DEMOCRATIC TICKET.

STATE TICKET.

FOR GOVERNOR.
ARTHUR P. GORMAN,
Howard County.

FOR COMPTROLLER:
EMERSON C. HARRINGTON,
Dorchester County.

FOR ATTORNEY-GENERAL:
EDGAR ALLEN POE,
Baltimore City.

COUNTY TICKET.

FOR STATE SENATOR:
WILLIAM W. BECK.

FOR LEGISLATURE:
JAMES G. HARRIS,
CHARLES L. MILLER.

FOR COUNTY TREASURER:
CLARENCE S. HURLOCK.

FOR SHERIFF:
WILLIAM H. McKEE.

FOR STATE'S ATTORNEY:
HARRISON W. VICKERS.

FOR COUNTY COMMISSIONERS:
W. FLETCHER MELVIN,
HARRY NICOLS,
THOMAS C. ROE.

JUDGES OF ORPHANS' COURT:
JAMES BRAMBLE,
W. BRADFORD COPPER,
CHARLES S. HILL.

YOU should not desert your party any more than your religion, because their are some sinners in it.

THE Organization faction has begun its campaign for two years hence, and the present session of court has proven quite interesting.

FORMER Congressman Sidney Mudd and Mr. B. B. Shreeves, member of the Liquor License Board of Baltimore, both prominent politicians, the former a Republican and the latter a Democrat, died during the past week.

SENATOR BLAIR LEE made a splendid impression by his fine speech on Friday. Senator Lee is waging a hot fight throughout the State for the success of the Democratic ticket, and his friends everywhere are enthusiastically supporting the ticket.

SEVERAL prominent citizens were summoned to appear before the grand jury in the investigation of the violation of the Corrupt Practices Act, but for some reason unknown to the public, they were not called before the jury. Can any one tell why?

THE Department of Commerce and Labor will please accept our thanks for several maps of the natural oyster bottoms of the State. We have forwarded same to Mr. Walter H. Hadaway, who will see that the oystermen get the information they desire.

THE Republicans have trotted out Senator Wellington again. He's looking for another political job, or he would never mix it up with Boss Billy Stone again, after the "snubby" treatment he has received at the hands of the Republican machine.

GOVERNOR CROTHERS, after an extended tour of the State, says the tide is turning strongly in favor of the election of Senator Gorman, and is confident that he will be elected by a fine majority. Right you are, Governor, for we have heard and seen a few things lately.

EXCUSE us for feeling compelled to refer to it—but the Democrat who votes the Republican ticket on November 7th votes to place himself on political equally with the negro, and when you become the political equal of the negro, the negro believes he is your equal socially. See your danger?

THE Corrupt Practices Act provides for the punishment of the *seller* as well as the buyer. Why did not the grand jury indict Buck Johnson, who alleges that he sold his vote to Mr. Robinson and Mr. Duyer, at the same time they indicted these two gentlemen? If it was the jury's duty to indict the alleged buyer, it was their duty under the law to indict the seller.

L. WETHERED BARROLL, ESQ., argued his first case in court in the damage suit of Foster Clark vs. the P., B. & W. Railroad Company on Tuesday. Mr. Barroll proved himself to be a pleader of convincing power and ability, and the jury was so much impressed by the force of his argument and the character of the evidence which he educed, that it returned a verdict, after a very brief deliberation, of $600 for his client.

GRAND DEMOCRATIC RALLY
—AT—
ROCK HALL
On Saturday Evening, Nov. 4.

Several of the State candidates and other distinguished speakers will be present and address the meeting. Democrats, come out and hear the issues of the campaign discussed by able speakers.

GEORGE E. NOLAND,
J. ELWOOD MORRIS,
CHARLES L. DODD,
State Central Committee.

BALTIMORE CITY is asking the Eastern Shore and Southern Maryland to give her increased representation in the Legislature, when, simply because some election scoundrels in Baltimore have been guilty of fraud and trickery, some Democratic citizens may vote the Republican ticket, and thereby seek to thrust the peril of negro domination upon the Eastern Shore and Southern Maryland.

