SATURDAY, OCTOBER 2, 1909.

NEXT Tuesday is registration day.

NO FOREIGN VOTER will be disfranchised under the amendment.

WHEAT advanced 14 cents in Chicago on Thursday. The closing price was $1.20 a bushel. Was quoted at $1.13 in Baltimore.

THE amendment will not disfranchise any white voter and the best colored voters also will be able to vote.

THE date for the Democratic Mass Meeting has been fixed for Tuesday, Oct. 19th. Be sure to attend. Speakers will be announced later.

THE Baltimore American and the Evening News are good rivals in the bitterness of their opposition to the Amendment which would only disfranchise the worthless colored voter. But the efforts of these Republican partisan organs can hardly have any weight with sensible Democrats.

THE Baltimore Evening News is a more fanatical Republican organ than the American, though the latter seems to grow blacker every day. The American, however, is credited with being run by home people while the Evening News is owned and published by the worst kind of a New England politician—namely Frank A. Munsey.

EVERY foot of new road built by the State means a vote for the Democratic party. Why? Because the Republicans are opposed to the State road work and the people knew if this good work is to be continued they must look to the Democrats to do it.

THE suffrage amendment deserves the vote of every white man in Kent county be he Republican or Democrat. Its passage means an elevated condition of affairs socially and an improved condition in labor on the farm. It is hard to comprehend how honest and conscientious voters who favor an intelligent electorate can find objection to a proposition to do away with ignorance and dishonesty in the franchise. Do not let partisanship blind you to your duty.

To Democrats!

Next Tuesday, October 5, is the last Registration Day. If not registered go and attend to it. If you have moved into a new district, get a transfer. DO IT AT ONCE.

COLORED VOTERS ACTIVE.

The registration in Kent last Tuesday evidenced the fact that the negroes are alive to their "politics" while the white people are not awake to the situation. Next Tuesday is the last day to transfer or register and it is very important that this matter be attended to at this time.

The Democratic ticket in Kent deserves the support of every voter and especially the white men, as follows:

For Comptroller:
JOSHUA W. HERRING,
of Carroll County.

For Clerk of the Circuit Court:
JAMES T. DIXON.

DOING A GREAT WORK.

Dr. F. T. Little, pastor of Christ M. P. Church, preached a strong sermon last Sunday night on Temperance. He eloquently and justly gave the Woman's Christian Temperance Union much of the credit for the success the cause temperance has attained. Certainly in Kent county this band of women had a great deal to do with its banishment and all over the county the women are working earnestly for the cause.

There have been few organizations formed for the institution of reforms and the betterment of social conditions which have been the subject of so much ridicule and so many predictions of ultimate failure as the Woman's Christian Temperance Union. Yet with a quiet, undemonstrative, increasing persistency it has pushed the work in its particular field of endeavor until it has become a power which the liquor interests have to reckon with.

There is a propulsive moral and intellectual force in the united efforts of hundreds of thousands of women bound firmly together for the accomplishment of a certain definite purpose, and when many of the women are intellectually forceful and accomplished public speakers, and possessed of executive capacity of a high order, it is not surprising that they achieve much.

The movement which they are seeking to promote is so absolutely impersonal, so free from the taint of money-making and commercialism, that its very unselfishness is within itself a power, and however men may disagree or doubt as to its wisdom they cannot belittle the work.

The question of the manufacture and sale of intoxicants will likely be with us for many years to come, but its solution will be hastened as the years go by. The Woman's Christian Temperance Union is training the children and instilling into young minds by precept and by simple scientific illustrations relentless opposition to the liquor traffic in all its forms, and the result of these teachings will be felt in the years to come.

NEGROES SAID TO BE RESTIVE

W. Ashbie Hawkins, Colored, Tells Of Order To "Lie Low."

Belief that the negroes are expected by the Republican leaders to "lie low" in the antiamendment fight and doubt of the sincerity of the Republican party are said to be spreading throughout their ranks. The assertion that "word had been passed for the negroes to remain in the background" was recently made by W. Ashbie Hawkins, a negro lawyer, at a meeting of colored voters at the Sharp Street Memorial Church, Baltimore.

"I had that information straight from an officer of the Suffrage League of Maryland," said Hawkins, "and if the members of that organization don't know, no one else does. It is Mr. Stone's organization and obeys him in every order.

"As a matter of fact, all the white Republican party wants is our voters to keep the Federal officeholders in their jobs. Then if the amendment is defeated they will take all the credit and retain their stranglehold on us and make us vote for them in the future as they have in the past. For that reason it is a pity that our vote is always cast solidly for the Republian party.

"In regard to the order for the colored voters 'to lie low,' the Republican party—which is Mr. Stone—knows that we will vote against the amendment anyhow, and they do not want us to be conspicious in the fight nor to be in a position to claim the least bit of credit for its defeat."

On the other hand, both Chairman Hanna, of the Republican State Central Committee, and Chairman Platt, of the City Committee, said that they had no knowledge of any such order.

"We want every vote, black or white," said Mr. Hanna, "and the negroes have their own antiamendment league. I do not know of any such order."

"We want every vote we can get against the amendment," said Mr. Platt, "but the negro must work out his own salvation. He has his own organization, and with that we have nothing to do. I have not heard of any such order."

So firm was the belief at the recent meeting at Sharp Memorial Church that the negro must remain inconspicuous that a motion to form another organization for aggressive action against the amendment was lost. At the time the opinion was expressed that it would be worse than useless to "go against orders" and that such a course might do the negro cause more harm than good
