KENT COUNTY NEARS COVETED GOAL

Returns Slow Coming In From County Districts — Chestertown Goes Over The Top—The Children In Schools Catch The Vision And Give Liberally.

$1,500 NEEDED TO MAKE UP THE BALANCE.

The United War Work Campaign in Kent has been waged under difficulties but the covetted goal seems to be nearly reached. Those in charge have left nothing undone to keep old Kent's record for liberality and patriotism unsullied and the results accomplished have been very gratifying. Some sections have not responded as was expected but a few more days have been allowed for them to do their part in this important service to our boys

On Sunday at the Rock Hall M. E. Church a party from Chestertown consisting of Hon. J. A. Pearce, F. G. Usilton, Arlington L. Sparks, J. Hydie Thompson and Mrs. W. F. Jarrel went to assist Rev. T. C. Smoot in presenting to the congregation the merits of the United War Work Campaign. The address by Judge Pearce was greatly appreciated and solos by Mrs. Jarrell highly enjoyed.

A meeting was addressed at Bethel A. M. E. Church Sunday evening and nearly every man and woman present subscribed $5. There were two who did not reach this sum and their amount was increased by a friend so that these up-town church people were put in the "Victory" class.

The people of Still Pond who did not attend church Sunday were very much put out to learn what a great speaker had been among them. Learn a lesson from this and go regularly to the house of worship. Mr. Carlton Harrison, who spoke at Betterton and Still Pond will go on the Chautauqua platform next year.

NEWSY TIDINGS FROM OUR BOYS

H. E. Wood, dealer for Delco Light Products for Kent and Queen Anne's counties, has disposed of his territory and will go to New York to enter The L. R. Wood Inc., Exporters for West Indies and South America. Mr. Wood had inlisted in the Signal Corps Service and been inducted into the army but was released by the signing of the armistice.

Among the "boys" home over Sunday were Sgt. Rolph Townshend, of Camp Holabird, Mechanic Eli Elliott, Sgt. Conlyn Noland, Private Frank Turner, Sgt. Joseph Lambert, Privates Norman Cooper, Embert Harrison, Jesse Copper, Selby Beck and Milford Car.

Private Spencer Smith, who is with the American Expeditionary Forces in France wrote his parents, Mr. and Mrs. John A. Smith, of near Lankford, that he had a knapsack shot off of his back, but was not hurt.

Capt. and Mrs. George Ayres received a letter from their son, Lieut. Joseph Ayres, that he was gassed the latter part of September, was improving in a hospital and hoped soon to be with his command again.

Private Hilbert Kendall wrote his mother that he and Lloyd Adley had been gassed, and sent to a hospital, not to worry as they hoped to be with the company soon again. These young men were working with machine gun crews.

Arthur Wheat is reported quite ill with influenza at Camp Meade.

The following letter was received by Mrs. Jesse G. Duyer from her son, Earle, who is somewhere in France:

Having a few minutes thought I would drop you a few lines and let you know that I am still O. K. Am sure seeing a lot of France and although it is mostly afoot, find much that is interesting. The people here are an awfully hard working class and save everything, and believe me we Americans can easily learn a lesson in frugality if we would but observe them closely. I do not receive any papers here. If you will cut out some interesting news from the Kent News or Transcript and mail same in your next letter. Can get some home news that way. I am writing this in a quaint old French house and the lady, who is about your age, is getting supper. They are having some potatoes, French fried, and a sort of a substitute for coffee. There is no sugar and they live mostly on vegetables, with very little meat. They have lots of trouble getting bread and you should see them hoarding it up. I must bring this to a close now, as we can not stay away from quarters long at night and must be getting over. Let me know how everybody is in your next letter and tell Doggie to write me. With love.

The Baltimore papers of recent dates contained the following names of soldiers missing in action: Privates Robert Bowers, Herbert H. Bowers, Millington; Lue P. Jester, Sudlersville; Private Henry K. Heller, of Baltimore, formerly of Chestertown; Corporal Wm. S. Campbell, of North East, Corporal Campbell was one of the graduates at Washington College in June and was well known here. Wm. A. Robinson, Millington, is reported as having died of disease.

IT'S NOT YOUR HEART
IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. A majority of the ills afflicting people today can be traced back to kidney trouble.

The kidneys are the most important organs of the body. They are the filterers, the purifiers, of your blood.

Kidney disease is usually indicated by weariness, sleeplessness, nervousness, despondency, backache, stomach trouble, pain in loins and lower abdomen, gall stones, gravel, rheumatism, sciatica and lumbago.

All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammations and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of GOLD MEDAL Haarlem Oil.

After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first-class condition and ward off the danger of other attacks.

Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

Serviceable School Shoes
FOR ALL AGES OF CHILDREN
FROM KINDERGARTEN TO HIGH SCHOOL

The two cardinal points in the selection of children's shoes are FIRST—Correct Fit. SECOND—Sturdy wearing qualities—

This is, however, not so easy as it sounds, as years of experience are really required to determine just how growing feet should be fitted and just how to strengthen shoes where the wear comes hardest—

We offer to you our years of expert study on these very points and ask that you entrust to us the care and safety of your children's feet as well as the protection of your own purse—