THE Organization forces have furnished the Antis with as good a campaign issue during this session of court as the county tax rate proved to be in the last campaign, and rest assured that the Antis will push this issue for all it is worth after the election. Our energies are bent on assisting in the election of Senator Gorman and the rest of the Democratic ticket now, but *the issue* will keep until after the election, all right.

ANY MAN is foolish to vote the Republican ticket this year, when beef is 22 cents a pound, flour $7 per barrel and sugar 8 cents a pound. Why, what has that to do with this election? Why, don't you see if you vote to turn Maryland over to the Republican party, you are sanctioning the arbitrary actions of those interests and trusts which are allowed to make you pay so much for your living expenses, by the protective tariff laws which the Republican party has enacted. Elect a Republican Governor of Maryland this year, and you will see what a bad effect it will have on your living expenses in 1912.

THAT was a great meeting the Democrats had in Firemen's Hall last Friday. Chairman George E. Noland, of the State Central Committee, had every detail arranged in splendid shape, and everything went off without a hitch. Senator Gorman and the other candidates made a splendid impression among the voters, and the speech of Senator Gorman was enthusiastically received and convinced every one of the Senator's sincerity and of his exceptional fitness for the high office of Governor. The meeting has done great good, and the Democratic majority in Kent will be considerably increased because of that meeting.

GOVERNOR CROTHERS was in Chestertown on Tuesday night and Wednesday morning. He mingled among the people here and visited court. He left at 12.30 o'clock for Galena, where he delivered a splendid address at the great tournament held in that town on Wednesday afternoon. The Governor left for Cambridge by automobile late in the afternoon. Governor Crothers firmly believes that Senator Gorman will be elected Governor, and that conditions throughout the State are growing brighter every day for a large majority for the Democratic ticket. The Governor is campaigning the State in the interest of the ticket.

WE HAD pleasant conversations with Delegate Cummings from Montgomery county, Mr. Duckett, candidate for Register of Wills in Anne Arundel, and several gentlemen from Dorchester last week, and each gave us fine reports from their counties. Mr. Cummings says Montgomery will give Gorman 400 majority; Mr. Duckett says Anne Arundel will give him more than 2000 majority, and those from Dorchester stated that that county will give 300 majority for Gorman and the Democratic ticket. The election frauds in Baltimore city are not going to cut as much of a figure as the Republicans think, and it is believed that Senator Gorman will carry the city from 3000 to 4000 majority.

THE election is one week off from next Tuesday. What are you going to do about it, Mr. Voter? Are you going to turn the State over to the Republicans and thus put yourself in danger of domination by the 55,000 negro voters who form the great majority of the Republican party, or are you going to stick to the grand old Democratic party—the white man's party—under whose rule the lives and liberties of your wives and children are safe, and under whose protection there never has occurred such riots upon the streets of Chestertown or such dastardly crimes upon our country highways as were enacted when the Republican party was in power in this State and county? We do not censure our white Republican friends for such conditions. They would be equally as glad to be free from the negro boogaboo as are the Democrats. But the Republican party in Maryland, especially in Eastern and Western Maryland, is burdened with the yoke, and just as certain as you vote the Republican ticket this fall, you vote to place that yoke upon the people of this State. Remember that on Tuesday, November 7th.

[redacted]

"Turning to the Republican platform, on this point we find that, after declaring its approval in general terms of "the principle of a State-wide primary" (no specific declaration, in fact, of direct voting), it goes on to use the following language: "But in order to accomplish this purpose the present statutes must be amended so as to insure the secrecy of the ballot, to safeguard the interests of all contestants of the nominations, to provide for the recount of the ballots in case of fraud, and to place such contests within the reach of men of modest means."

Not a single one of these promises is sufficiently specific to enable the people to hold the Republican party to its performance, but the special thing is that part which relates to the vital matter now under consideration."
