Foot Ball Season Opens.

The foot ball season opened at Washington College last Saturday, the fast team from Rock Hill College being the opponents of the W. C. eleven. Washington held the visitors to a 0 to 0 score. The game was played on a wet and soggy field, and for this reason only straight foot ball was possible. Neither team showed any trick formations, but there were a number of fast and snappy plays. Fuccy, captain of Rock Hill, punted beautifully and seemed to be the whole show, while Strong, Branham and Porter tore through the Rock Hill line for long gains. The line-up was as follows:

WASHINGTON.	POSITION.	ROCK HILL.
Long	C	Gately
Davis	R. G	Newland
Meredith	L. G	Schail
Wilkinson	R. T	Collins, Connelly
Jones	L. T	Long
Ciminera	R. E	Fink, Corbett
Garrett	L. E	Staley
Meekins, Porter	Q. B	Fucey (capt.)
Branham	R. H	Mueller
Strong, Biddle	L. H	Hopkins
Porter (capt.), Strong	F. B	Taliaferro

Time of periods—Ten minutes. Official referee—Sailor. Umpire—Bosley. Head linesman—Kibler.

Manager I. F. Huey has arranged the following schedule of games for the season:

Oct. 14—Mt. St. Mary's at Emmitsburg.
Oct. 21—Delware at Newark.
Oct. 28—Stevens' Institute at Chestertown.
Nov. 4—Open.
Nov. 11—M. A. C. at Chestertown.
Nov. 18—Gallaudet at Washington, D. C.
Nov. 25—St. John's at Baltimore.

New Castle Presbytery.

The eighty-third stated meeting of the Presbytery of New Castle was held in Red Clay Creek Church, near Brandywine Springs, last week. Rev. William Crawford, of Port Deposit, was chosen Moderator. Temporary committees were appointed. The committee on education reported that contributions from the church at large during the year totalled $147,572 from 5,085 congregations, an increase of 86 churches over last year. The total offerings in New Castle Presbytery for the year were $486 56 against $585.97 last year. The report on college work showed that delegates were attending 58 colleges and 7 academies. During the year the general contributions for this work totalled $166,145, and the New Castle Presbytery's $395. Several overtures were received from the General Assembly, Rev. Julius Herold, the retiring moderator preached at the night session.

At Wednesday's session the Presbytery rejected the overture of the General Assembly proposing biennial instead of annual sessions of the latter body. The overtures providing for a permanent committee on the filling of vacant pulpits and that the name of any person baptized be mentioned during the service were both ratified. The trustees of the Presbytery were authorized to secure a State charter at Dover enabling them to acquire, sell and hold property. A discussion of evangelistic work was had, many pastors holding that advertising of special services and evangelistic work was not in accordance with the plan of the church. The Presbytery's treasurer reported a balance for last year of $85.52. Receipts this year $970.39, and a present balance of $81.45.

This Year's Corn Crop.

The crop report of the United States Department of Agriculture which is the only reliable and unbiased report for farmers to follow has this to say about this years corn crop:-

As to corn, the prospect has improved during the past thirty days. Late corn has come on wonderfully and the government estimates indicate a crop of 2,800,000,000 bushels, which, though something less than the phenomenal yield of last year, is 200,000,000 bushels greater than the ten-year average. Concerning the corn crop as the basis of national prosperity, the Wall Street Journal remarks: "The corn crop is the American farmers' principal fund of working capital. So much is this the case that hardly a third of it is ever shipped out of the country. It is the corn crop that enables the United States to maintain a meat cattle herd as large as that of all Europe north of the Alps and excluding Russia.

The wheat yield of the present year is up to the ten-year average; the yields of cotton and corn are far above that average. A 14,000,000-bale cotton crop, at ten cents per pound, foots up $700,000,000. A 2,800,000,000 corn crop, at sixty cents the bushel, foots up $1,680,000,000. Then there are the wheat, oats, hay, butter, eggs, poultry, cattle, pork and a score of other farm commodities.
