STATION F. BALTIMORE, MD.

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are effected, and many an evil deed or impure thought may be directly traced to the impurity of the blood. Foul, impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It enriches and purifies the blood thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by inclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of *unknown composition* as a substitute for "Golden Medical Discovery," which is a medicine OF KNOWN COMPOSITION, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels.

ROCK HALL NOTES.

Pastor Richardson, at the M. E. Church on Sunday week, preached another fine sermon on "Perseverance in Well-Doing," using as a text "As we have therefore opportunity let us do good unto all men, especially unto them who are of the household of faith."

Quite a large congregation had the pleasure of hearing an eloquent and soul-stirring sermon on Sunday week, preached by Rev. J. M. Sheridan at Wesley M. P. Church. The subject was "The Love of and Power of Jesus Christ," the text was "And he came and touched the bier,"—Lu. 7:14. The three thoughts - Jesus Draws Near us in Our Need, The Power of Jesus Over Death, If we Would be Helpful to our Fellowmen we must get in Touch With Them in Their Need, was charmingly emphasized by the reverend gentlemen with many forceful incidents witnessed by him in ministry. The sermon has been the subject of many favorable comments during the week. Mr. Sheridan presented a glowing report of the past year's results in the Maryland M. P. Conference work, which was very interesting to the assembly.

Elder R. W. Hottell occupied the S. D. A. pulpit on Sunday week and preached a forceful sermon to the delight of a large audience.

Last week proved an epoch in the experience of Capt. G. T. Sewell as a bay sailor, having broken all previous records in time and freighting to and from Baltimore. He has landed 75 tons of coal for Alexander & Son and will land 30 tons more. Beginning this week Capt. Sewell will conduct a packet line from Rock Hall wharf to Baltimore, making two trips weekly, Mondays and Wednesdays, leaving here at noon. The Captain is popular with the farmers as a grain freighter, there is no doubt therefore of his success in this new line. Considering the high rates for wear and tear of vessel, seamens wages, etc., his freighting rates will be moderate.

The Board of Commissioners for the past year deserve the warmest commendation of the citizens for the faithful discharge of their duties. It is much regretted that Mr. Crew declined to serve another term. He "made good" as chairman of the Board.

Our road supervisors are getting the public roads in good condition this week.

The fish license question is still in agitation here. Some think there is too much politics mixed in the matter.

Mr. Thomas Drew has cleared off the fence row on the East side of his farm, which makes a fine improvement to the property and the ball-ground located there.

The crew of the Shell-Fish Commission House boat had a rough experience Monday week. They left for Chester River to prosecute the work of erecting signal towers and the heavy wind interrupted them and they were compelled to seek harbor in Grey's Inn, leaving their launch there and walking across country to Swan Creek, where their house-boat was harbored.

BASE BALL NEWS.

Chestertown High School defeated the Millington invincibles last Saturday afternoon by score of 3 to 2. The score stood 2 to 0 in favor of Millington until the ninth inning when Chestertown scored 3 runs!

Washington College second nine played Barclay's team Saturday afternoon on the latter's diamond and were snowed under. The score being 18 to 3.

The Chestertown "Stars" went to Edesvile Saturday and defeated the oystermen by score of 8 to 5.

Kennedyville defeated Harry Rust's railroad team last Saturday at Kennedyville by score of 17 to 3.

Washington College was defeated on Wednesday by Eastern College of Norfolk, Va., by score of 7 to 9.

Good Use.—Frank Souther, of Newburyport, Mass., has found some use for an Easter hat. Mr. Souther was trying to fix a lamp in his home when it suddenly tipped over and the oil ran in little rivers of flame all over the floor. Souther reached for a fire extinguisher and his hand landed on his wife's new hat. It had cost $7, but Souther made a rapid mental calculation and concluded that the house was worth more than the hat, so he ran about the room smothering flames with the new creation. It did not look much like a new creation when he had finished with it, and Mrs. Souther's enthusiasm was a little dampened, but she was glad the house was saved, and therefore did not complain.

REDUCED RATES TO GETTYSBURG.

FOLEY'S HONEY AND TAR stops the cough and heals lungs

SASSAFRAS ITEMS.

Mrs. W. H. Spry entertained the Aid Society under the auspices of the Rehoboth Methodist Protestant Church on Wednesday evening to an elegant supper. Her son Mr. and Mrs. Irving Spry assisted in receiving the guests music was one of the features of the evening. The guests never took their departure for their homes until midnight, they were so delightfully entertained. Fruits, cakes etc., were also served later after supper.

We feel grieved and very sorry to report the death of the lovely little daughter, Frances of Mr. and Mrs. Fletcher Caulk, who died on Thursday last after an illness of seven weeks. It seems very sad and severe for these parents to give up their bright interesting daughter only little over two years of age. The funeral took place on Saturday morning at 10 o'clock. Interment at Cecilton M. E. cemetery.

