SATURDAY, - NOVEMBER 10, 1906

DELAWARE went Republican by about 2,000. Mr. Edward Hall, Democrat, was elected State Senator from New Castle County.

CECIL COUNTY voted against license by 205 votes. This shows a healthy public sentiment against the nefarious drink traffic Congratulations.

THE colored man loves to vote and will make any sacrifice to get to the polls. Isn't this fact enough to make the stay-at-homes feel ashamed?

HEARST was defeated but he gave the "Plunderbunds" such a scare that they are nearly out of breath. The reforms he advocated must come and if Hughes does not see to it, then two years hence Mr. Hearst or some other man will be elected who will attend to it.

THE great interest taken in the New York election by the wealthy was shown by the fact that nearly the entire "silk stoking" vote was cast by one o'clock. The majority of the voters went to the polling places in automobiles. John D. Rockfeller voted at 8.20 o'clock.

THE Republicans openly and flagrantly bought votes in Wicomico Tuesday and thus broke the agreement made with the Democrats not to use money. The Democrats there challenge the Jacksonites to show that in a single instance they bought a vote. There were 1100 who failed to vote in that county.

THOMAS IRELAND ELLIOT, ESQ., was elected judge in Baltimore Tuesday over his Democratic opponent, Wheatley, by 726. Mr. Elliott is well and favorably known in Chestertown having married the daughter of H. W. Vickers, Esq, and frequently visits here. He is a man of ability and will no doubt grace the bench.

Election in Kent

Tuesday, election day, passed off quietly in Kent. The colored men and women held a jollification meeting in Santiago at night and the hymn which Jackson gave out was sung with a vim. The colored voters as usual turned out solid and again gave the white people a lesson in fealty. Messrs. Wilbur Eliason, S. P. Townshend and D. B. McMenamin have been in charge of the campaign in Kent and to them belong the credit for the correct voting by the colored army of voters.

The lack of interest taken in this contest by the white voters is evidenced by the shortage in the vote. Worton went back on its record this time due in a measure to the seventy or more whites who failed to vote. Rock Hall district also disappointed the Democrats, due in a large measure to the hundred or more white people who failed to vote Thus it went all over Kent, the white vote being about 1000 short of registration. This fact together with the enormous campaign fund given out by Jackson gave the county to the Republicans.

The Democrats worked nobly to save old Kent but failed because of the great odds against them. It will be different next year.

There were 1165 persons in Kent county who failed to go to the polls to vote on Tuesday last. One fourth of the total registered vote.

The Democratic vote was 121 short of what it was two years ago and the Republican vote was short just 12 votes.

The Prohibition vote has increased nearly 50 per cent. over that of two years ago.

The colored folks engaged in a melee at Kennedyville in which one man was arrested for carrying a razor and he in turn charged two others with selling him liquor.

IN PULPIT AND PEW.

[Ministers and other church workers are invited to send us brief, snappy accounts of interest to readers of this column, keeping within the limits of a single paragraph. When notices are too long they will be scaled down to meet the requirements of space.]

The Christian Workers service at Christ Church was lead by Miss Fannie Baker Sunday evening. Special features were a beautiful recitation by Miss Bessie Wheatley, solo by Mrs. Mamie Dodd and quartette by Mrs. Horace Reed, Mrs. Harvey Boggs, Messrs. Usilton and Hague.

Chesterville Sunday school, J. H. Kuhlmann, pastor, will hold its annual Missionary Rally Nov. 11, at 11 a. m. The exercises will consist of songs and recitations. The public is cordially invited.

Revival services which have been in progress this week at Kennedyville will continue every night next week at 7 p. m. The pastor expects to have the assistance of Rev. J. M. Sheridan next week.

The annual World's Temperance Sunday occurs November 25th.

Revival services which have been in progress in St. James M. P. Church will be continued Sunday 11 A. M. and 7 P. M. The meetings have been well attended and much interest manifested. Public cordially invited to attend.

Another full and uplifting day at Christ M. P. Church. An experience meeting at 9.30 a. m. Pulpit theme, at 10.30 a. m., At the Bar of God; at 7.30 p. m., The Touch of the Master. Sunday school topic at 2.30 p. m., Jesus in Gethsemane. The Christian Workers' Song Hour, 6 45 p. m. Special Music at all services. Be there.

THERE are fourteen thousand colored voters in this Congressional district. Jackson's total vote was 18 110. How many white voters "endorsed" him? TOM SMITH is shown to be the choice and representative of the white people of this district by about ten thousand majority.

THE Diamond State Telephone Co. are to be congratulated upon the excellent service rendered to the public election night by opening their lines for the transmission of election news. Miss Caddie Nickerson and Messrs. Nichols and Connelly were on duty and did good service.

AT a special meeting of the board of directors of the Pennsylvania Railroad Company, held Wednesday, an increase of 10 per cent. in the wages of all permanent employes of the company now receiving less than $200 a month was ordered. The increase takes effect December 1, 1906, and applies to all lines of the Pennsylvania system, both east and west of Pittsburg. This means that $12,000,000 will be divided among 165,000 men, of whom Kent county furnishes a small part.

PIERCE & BOLTON, of Galena, are headquarters for country produce and their stock of rubber boots, shoes, dry goods and groceries are up-to-date. Give this firm a call.
