9000 resolution 1938

Whereas, I thoughtfully have protected myself and my family by the maintenance of Life Insurance a Will and a modest Trust Fund:

Whereas, I have continued to postpone making provision for a final resting place and cannot enjoy peace of mind knowing that I have overlooked this important duty . . .

Whereas, this is the beginning of a new year and I am determined to fortify myself against any and all emergencies: Be it therefore

Resolved: I will visit the establishment of Maurice E. Newnam & Son; I will investigate their facilities; I will inspect their immaculae funeral home and their modernly-equipped operating room; I will carefully inspect the many beautiful and nationally-known memorials which they always have on display. I can truthfully say that I will do all of these things because I know that Maurice Newnam has been in business ever since I can remember and he knows that customer-satisfaction comes first

above everything else; and be it further Resolved: I will act immediately; for no one knows when this type of service is going to be needed; I know that by going to Maurice E. Newnam & Son, Easton, Maryland, I can easily fulfill this important duty to my family.
