Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THRILLING TIME IN LAUNCH

Engine Broke Down and Boat Was Towed to Riverview by Capt. Charles S. Smith, of Chestertown.

After a thrilling experience on the Chesapeake Bay, near the Love Point lighthouse, Mr. Frederick Sarbacher, of 291 South Pulaski Street, Baltimore, in company with his wife, his son and five other persons, were towed into River View shortly after 3 o'clock Tuesday afternoon. Those in the party were Mr. and Mrs. Frederick Sarbacher, William Sarbacher, George Gerlack, John Egan, all of 291 South Pulaski street; C. J. Callahan, 2002 Maryanna street, and Walter and Norman Collison.

About 4 o'clock Sunday morning the party started out in a launch for Rock Hall. About 9 o'clock that morning, when nearing Love Point, the gas engine of the launch got out of order. For 25 hours or more Mr. Sarbacher, aided by those in the party, worked hard to get the engine in shape so that the trip could be completed.

After they had become tired from their vain effort to put the engine in working order, they called for assistance. The first to answer their cries was Capt. Charles S. Smith, of Chestertown, who hurried to the scene in his launch and towed them all the way to River View. There was great rejoicing at the homes of those in the party when they returned. None of the party is any the worse for the experience.

Capt. Smith, with his son, Charles, and Dr. Oxen C. Smith, left Cliff City Monday and were enroute to Baltimore.

CHURCH NOTES.

Rev. Dr. L. E. Barrett will preach at Woodlawn Camp next Sunday morning.

A camp meeting under the auspices of the Holiness Association is being held this week on Maple avenue. The services are being well attended.

A beautiful solo by Mrs. J. Harry Anthony was a feature of the Epworth League services at the Chestertown, M. E. Church last Sunday evening, and at Christ M. P. Church a pretty solo was sung by Miss Edith Fallowfield and a duet by Misses Anna Smyth and Elizabeth Russell.

In the absence of the organist, Miss Mabel Toulson, who expects to spend the month of August away, Mrs. Wm. Smith will preside at the pipe organ in the M. E. Church.

Chestertown M. E. Church, Rev. Louis E. Barrett, D. D., pastor. Services next Sunday, Aug. 15th, as follows: 10.30 A. M., preaching by Rev. A. H. Covey; 2.15 P. M. Sabbath School; 6 P. M. Junior League; 6.45 P. M., Vesper Service, in charge of Epworth League.

Owing to the absence of Rev. J. M. Mitchell on his vacation, there will be no service in the Methodist church at Galena next Sunday morning. Rev. A. P. Prettyman will preach in the M. E. Church at Sassafras Sunday morning and at Galena in the evening.

FARMING NOTES

Among the lucky peach men this year are Messrs James S. and Carson Harris, Ben. Crew, Jos. R. Usilton, Oliver Miller and Capt. E. W. Emory. These gentlemen have fine crops and fruit has been bringing good prices. Mr. Crew had 200 baskets one day last week for which he refused $1.25 each. We are glad *some* farmers are reaping a rich harvest.

Mr. Harry R. Graham shipped 15 fine sheep to a gentleman in Richmond on Wednesday night. Among them were ten young bucks for which he received $180.

The average wheat yield of America is only about fourteen bushels to the acre, while in England the land that has been farmed for hundreds of years averages about thirty bushels.

Buyers have been in the county during the past two weeks buying keiffer pears at 15 cents per basket. Mr. Harry Legg on the Chapman-Pearce farm, sold his orchard of 8000 baskets at 15 cents.

The sales of personalty advertised in the News have drawn large crowds and stock and implements have sold well. At Mr. George Bell's sale Monday, Marion deK. Smith, Esq., attorney, says there was more cash paid for purchases than he ever saw at a sale. Cows sold as high as $46, horses up to $185, pair 2-year-old colts brought $280 and a pair mules $345.

Mr. W. H. Fields, Jr., of Philadelphia, is buying considerable baled straw in this section. One farmer shipped fifty tons for which he received a check for $300.

OH, THE GENTLE SEX!

There are 126 women in this country who can do your plumbing. Any one of 786 women in this broad land can fill your teeth and perform other dental operations. 1041 women can and do plan houses. 3573 make a practice of preaching of a Sunday from a pulpit and 1010 defend prisoners at the bar. 545 are carpenters and can drive a nail without pounding their thumbs. There are 167 women masons, 1365 women work in mines and 84 are engineers. And more remarkable still, there are 193 women blacksmiths by profession and can be buried by any one of the 323 women undertakers.

Oyster stews and fries bid fair to rise in price in September. Dealers in northern and western cities are much excited over the decision of the authorities at Washington that oysters packed in ice are adulterated. The oyster is said to be one of the most thirsty animals in existence. When packed in ice it imbibes every drop of ice water it can get. As result, it swells often to two or three times its size. This, say the Federal authorities, is adulteration. The rule now is that oysters must be shipped in refrigerator cars, which will not allow them to come into contact with the ice.

Shaking Up.—The residents of Galena report a miniature earthquake early on Monday morning. Dr. Scott says it awakened him and his wife and rattled the shutters. Mr. James Hicks says it nearly threw his wife out of bed, and Mr. Harry Bolton says at his house the quake was so severe that it threw his baby out of bed! There nearest quake reported here at that hour was in Mexico.

Music was one of the features of the evening. An elegant collation of ice-cream and cake was served on small tables, and the beautiful lawn was aglow with lanterns.

Mrs. Hackett, of Still Pond, who has been visiting Miss Temperance Ford and her sister and niece, Mrs. Laura Townsend, left for her home on Thursday. Her son and daughter, Mr. and Miss Hackett, came in their outo for their aged mother. Mrs. Ford is nearly 90 years old and has been very ill, though now greatly improved.

Mrs. Harris and little daughter, wife of Rev. Mr. Harris, of the Wilmington Conference, is visiting her friend, Miss Alice Dreka, at beautiful "Water Ledge."