Miss Mary D. Davis, of Wilmington College is visiting her parents here, Mr. and Mrs. James D. Davis near town.

Mr. Harry Tarbutton, of Wilmington is visiting his parents Mr. and Mrs. John F. Tarbutton near Sassafras.

Miss Mabel Price and a host of her friends expect to hold a supper on Friday evening in the Jr. O. U. A. M. Lodge rooms for the improvement of the grounds of the public school.

Mr. W. S. Morris visited relatives in Wilmington on Saturday and Sunday last.

Mr. and Mrs. Frank Sylvester are entertaining Mr. Harry Swift of St. Mary's Virginia.

Mrs. John F. Ernest and her mother, Mrs. I. Gunkie, will leave on Wednesday morning for a fortnight sojourn at Atlantic City to visit Mrs. Gunkie's daughter, Mr. and Mrs. Daniel Mitchell, of that place.

Judge and Mrs. Sheppard Morris are entertaining their daughter, Mrs. Stephen Singleston, of Wilmington, Del.

Rev. R. C. Walker, of Princeton University, N. J., will have charge of the services in the Presbyterian Church during the entire of the summer months at Chesapeake City. Rev. Dr. Walker is a most learned and brilliant speaker and great expectations are expected of his learned sermons.

Many of the churches on Sunday paid high pulpit tributes to "The Mother's Theme," it being Mother's Day, and many wore white carnations, which were worn in the memory of each wearer's mother. The clergymen spoke most beautiful from their pulpits on the "Sacredness of Motherhood."

Mr. and Mrs. Louis P. Atwell, Mrs. Rachel Stradley and Mr. Robert Johnston were entertained for tea on Friday by Mr. and Mrs. R. Redmile, of near Kennedyville.

We understand one of our young men is soon to leave us and take a position in the city. We will all regret to have him leave.

Wheat Prospects.

Maryland's farmers will be richer by many millions at the end of the present summer than ever before, for Maryland's wheat crop, according to official reports today, is a record-breaker, and with the present high prices Maryland's income from the wheat will break all records.

While the cry of short crops is going up from the States west of the Alleghanies the Maryland farmer is laying low and watching his wheat fields blossoming forth into dollars that will not only pay off the mortage, but also allow him to buy automobiles and still have a surplus in the bank to carry him over several bad years should Nature turn her beaming countenance away from the Old Line State.

To come more directly to the point, the wheat crop in Maryland this year is said to be one of the best in years, and unless unfavorable conditions arise between now and harvest time the yield will be such as to test the granaries of the State to the limit of their capacity. Reports from all sections show that growing wheat is in a most flourishing condition.

According to figures furnished by Secretary Wroth of the Chamber of Commerce this morning, the average wheat crop produced by the farms of Maryland is about 16,000,000 bushels, but that the indications this year are that the crop will reach anywhere from 16,000,000 bushels to 20,000,000 bushels, with the estimates favoring the latter figure.

The crop report sent out by the Agricultural Department at Washington today shows that throughout the country the wheat crop is short about 16½ per cent. of being a full crop. This shortage is made up principally of the crops in the States west of the Ohio river—the great wheat-raising country—to measure up to the standard. This shortage, it is argued, will do much to enrich the Maryland farmer, as it is said, it will practically mean that the present high price of wheat will be maintained.

July delivery today was quoted on the floor of the Chamber of Commerce at $1.14½, and if this price holds out the wheat crop will net the farmers of the State away over $20,000,000. In former years the slogan of the wheat farmers was "Dollar wheat." Last year most of them got that price for their crops. With wheat at $1.14½ the growers are the most prosperous class in Maryland.

HOW IS YOUR

EYE-SIGHT?

Being encouraged by the citizens of Chestertown that an Eye Sight Specialist would be essential for the welfare of the town, I HAVE DECIDED TO OPEN AN OFFICE for my friends and patrons. I have rented the store next door to Mr. Hope H. Barroll's office where I will await your patronage. I use the latest and best methods for testing eyes. Use no dope that injures the eyes. I straighten cross eyes without the use of knife or drugs. I will not tell you to get glasses when I find you cannot be benefitted by them. Call at my office and I will examine your eyes FREE OF CHARGE.

Respectfully,
DR. DAVID BLOCK.

Will be in Millington Md., May 5th, 1909.

Hoarseness, bronchitis and other throat troubles are quickly cured by Foley's Honey and Tar as it soothes and heals the inflamed throat and bronchial tubes and the most obstinate cough disappears. Insist upon having the genuine Foley's Honey and Tar. Sold by all druggists.
