredit the arguments of the Republican spellbinders.

THE Democrats who had charge of the registration are to be congratulated upon the very effective work they have done in getting names on and off the books. Everybody worked as if he meant business, and the result is most gratifying to the Democrats.

YOU should not forget the big Democratic mass meeting to be held in Chestertown next Friday afternoon and evening. Senator Gorman and the other Democratic candidates on the State ticket will be here and address the meetings, and they should receive a rousing reception. The State Central Committee is arranging for a big time, and it has secured a full brass band for the occasion.

THIS is house-cleaning time and the Democrats are giving the "old house" a thorough overhauling and cleaning, while the Republicans are still walking over the same old dirty carpets and stirring up the dust of political memories of 1896 and 1898. Most men like a good, clean house, and that's what you will get if you help elect the Democratic ticket on November 7th.

WE shall shortly begin a series of articles bearing upon a recent visit to the mountains of Pennsylvania, what we saw, and observed of that picturesque country, the methods of farming, the crops, and the question of labor as contrasted with the methods of farming and the employment of labor on the Eastern Shore. We propose to make these articles short, to the point and interesting and, we trust, helpful to our readers.

MR. WALTER R. TOWNSHEND, reading clerk of the Maryland Legislature, and one of the most prominent and popular Democrats in the State, died at his apartments in the Rochambeau, Baltimore, on Sunday night, of acute indigestion. Mr. Townshend was a native of Baltimore county, and for years had been one of the county's leading Democrats. He had more to do with shaping legislation at Annapolis, possibly, than any one man save the governor, and for this reason his influence was powerful.

"No man can say or will ever be able to say that I broke my word or my promise or that I failed to keep faith, or that I wore any man's collar or that I failed to say where I stood or that I failed to do what I said I would do"—A. P. Gorman, Democratic candidate for Governor.

IF YOU are convinced that Republican election officials under the domination of the Republican machine are equally as guilty of fraud and trickery as Democratic officials, will you please tell us what good reason you have for voting for Goldsborough, who owes his political prominence to his bossism of the black voters of his native county, Dorchester, and who is absolutely the nominee of a political machine instead of the choice of the people in a regular primary? The people in nominating Goldsborough had just about as much show as they have to prevent the high cost of living against the tariff barons who are protected and allowed to oppress the people by the same party whose candidate for Governor Mr. Goldsborough is.

THE VERY first Republican ballot box that was opened by the grand jury in Baltimore, showed evidence of fraud and led to the arrest of the election officials among whom was one of the Republican candidates for the Legislature. And yet Mr. Goldsborough is holding up his hands in holy horror at the evidences of Democratic trickery, trying to impress the voters of the State that the only remedy to cure Democratic ills is to vote the Republican ticket. Now don't be fooled. When you vote the Republican ticket, you not only get the political tricksters, but you register a vote for negro political equality. You give the negro political equality and he will assume his social equality, and your vote in this election, if it be a Republican vote, will assist in bringing upon this State one of the greatest dangers of modern times—the negro's belief that he is your social and political equal. This is the issue for which Goldsborough stands, to which must be added equally as much guilt of fraud and trickery as the grand jury in Baltimore is finding in Democrat ballot boxes. Now vote the Republican ticket, and you will play the mischief in bettering political and social conditions, wont you?

COURT OF APPEALS DECISION.

The decision of the Court of Appeals in the case of Foxwell vs. Beck, rendered last Friday makes it impossible under the Lee Primary Law to open the ballot boxes, except upon criminal proceedure before the grand jury. The decision of the highest authority in the State makes a perfect farce of the law now governing the holding of primary contests, and unless the legislature is compelled by popular demand to so amend the present law as to provide for a recounting of all ballots cast in a primary contest without the necessity of recourse to criminal proceedure, it will be just as easy to continue the practice of trickery and fraud in a primary as it was in the past primary contest. Nobody wants to resort to criminal proceedure in a case of this kind to obtain his just rights. No one wants to fill our jails with unscrupulous and corrupt election officials, but there should be a means provided in every contest whereby the truth which the ballot boxes alone hold safe may be ascertained. This decision of the Court of Appeals makes it absolutely necessary for the next Legislature to so amend the Lee Primary Law as to provide for a recount all the ballots where any candidate expresses his willingness to defray the cost of a recount. Apply the provisions of the Massachuetts primary law to the Maryland law and every man's rights and interests will be protected at the polls.

Betterton Notes.

Mrs. Wm. B. Wheeler and children have returned from Wilmington, where they have been visiting Mr. Wheeler, who is employed on Mr. Du Pont's yacht.

Mrs. G. W. Moore is at the bedside of her daughter-in-law, who has been very sick, but at this writing is little improved.

Mr. Waters Russell was in town Tuesday looking after business.

Mr. James T. Crew has improved one of his cottages with a bay window, and expects to occupy same during the winter as the hotel is too large.

Some of our boys attended the Millington school festival and report having enjoyed themselves very much.

Our teachers held a festival on the same evening, and the crowd being large they felt well paid for their trouble, and it was some trouble. Mr. and Mrs. Owens opened the Chesapeake house to them, also assisted them in every way possible, which we know they appreciated.

Mrs. James Sutton and son spent part of last week in Annapolis with her sister, Mrs. Linthicum.

Mr. Wm. H. Crew, who recently purchased of Mr. Crownhart, the Ericsson hotel, is having considerable work done, as Mr. Crew expects to move in town soon and occupy the property.

Our stores are getting ready for the fall opening. Come and look over their fresh and up-to-date goods. They are worth looking over, if you don't want to purchase.
